The 2 red and white dogs rest **lazily** on the sofa. One of them snores **loudly** on the soft blanket.

Encourage your child to use accurate grammar and complete sentences throughout the day.

Describe actions that occurred during the day. See how many different words you can use to describe the actions.

Definition:

Adverb = a word that describes or clarifies the meaning of verbs, adjectives, or other adverbs. Adverbs answer the questions: how, when, where, how much, and how often.

Examples:

Adverbs that answer:

How - carefully, easily, loudly, quickly, quietly, slowly

When - later, soon, often, now, already, today

Where - here, there, upstairs, over there

How much - very, quite, too, completely, almost, entirely

How often - always, never, rarely, seldom, usually, sometimes
