

Language Tips

Encourage your child to use accurate grammar and complete sentences throughout the day.

Objects!
Describe objects in your environment.

Definition:

Adjectives = words that describe or tell us more information about a noun (person, place, or thing) or pronoun (I, you, me, it, he, or she). They answer questions about nouns or pronouns: What kind? How many? or Which one(s)?

Examples:

Size words

big **ting** **huge**

Color words

blue **orange** **red** **purple** **green**

Shape words

round **square** **curvy** **straight**

Sound words

loud **noisy** **quiet** **crunchy** **squeaky**

Number/quantity words (how many?)

many **few** **twelve**

Quality words (what kind of?)

dirty **good** **hungry** **bumpy** **hot**

Words that answer "Which one(s)?"

this **that** **these** **those**

Feeling words

happy **angry** **brave** **silly** **nice**
