Principal's Message

Dear Bobcat families,

This year, one of our challenges is supporting two different learning models and remaining one school community. Our goal this year is to remain #one. To that end, we are taking strides to bridge the gap between Digital Academy and Brick and Mortar learners. Mrs. Quiggins and I have been joining in with our Digital Academy students during their instruction so they see our faces, the morning show continues to go out and be a part of daily routine for all students, and we are proud to start our newest effort this week.

"One"derful Wednesdays will be weekly spirit days that are published at the beginning of each month that all of our students can participate in. Our first "One"derful Wednesday theme is Pink Out! This Wednesday, to show our support of Breast Cancer Awareness Month, we encourage all of our students to wear pink.

Please see the attached schedule for the full month's schedule of "One"derful Wednesday themes.

Sincerely,

William Millard
Principal
