

Language Tips

Encourage your child to use accurate grammar and complete sentences throughout the day.

**Dress up.
Role Play.**

Act out a favorite scene from a story or movie.

Act out what you think might have happened next in the story.

Definition:

Future tense verb = helping verb “will” + an action verb = describes an action that may happen in the future and forms a simple future tense sentence.

Examples:

Charlie **will drive** to the store.

You **will go** to the library.

We **will eat** dinner at 5:00.
