This website is my class newsletter.

Please check it DAILY for updates.

Parent announcements:

-(8/29) **Open-House** is this Thursday, September 1st. Times are... **3-5th grade 6:15-6:45** **K-2 grades 5:30-6:00**

-(8/19) Parents, on each of the first three days of school, I described to both classes how I expected their papers to be turned in. The expectations were that any assignment that was turned in would have 1- their first name 2- their last name 3- their in-class student number. For example, Billy Suarez is 12. I am going through the first batches of math papers for lessons 1 & 2 and more than 1/3 of the papers have not been signed correctly. Most have only their first

- (8/09) Because Ms. Bailey and I will be involved in teaching activities throughout the day. We often will not be able to answer phone calls. The best way to contact us is through email. I check my email 2 to 3 times a day and will do my best to contact you by the end of the day. I'm sure there will be a lot of questions, from both you and me... My email is christianos@leonschools.net and Ms. Bailey's is Baileyc@leonschools.net. By using email as your primary means of contact as it will allow us to get back to you in a more timely manner. I communicate only through school email, school land-line phone or my school Zoom account.

- (8/5) Click here  for the Orientation Day PowerPoint we viewed in class on Friday.

- (8/09) *****If you need to change your child's dismissal plan for a particular day, please send an email to CSSOffice@leonschools.net by no later than 2:00 PM. If you are planning to pick them up early from school, it should be done no later than 2:15.*****

My email.... If you have questions. christianos@leonschools.net

- (8/9) Here's a copy of the [Walker Verification Form](#)  that must be filled out and approved if your child is going to walk home.

- (8/9) Here is a copy of the [welcome letter](#)  I emailed on Tuesday afternoon.

Work is collected the day after it is assigned in class.

Our classwork

Week of 08/30

Monday-

Math- (Block 2 Math.... NO ASSIGNMENT) We will Begin lesson 1.7, Multiplying 2 Digit Numbers to larger numbers today in class (**Lesson Pages**). Our assignment today **will be Page 15** ⚡ from the workbook. Here is the **Mr.Mathblog.com video** for that lesson.

Science- We will finish our Online Digital lesson From Friday (See Last week's Friday Science Lesson) and We will Move ON to Our digital lesson For lesson 1-5: What are Some Science Tools? It will also be found on ED-Learning in the "Assignments" tab.

Tuesday -

Math- (Block 1 No math assignment) Block 2 We will Begin lesson 1.7, Multiplying 2 Digit Numbers to larger numbers today in class (**Lesson Pages**). Our assignment today **will be Page 15** ⚡ from the workbook. Here is the **Mr.Mathblog.com video** for that lesson.

Science- We will continue with our [digital lesson For lesson 1-5: What are Some Science Tools?](#) It can be found on ED-Learning in the "Assignments" tab. Please read **pages 45-55**.

Important dates coming up:

Our Conley Fun Run fundraiser will kick off in just 2 weeks on 09/13/2022. Our goal is to raise \$15,000 for school improvements and to strengthen our school community.

☆ Click Here to Sign Up for our Facebook Event!
<https://fb.me/e/1WWKH8ZK1> ☆

Key dates to remember:

- **REGISTRATION OPENS TOMORROW** - 08/30/2022
Register on [MYBOOSTER.COM](https://mybooster.com)
- **Conley Fun Run Kick Off** - 09/13/2022
- **Event Day** - 09/21/2022

Donations will go toward supporting our school and can be given throughout the entire experience. *There is no pressure to give*, but we invite you to help our school by sharing our fundraiser with your family and friends!

Class Expectations:

Be Ready to work
Be Respectful
Be Kind

Self Governance:

Be where you are supposed to be.
Be doing what you are supposed to do.
Be doing it when you're supposed to do it.

Work is collected each day.

Late work, not connected to an excused absence, carries a 10% reduction in grade.

A- 100-90

B- 89-80

C- 79-70

D- 69-60

F- 59 <

Unit assessments/tests 40%

Lesson quizzes 30%

Classwork/Homework 30%

Changes for this year:

1. Lexia instead of I-Ready Reading for 3-5. (I-Ready Math will still be used)
2. More “progress monitoring” will take place using I-Ready, Lexia, STAR (math & reading) and FAST assessment program.
3. New Reading Curriculum
4. Conference options: By phone, In person, ZOOM

One thing You can do to help your child conquer 5th grade Math:
Buy a set of multiplication flash cards and **practice³**
