

ROBOTICS CLUB Application

Are you interested in robotics? In our Conley Robotics Quick Club, we will be exploring, experimenting and implementing robotics and coding skills. As much as we would LOVE for everyone to be involved in our Quick Club this year, we only have limited spaces. Please understand that we can not accept every single student. Please fill out this form, get your parent to sign it, then turn it in to your teacher. If you are selected you will receive a note from me!

Name:_____

Any other school related groups:
(What groups?)

Grade:_____

Homeroom teacher:_____

Why do you want to join the Robotics Quick Club? Do you have any experience with coding or robotics? If so, describe your experience.

Parents: by signing this form, you agree for your student to participate in the Robotics Quick Club. We will meet Thursdays from dismissal until 4pm starting 4/10. You agree to pick your student up on time these days.

Parent signature: _____

Teachers only:

Please give me some insight into this student. Would you recommend them to be a part of an after school club? Are they responsible?

Put a check in the box that describes this student.

Please put this in my box (Krueger) after you have completed the teacher input.

	Always	Sometimes	Rarely	Never
Student completes assignments				
Student is a good team player				
Student shows interest in learning new things				
Student works well with others				
Student shows respect to teachers and peers				
Student shows good effort, and growth mindset				

Any other input?
