

The Tallahassee Symphony Orchestra
presents
Young People's Concert 2018

Holiday Magic!

Dear Fifth grade families,

The Tallahassee Symphony Orchestra has invited elementary school students in Leon County to a special concert, Holiday Magic: Cirque de Noel. This concert will take place in **Ruby Diamond Auditorium** on the campus of **Florida State University**, on Friday, **December 13, 2024, at 10:30 am**. It lasts about an hour and features age-appropriate, and seasonal, symphonic music with acrobatic performers! This is a wonderful opportunity for your child to visit Florida State University and represent their school. As representatives of Conley, a strict behavior expectation will be in place. If the staff of Ruby Diamond auditorium asks disruptive students to leave during the performance, I will supervise them in the lobby for the remainder of the show.

The concert is free to all fifth-grade students and their homeroom teacher. Given the maximum capacity of the auditorium, we are limited to ten parent chaperones. Each homeroom teacher can bring two chaperones if they fill out the volunteer process through LCS website. Due to liability issues, all parents who serve as chaperones must ride on the bus with students. If you are interested in chaperoning, please sign up using this sign-up genius form <https://www.signupgenius.com/go/70A0844AAA72BA4F49-52187421-holiday>. The bus is loading at 9:30am so we request chaperones arrive no later than 9:10.

All parents, please detach and return the bottom portion as soon as possible. Your child will not board the bus without a signed form giving your permission for them to attend.

I give my child, _____,
permission to ride the bus and attend the fifth grade field trip to Ruby Diamond Auditorium on December 13, 2024.

_____ Parent Signature

_____ Emergency Contact Number

I, (name) _____, have secured a chaperone spot via sign up genius

_____ My child will need a lunch from the cafeteria

I have completed the volunteer application at <https://volunteers.leonschools.net/> Yes___ No___
