This collective bargaining contract, hereinafter called "Contract," by and between the School Board of Leon County, Florida, hereinafter called the "Board," and the Leon Educational Staff Professional Association, hereinafter called "LESPA," bargaining on behalf of all educational support personnel identified in the bargaining unit defined hereinafter, represents the result of complete and deliberate negotiations on wages, hours, terms and conditions of employment, and contains certain understandings that the Board and LESPA desire to confirm. It is hereby agreed as follows:

Article I

- 1.01 The Board recognizes LESPA as the exclusive bargaining agent for the bargaining unit of employees who are on the job or on approved leave, or on the job pending official action of the Board, or are employed in job classifications certified by the Public Employees Relations Commission in Case No. RA-88-008 and UC-2006-019 or thereafter agreed to by the parties. A listing of these bargaining unit classifications as of the date of ratification of this Contract is contained in Appendix A.

Article II

NEGOTIATIONS

- 2.01 The parties agree to meet in a good faith effort to reach agreement on all issues in dispute. In any negotiations described in this Contract, neither party shall have any control over the selection of the negotiating representatives of the other party. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the voting members of the bargaining unit, but the parties mutually pledge that their representatives shall have all the necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations. Throughout negotiations, all agreements shall be tentative until all issues in dispute have been agreed and ratified, and all tentative agreements shall be signed by representatives designated for each party. Two copies shall be retained by the Board and two copies shall be retained by LESPA.
- 2.02 If bargaining meetings between the Board and LESPA are mutually scheduled during the workday, members of LESPA's bargaining team shall be released from their regular duties, without loss of pay or other economic benefits, for up to five days to participate in bargaining. For all other bargaining meetings, the members of LESPA's bargaining team shall be permitted to leave the work site without loss in pay at the end of the student day or after their assigned work for the day is completed, before the end of their regular shift.
- 2.03 The Board and the Leon Educational Staff Professional Association agree to maintain a philosophy of "collaborative" contract negotiations. These negotiations shall include the following:
- A. The formation of a Joint Negotiations Team comprised of the appointed representatives of the Board and LESPA.
 - B. The Joint Negotiations Team negotiation sessions shall include Board and LESPA representatives who serve as Chief Negotiators/Facilitators.
 - C. Negotiation sessions shall be open discussions of all issues brought forth by either party as subjects of negotiation.
 - D. To aid language development and problem-solving, committees and work teams may provide recommendations for consideration by the entire Joint Negotiations Team.
 - E. Tentative agreement language to be presented for ratification will be the final work product of the Joint Negotiations Team.
 - F. The Board and LESPA recommend the participation of the Superintendent in joint meetings and discussions.
 - G. Primary access to this Contract shall be through an electronic version that shall be available on the District and Association websites within 20 days after ratification. A limited number of copies shall be printed at the expense of the Board within 60 days after ratification for new employees and for administrative purposes. The Board shall also furnish 50 copies to LESPA.

Article III

GRIEVANCE PROCEDURE

3.01 Informal Resolution

When an employee or LESPA has a problem or complaint, an attempt should be made to resolve it through discussions with the employee's supervisor or other personnel, as appropriate. If the problem or complaint cannot be resolved in that manner, the grievance procedure is provided as a formal means for resolving the grievances of employees or LESPA as defined below. An effort to resolve a problem or complaint under this provision does not waive the time limits for filing a grievance at Step 1 as provided in paragraph 3.05C below.

3.02 Definitions

- A. "Grievance" shall be defined as a dispute involving the interpretation, application, or violation of a provision(s) of this Contract, or involving whether an action to discipline an employee or dismiss a permanent employee was taken for just cause. All grievances are to be filed on a form as provided in this Contract (see Appendix C).
- B. "Grievant" shall mean any employee, group of employees, or LESPA who has filed a grievance.
- C. "Day" shall mean a workday based upon an individual grievant's appointment and assigned work schedule. The application of this provision shall not, however, result in the extension of a time period stated in this article for more than ten (10) days.
- D. Grievance Forms. Each grievance, request for review, and notice of arbitration must be submitted in writing on the appropriate form attached to this Contract as Appendix C, and signed by the grievant(s). All grievance forms shall be dated upon receipt. The grievance forms may be filed in person or by means of FAX, U.S. mail, or other recognized means of delivery.

3.03 Resort to Other Procedures

- A. It is the intent of the parties to first provide a reasonable opportunity for resolution of a matter that constitutes a grievance through the grievance procedure. If prior to seeking resolution of a dispute by filing a grievance hereunder, or while a grievance is being processed, an employee formally initiates resolution of the matter in any other forum, whether administrative or judicial, the Board shall have no obligation to proceed further with the matter pursuant to this grievance procedure.
- B. As an exception to the provisions of paragraph A above, a grievant may file an EEOC charge while the grievance is in progress when such filing becomes necessary to meet federal filing deadlines pursuant to 42 U.S.C. s. 2000e et seq. Furthermore, an employee may seek resolution of a dispute through site or school procedures prior to filing a grievance and may request an extension of the time limits for initial filing of the grievance for this purpose.

3.04 Representation and Appearances

- A. An employee shall choose at Step I and Step II whether to be represented by LESPA or to represent him/herself. LESPA shall not be required to process grievances for employees who are not members of the Association.
 - 1. LESPA shall not be bound by a grievance decision in a grievance in which the grievant chose not to be represented by LESPA.
 - 2. The resolution of any grievance as defined herein shall not be inconsistent with the provisions of this Contract, and LESPA shall be provided an opportunity to be present at any meeting called to discuss such a resolution.
- B. When a grievant participates during working hours in a grievance meeting between the grievant and the site administrator or District representative, or in an arbitration proceeding, the grievant shall be provided temporary duty for such meeting/proceeding after providing the site administrator with a written request for temporary duty at least two (2) days prior to such meeting or proceeding. The request shall be approved unless the grievant's absence on the requested date would impede the operations of the grievant's work unit, in which case an extension of up to five (5) days shall be granted to the site administrator, if necessary, to accommodate the grievance timelines.
- C. When a grievant is represented by LESPA, the LESPA grievance representative shall be provided temporary duty to represent the grievant at any grievance meeting held during regular work hours, including the right to speak and present evidence and arguments on behalf of the grievant or LESPA. The LESPA grievance representative shall provide the site administrator with a written request for temporary duty at least two (2)

days prior to such meeting. The request shall be approved unless the representative's absence on the requested date would impede the operations of the LESPA representative's work unit, in which case an extension of up to five (5) days shall be granted to the site administrator, if necessary, to accommodate the grievance timelines.

- D. Time spent by grievants and LESPA representatives investigating and processing grievances outside regular working hours shall not be counted as time worked.

3.05 Formal Grievance Procedure

- A. If the parties are unable or unwilling to resolve a grievable concern or problem through the informal process described in Section 3.01 above, a formal grievance may be filed under this section.

- B. Time Limits

1. The time limits provided in this article shall be observed but may be extended by written agreement of the parties. Whenever illness or other incapacity of a party necessary to hear the grievance prevents his/her presence at a grievance meeting, the time limits shall be extended to such time that the party can be present. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
2. Upon failure of the Superintendent to provide a decision within the time limits provided in this article, the grievant or LESPA, where appropriate, may proceed to the next step. Upon failure of the grievant or LESPA, where appropriate, to file at the next step within the time limits provided, the grievance shall be deemed to have been resolved by the decision at the prior step.
3. Upon written agreement of the parties, any step in this procedure may be waived.
4. A grievant may withdraw his/her grievance at any step but that same grievance may not be filed a second time unless it is of a continuous nature.

- C. Step I. A grievance shall be filed with the employee's site administrator on the Step 1 grievance form (see Appendix C) within thirty (30) days following the occurrence of the alleged violation of the Contract, or the date that the employee knew or reasonably should have known of the occurrence if that date is later. The grievance shall state the facts giving rise to the alleged violation, specific section(s) of the Contract alleged to have been violated; the employee's contention with respect to these provisions, the specific relief sought and shall be signed by the grievant. Within twenty (20) days after receiving the grievance, the site administrator shall meet with the grievant and representative and communicate his/her decision in writing to the grievant and the grievant's representative or otherwise resolve the grievance.

- D. Step II. If the grievant is not satisfied with the decision at Step I, s/he may, within fifteen (15) days following receipt of the Step I decision or following the date on which the Step 1 decision was due if no decision is provided, file a request for review of the Step 1 decision with the Superintendent or his/her designee on the appropriate form (see Appendix C). The Superintendent or his/her designee shall meet with the grievant and/or representative and may conduct whatever investigation is necessary to make a finding. Within twenty (20) days of the receipt of the grievance at Step 2, the Superintendent or his/her designee shall communicate his/her Step 2 written decision to the grievant and/or representative or otherwise resolve the grievance.

- E. Step III – Arbitration

1. Mediation. The parties may, by written agreement, submit a grievance to mediation to be conducted by the Federal Mediation and Conciliation Service (FMCS) prior to being submitted to arbitration. When the parties agree to mediate an issue, the time limits to file for arbitration shall automatically be extended for the period necessary to conclude the mediation process.
2. Filing
 - a. If the grievance has not been satisfactorily resolved at Step II, LESPA may, within thirty (30) days following receipt of the Step II decision or following the date on which the Step II decision was due if no decision is provided, file an intent to submit the grievance to arbitration with the Superintendent or his/her designee on the form provided in Appendix C.
 - b. A grievance filed at Step III on which no action has been taken by LESPA for twenty (20) days shall be deemed withdrawn and resolved in accordance with the decision issued at the prior step.

3. Disclosure of Information. Neither the Board nor LESPA shall be permitted to assert in an arbitration proceeding any grounds or rely on any evidence that has not previously been disclosed to the other party.
 4. Selection of Arbitrator. The parties shall follow the American Arbitration Association or Federation Mediation and Conciliation Services procedures for selection of an arbitrator. The arbitration shall be conducted under the rules and procedures except as modified by the provisions of this Contract. The arbitration shall be scheduled within sixty (60) days following selection of the arbitrator.
 5. Authority of the Arbitrator
 - a. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Contract. Arbitration shall be confined to the application and interpretation of this Contract and the precise issue(s) submitted for arbitration. The arbitrator shall refrain from issuing statements of opinion or conclusions not essential to the determination of the issues submitted.
 - b. In rendering decisions, an arbitrator shall give due regard to the responsibilities of the Board and the Superintendent and their designees as provided in law and rule and shall so construe such responsibilities, except as they may be specifically conditioned by this Contract.
 - c. The arbitrator's decision shall be final and binding on the parties as provided in Section 447.401, Florida Statutes, provided that either party may ask that an appropriate court vacate such a decision on one or more of the grounds stated in Section 682.13, Florida Statutes.
 - d. An arbitrator's award may be retroactive as the equities of a case may demand, but an award shall not be retroactive to a date earlier than sixty (60) days prior to the date that the grievance was initially filed except for those provisions of State or federal law that may require an earlier date.
 6. Fees and Expenses. The fees and expenses of the arbitrator shall be shared equally by the Board and LESPA. A party desiring a transcript of the arbitration proceedings shall provide written notice to the other party at least five (5) days prior to the date of the arbitration and shall be responsible for scheduling a stenotype reporter to record the proceedings and for paying the appearance fee of the reporter and the cost of obtaining an original transcript. The party shall also provide a photocopy of the transcript to the other party upon written request and payment of reasonable copying expenses.
- F. Processing
1. The Superintendent may refuse consideration of a grievance not filed or processed in accordance with this article.
 2. If a grievance arises as the result of a condition that the immediate supervisor is without jurisdiction to resolve, the grievance shall be filed at Step II after discussing such filing with the Superintendent's designee.
- 3.06 Precedent
- No complaint informally resolved, or grievance resolved at either Steps I or II, shall constitute a precedent for any purpose unless agreed to in writing by the Board and LESPA.
- 3.07 Documents
- The grievant or representative shall be provided, upon request and without charge, with a copy of any identifiable document relevant to the grievance. All written materials dealing with the processing of a grievance shall be filed separately from the grievant's personnel file except an arbitration decision or a settlement agreement that requires personnel action(s) that affects the grievant.
- 3.08 Notwithstanding the expiration of this Contract, any claim or grievance arising while it was in effect may be processed through the grievance procedure until resolution, provided it is timely filed.
- 3.09 Reprisal
- The Board shall not engage in reprisal, coercion, or discrimination against a grievant, witness, grievance representative, or any other participant in the complaint or grievance procedure by reason of such participation.

Article IV
EMPLOYEE RIGHTS AND PROTECTION

- 4.01 Pursuant to the Florida Public Employees - Collective Bargaining Act, as amended, Section 447.01 et seq., Florida Statutes, the Board hereby agrees that every employee shall have the right to freely join and participate in any employee organization of his/her own choosing, to negotiate collectively, through a certified bargaining agent, with his/her public employer in the determination of the wages, hours, terms and conditions of his/her employment, and to engage in concerted activities not prohibited by law for the purpose of collective bargaining or other mutual aid or protection. The Board understands and agrees that it will not interfere with, restrain, or coerce employees in the exercise of any rights conferred by Chapter 447, F.S., or encourage or discourage membership in any employee organization by discrimination in regard to hiring, tenure, or other conditions of employment, or refuse to bargain collectively, fail to bargain in good faith, or discharge or discriminate against an employee because s/he has filed charges or given testimony under Chapter 447, F.S.
- 4.02 Nothing contained within this Contract shall be construed to deny or restrict any employee's rights that s/he may have under Florida School Laws or other applicable State or Federal laws or regulations. The rights granted to employees hereunder shall be deemed to be in addition to those provided elsewhere.
- 4.03 The employee shall be entitled to full rights of citizenship, and no religious or political activities of any employee or lack thereof, shall be grounds for any discipline or discrimination with respect to the employment of such employees. The private and personal life of any employee is not within the appropriate concern or attention of the Board unless it interferes with the performance of his or her prescribed duties.
- 4.04 The Board agrees that it will in no way discriminate against any employee covered by this Contract because of their race, creed, religion, color, national origin or ancestry, age, sex, marital status, sexual orientation, physical characteristics, or disability.
- 4.05 Any case of assault on an employee shall be promptly reported to the site administrator or his/her designated representative. The Board agrees to provide legal counsel to advise the employee of his/her rights and obligations with respect to such assault and shall render all reasonable assistance to the employee in connection with the handling of the incident with law enforcement and judicial authorities.
Employees hired to assist with students with special behavioral problems will be made aware of the personal risk. The involvement of law enforcement will be at the discretion of the building administrator.
- 4.06 The Board will repair or reimburse employees the current value of clothing or other personal property damaged or destroyed as a result of assault or battery upon the employee suffered in the course of his/her assigned duties unless such loss is covered by insurance or reimbursement obtained from other sources. This repair and reimbursement provision does not apply to clothing or personal property that is not reasonably related and appropriate to an employee's assignment such as expensive jewelry (other than wedding and engagement rings), expensive watches, electronic devices such as cell phones, high-fashioned clothing, etc. Forms for reimbursement may be obtained from the Risk Management Office.
- 4.07 Board and Work Site Policies
- A. All policies and rules of the Board shall be made available to employees through the District website; a copy shall be provided to employees upon request. Each work site shall make a reasonable effort to provide employees with access to the District website through a computer terminal.
 - B. Employees shall be notified of work site policies and such policies shall be made available to each employee assigned to that work site on the first day of school each year. Employees shall be notified of changes in such policies at least five days prior to their implementation, if feasible.
- 4.08 Each employee assigned to a school who resides in the District and is employed at least half-time, or who resides outside the District and is employed full-time, shall have the opportunity to enroll his/her child(ren) in the school of choice, subject to the following conditions:
- A. The student is eligible for admission under the Board's Pupil Progression Plan.
 - B. Space is available at the student's grade level.
 - C. Transportation shall be provided by the student or parent.
 - D. An employee must request a student reassignment under this section by March 1 of the school year prior to that in which the reassignment would take effect. An employee newly hired, transferred, or reassigned by the District must request a student reassignment within ten days of such employment action. A student reassignment granted under this section shall continue until the employee timely requests an assignment of his/her child (ren) to a different school.

- E. Upon separation of the employee from employment with the Board, the student's school assignment shall be handled in the manner prescribed in School Board Policy 3.02(3)b, Change in Residence during School Year.
 - F. The student shall be subject to the provision of School Board Policy 3.02(7) Co-Curricular Activities.
 - G. The enrollment of the student of employees who reside outside the District shall be subject to School Board Policy 3.02(3)f, Out-of-County Students.
 - H. In those instances when an employee has assigned duties beyond the regular school day, provisions must be made by the employee that would enable his/her child (ren) to leave the campus at the close of the regular student's day.
 - I. In no instance will the child (ren) interfere with the performance of the employee's assigned duties.
- 4.09 Each work site shall, when possible, notify employees of emergency phone calls immediately upon receipt and of other messages within thirty (30) minutes of receipt.
- 4.10 Admission to Athletic Events
- Employees shall be provided admission, without charge, to high school sponsored athletic events within the District. Employees shall provide current District identification to gain such admission. This provision applies only to the District employee and does not include state athletic playoffs or other events related to the athletic program of a high school or the District, unless otherwise specifically provided.
- 4.11 The rights provided to employees in this Contract, including those relating to layoff and recall as described in Article XIII, shall not be altered or otherwise diminished by the District's compliance with the No Child Left Behind Act of 2001, as amended, 20 USC 6301 et seq., or with the Florida Equal Opportunity in Education Act (Differentiated Accountability Program).

Article V
EMPLOYEE DISCIPLINE AND PERSONNEL FILES

- 5.01 The Superintendent, acting through his/her designees, may discipline employees for just cause.
- 5.02 Representation at Investigatory Discussion. When an employee is requested to appear before a site administrator/supervisor for the purpose of discussing matters that could reasonably be expected to lead to discipline or dismissal, the employee is entitled to have a representative present. An employee shall be notified at least 48 hours in advance of such meetings, unless the seriousness of the matter dictates a shorter period of 24 hours advance notice, and shall be advised of his/her right to have representation at the meeting. This provision shall not apply to meetings related to the employee evaluation process described in Article XII except for meetings that may be held to discuss a Performance Improvement Notice related to an overall "Unsatisfactory" or "Needs Improvement" evaluation under Section 12.03.
- 5.03 Disciplinary Procedures - Suspension without Pay and Dismissal. When disciplinary action in the form of suspension without pay or dismissal is proposed, a permanent employee shall be provided the procedural safeguards described below. These procedures include providing the employee with a "Predetermination Notice" (paragraph 5.03A), an opportunity for a "Predetermination Conference" (paragraph 5.03B), and a "Notice of Final Action" (paragraph 5.03C).
- A. Predetermination Notice: Form and Delivery.
1. The employee shall be provided a written "Predetermination Notice" of the proposed action by personal delivery or certified mail, return-receipt requested, at least ten days prior to the date that the action is to be taken. An employee may be suspended temporarily with pay, however, without such prior notice, until a decision is rendered and effective in the post-determination hearing described in Section 5.04 below.
 2. The "Predetermination Notice" shall be signed by the site administrator/supervisor who is authorized by the Superintendent to discipline employees and shall include the following contents:
 - a. The disciplinary action proposed and its effective date.
 - b. The specific charges or reasons for the action, including identification of any documents and witnesses on which the charges are then known to be based.
 - c. A statement advising the employee that s/he may, within five (5) days of receipt of the notice, submit a request in writing on a form enclosed with the notice for a predetermination conference in order to make an oral or written statement, or both, to the Superintendent's designee to refute or explain the charges made against the employee. The notice shall state that failure of the employee to submit the written form requesting a conference within five (5) days constitutes a waiver of his/her rights to such conference and that in the absence of a response, the proposed disciplinary action shall become effective as proposed in the notice.
 - d. The notice shall give the name and address of the person with whom the request for a predetermination conference shall be filed. The notice shall advise the employee that the conference will be held prior to the proposed effective date of the action, at a time and place determined by the Superintendent's designee, normally during regular business hours.
 - e. A statement that the Superintendent and the Board are sincere in their desire to reduce the risk of error in taking the disciplinary action against the employee and to avoid wrongful damaging of the employee's reputation by untrue or erroneous charges, and therefore, the Superintendent and the Board are sincerely interested in receiving and considering the employee's response.
 - f. A statement advising the employee of his/her right to representation at the predetermination conference.
- B. Predetermination Conference
1. The conference shall be conducted by the Superintendent's designee who shall have unfettered authority to find in favor of the employee.
 2. The conference shall be set on at least five (5) days' notice and reasonable accommodation shall be made to ensure it is conducted at a reasonable time and in a reasonable manner.
 3. The person conducting the conference shall convene the conference at the time and place set and shall identify him/herself, the employee and all other participants, and explain that the purpose of the conference is to hear all sides of the charges so as to protect the employee from erroneous or arbitrary adverse action.

4. The conference shall be informal. The purpose shall be to discuss the basis of the proposed action and to reach a fair decision. The Rules of Evidence shall not apply. The employee may bring a qualified representative to assist or advise him/her.
 5. In order to promote an atmosphere conducive to free and open discussion of the charges and proposed disciplinary action, the parties may not cross-examine unwilling persons - managers or employees. The Superintendent's designee is responsible, however, for gathering information relevant to his/her decision and may, therefore, question anyone present in order to gather such information. In this regard, the Superintendent's designee shall ask questions of a party or witness, as requested by either party, in an area that is relevant to the decision.
 6. The employee shall be permitted to submit relevant information personally and by witness, orally and in writing, with the privilege being reserved by the Superintendent's designee to give that information such weight as s/he deems proper.
 7. At the conclusion of the conference, the Superintendent's designee shall inform the employee when s/he will decide whether to uphold the proposed disciplinary action.
- C. Notice of Final Action
1. The Superintendent or designee shall notify the employee of his/her decision in writing by personal delivery or by certified mail, return-receipt requested. If the decision is to uphold the proposed discipline, the "Notice of Final Action" must be provided to the employee at least five (5) days prior to the date the discipline is to be effective.
 2. The "Notice of Final Action" shall specify the facts relied upon by the Superintendent's designee in reaching his/her decision and shall refer to the policies, rules, laws or other legal basis on which the action is premised. The notice shall endeavor to place the employee on actual notice of the decision maker's rationale.
 3. The "Notice of Final Action" shall also describe the employee's right to have the decision reviewed through evidentiary hearing (see Section 5.04 below) or through the grievance procedure provided in Article III. The employee shall be provided a form on which s/he may indicate a binding election of one of these two review procedures or a decision not to request a review of the determination contained in the "Notice of Final Action." The form shall include directions for filing within ten (10) days after receipt of the "Notice of Final Action." The failure of an employee to file the form within this ten-day period is presumed to be a decision not to request a review of the determination contained in the "Notice of Final Action."
- D. Period between Notice of Final Action and Effective Date of Action. During the period between the issuance of the "Notice of Final Action" and the effective date of any disciplinary action, the employee shall be expected to perform his/her usual duties without disrupting fellow employees, or other persons, or the employer's activities. If it is deemed highly desirable or necessary that the employee not continue to perform the same duties in the same location during this period, the Superintendent or designee may temporarily assign the employee to other duties. Alternatively, an employee may be suspended with pay as provided in paragraph 5.03A1.
- E. No Reprisal. An employee who participates in these disciplinary procedures shall not be subjected to reprisal, interference, or coercion as a result of such participation.
- 5.04 Post-determination Hearing
- A. A permanent employee who is suspended without pay or dismissed and who has participated in a predetermination conference and received a "Notice of Final Action" as described in paragraphs 5.03B and C above shall be entitled to a de novo evidentiary hearing in accordance with the procedures outlined in the Florida Administrative Procedures Act, Chapter 120, and Florida Statutes. An employee must elect in writing to proceed with such a hearing or to proceed with a grievance under Article III within ten (10) days of receipt of a "Notice of Final Action" (see paragraph 5.03C3 above). If an employee elects to file a grievance, it shall be filed at Step II. Alternatively, the employee may choose not to request a review of the determination contained in the "Notice of Final Action."
 - B. An employee who prevails in a post-determination hearing shall be entitled to back pay (less mitigating earnings), other equitable relief (including correction of personnel records). The amount of any monetary award for back pay shall be determined by the Board, in the exercise of its discretion, based upon the evidence submitted.

5.05 Public Reprimand or Criticism

An administrator shall not reprimand or criticize an employee in the presence of the employee's colleagues, teachers (other than the supervising teachers), or in the presence of students or the parents of such students. When reprimand or criticism is deemed necessary, it shall be made with discretion and out of public view and hearing.

5.06 Personnel Files

- A. An employee shall have the right to review the contents of all records of the Board pertaining to the employee originating after initial employment and to have a representative of LESPA accompany him/her in such review. Each file shall contain a record indicating who has reviewed it and the date reviewed.
- B. No derogatory material relating to an employee's conduct after initial employment is to be placed in an employee's personnel file unless the material pertains to work performance or other matters that may be cause for discipline. An employee shall be provided an opportunity to review and sign such material before it is placed in the file. The employee's signature shall acknowledge that the employee has reviewed the material but shall not be interpreted to indicate his/her agreement with its contents. Complaints against the employee shall be put in writing with names of complainants, administrative action taken, and remedy clearly stated. The employee may respond in writing to any material, including complaints, which response shall be attached to the file copy of the material in question. No anonymous materials shall be placed in the personnel file.
- C. All recommendations, written or oral, shall be based solely on the contents of the employee's personnel file.

Article VI
MANAGEMENT RIGHTS

- 6.01 The Board, on its own behalf and on behalf of the citizens of the District, hereby retains and reserves unto itself, without limitation, all power, right, authority, duties, and responsibilities conferred upon and vested in it and the Superintendent by the laws and Constitution of the State of Florida and of the United States, including, but without limiting the generality of the foregoing, the following rights:
The Board shall have the right to discipline or discharge any employee, direct the work force, hire, assign and transfer employees, determine the missions of the Board's agencies, determine the methods, means, number of personnel needed or desirable for carrying out the Board's missions, introduce new or improved methods or facilities, change existing methods or facilities, relieve employees because of lack of work, contract out for goods or services, and such other rights normally consistent with management's duty and responsibility for operation of the Board's services.
- 6.02 The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board or its authorized designee, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the express terms of this Contract and then only to the extent such express terms hereof are in conformance with applicable law.

Article VII LESPA RIGHTS

7.01 Use of Facilities

LESPA and its representatives shall have the right to use the Board's work sites at all reasonable hours for meetings related to LESPA business, provided that details are arranged with the site administrator. When special custodial, security, or other service is required, the site administrator may make a reasonable charge for such use consistent with charges made to other comparable organizations.

7.02 Communication to Employees

- A. Bulletin Boards. LESPA shall have exclusive right to post notices of activities and matters of LESPA concern on designated bulletin boards, at least one of which shall be provided at each work site.
- B. LESPA shall have the right to use any intraschool communications system, mailbox information distribution system, and the interschool mail. The LESPA president or designee is authorized to use a District listserv for communicating information pertinent to contract negotiations to all members of the bargaining unit. LESPA also may create address lists/listservs on District equipment for its use in communicating with employees so long as the creation of such lists is done on personal time rather than during the workday. These communication systems shall not be used to transmit or display materials the content of which relates to election campaigns for public office or for LESPA office. In the event that the Board must collect postage for LESPA's use of the District interschool mail system, LESPA will be responsible for the payment of all such postage and cooperatively work out procedures for such payment.

7.03 Information Provided to LESPA

- A. Reports Provided to LESPA. The Board shall provide LESPA without charge on monthly basis from September through May a list of employees including the following information except where access is restricted under Chapter 119, F.S.: employee identifying number, last name, first name, years of experience, date of birth, home address, home phone, work site, work phone number, classification, job title, pay grade, range, hourly rate of pay, District hire date, and LESPA membership status.
- B. LESPA Access to District Policies and Rules. LESPA shall have access to District policies and rules and Board agendas through the District website. LESPA shall be notified electronically of changes to such policies and rules when site administrators and other District administrators are notified of such changes and at least five (5) days prior to their implementation, if feasible. Such policies and rules shall not be in conflict with this Contract. If the LESPA site representative is not provided access to the District website by the site administrator, the administrator shall provide the site representative with one copy of any District policy or rule requested by the site representative.
- C. LESPA Data Requests. The Board agrees to provide LESPA, upon request, with information regarding employees not included in the reports described in paragraph "A" above, as well as other identifiable public records in the custody of the District. If such records and information are included in existing documents, a copy of the documents will be provided without charge. If the information requested must be specially compiled in order to respond to the request, LESPA will be provided with an estimated charge for such compilation prior to the District proceeding with the compilation.

7.04 Exclusive LESPA Rights

The rights granted herein to LESPA shall not be granted or extended to any competing labor organization.

7.05. Temporary Duty for LESPA Activities

- A. Work Responsibilities and Temporary Duty for the LESPA President.
 - 1. The parties agree that the LESPA President is to remain a full-time employee of the Board, subject to the use of temporary duty as described herein. It is the joint responsibility of the President, LESPA, and the District to limit the impact of the President's responsibilities and accompanying temporary duty on the President's work site through the following measures:
 - a. Work interruptions for LESPA business shall be minimized through the use of e-mail, voice mail, answering machine, call forwarding, etc. The District shall provide the President with a separate phone line that shall be dedicated, listed, and used for LESPA business.
 - b. LESPA shall make available to the District a list of site Association representatives with whom employees may conduct LESPA business during the workday.
 - c. The parties shall strive to limit the time during the President's work hours used to conduct LESPA business. Under ordinary circumstances, not more than fifteen (15) minutes of the President's

normal work hours will be used to conduct LESPA business, in addition to lunch or break time the President may use for this purpose. If the President has reason to expect that pending issues will require additional work time during one or more days to conduct LESPA business, the President shall request one or more hours of temporary duty for such purposes under the provisions of paragraph A2 below.

2. The LESPA President, and, if for any reason the President cannot attend, the Vice-President, shall be provided up to 160 hours of temporary duty each fiscal year, to be used in increments of one hour or more, to conduct LESPA business or carry out LESPA activities including those listed in paragraph B below.
- B. Annual Temporary Duty for LESPA Activities
1. Legislative Committee. A legislative committee comprised of up to five (5) members appointed by the LESPA president shall be allowed one day during the Legislative Session to lobby for educational concerns benefiting the District.
 2. Summer Leadership Training. Up to six (6) members of the LESPA Executive Board shall be granted up to a total of eighteen (18) days to attend Summer Leadership Training programs.
 3. LESPA Training. Work site representatives of LESPA, as designated in Section 7.05A1b, above, shall be granted temporary duty for one-half of their regular workday on no more than two (2) occasions (or one [1] regular workday) to participate in LESPA training opportunities.
 4. FEA Statewide Meeting. LESPA members who are elected voting delegates to the annual Florida Education Association statewide meeting shall be granted two (2) days for the purpose of attending that meeting.
 5. Collective Bargaining Committee. A list of members of the LESPA bargaining committee shall be provided to the Board's negotiator by August 1 of each year. Bargaining committee members shall be provided temporary duty for negotiations under the provisions of Section 2.02 of the Contract.
 6. Other LESPA Activities. Authorized LESPA representatives may request temporary duty to meet with employees at their work site for up to two (2) hours to address LESPA business, provided the authorized representatives report their presence to the site administrator or his/her designee and meet in a nonworking area during the employee's duty-free time.
 7. LESPA Committee Representation. The LESPA President may appoint a LESPA representative to any District committee and/or council that has an effect, long-term or short-term, on its membership. These shall include but not be limited to budget, compensation, sick leave bank, capital outlay, and staffing.
 8. LESPA New Employee Orientation. A maximum of three (3) authorized LESPA representatives shall be granted temporary duty for one-half of their regular workday to participate in a new employee orientation program provided by LESPA.
 9. The LESPA President or designee shall be provided up to twenty (20) days In-Line-of Duty to conduct LESPA business or carry out LESPA activities. LESPA shall reimburse the District costs associated with this Temporary Duty.
 10. A LESPA member who is duly elected to a position in a state or national board affiliate (NEA, AFT or FEA) will be granted up to twenty (20) days In-Line-of Duty to conduct LESPA business or carry out LESPA activities. LESPA shall reimburse the District costs associated with this Temporary Duty.
- C. Use of Temporary Duty for LESPA Activities. The use of temporary duty as described in paragraphs A and B above shall be subject to the following conditions:
1. An employee shall ordinarily provide his/her supervisor with a written request for the temporary duty as far in advance as feasible and not less than two (2) days prior to such duty, except that a minimum of one day notice shall be provided for an employee who is representing LESPA in a Step 1 grievance or discipline matter. The supervisor shall approve such temporary duty unless s/he documents that the employee's absence would significantly impede the operation of the work unit.
 2. No employee, other than the President, and, if for any reason the President cannot attend, the Vice-President, shall have a right to be granted a total of more than ten (10) days temporary duty for LESPA activities during the period July 1 through June 30. As an exception, an employee may be granted an additional two (2) days of temporary duty for collective bargaining team involvement (paragraph B5 above) and two days for LESPA Committee Representation (paragraph B7 above). Each affected employee shall be responsible for monitoring the amount of temporary duty taken for LESPA activities as described herein.

3. A request for temporary duty for the LESPA activities described in paragraphs A and B above need not be granted when fifteen (15) percent or more of the total number of employees in a cost center or similar unit (but no less than one employee) have been authorized to be absent, or would be authorized to be absent as a result of granting such a request, on the day(s) that the temporary duty is requested. In applying this provision, leave requests that have already been approved shall take priority over those submitted at a later date.
4. The Board shall not pay any expenses associated with the activities described in paragraphs A and B above.
5. Employees on temporary duty for LESPA activities retain all rights and responsibilities as employees but are not to be considered representatives of the District for activities undertaken on behalf of LESPA.
6. LESPA shall provide the Director of Labor Relations with a list of LESPA officers and authorized representatives as referenced above by August 1.

7.05 Consultation

Representatives of the Board and LESPA will meet upon the written request of either party during the term of the Contract at a time convenient to both parties for the purpose of reviewing the administration of this Contract and to resolve problems that may arise. These meetings are not intended to bypass the negotiations or grievance procedures.

7.06 Payroll Deductions

- A. The Board shall deduct from the pay of each employee all current LESPA membership dues, provided that at the time of such deduction there is in the possession of the Board a current written authorization for dues deduction, executed by the employee, in the form and according to the terms of the dues deduction authorization established by the Board.
 1. LESPA shall certify the amount of dues to be deducted from each employee's salary for the current school year.
 2. Authorization cards will be furnished by LESPA and approved by the Board.
 3. Any employee may authorize dues deduction by presenting an authorization card to the Board on or before payroll deadlines during the months of September through June. One-tenth of the annual membership dues will be deducted from each monthly check of the employee from the month of authorization through June of that fiscal year.
 4. All dues deducted by the Board shall be remitted to the treasurer of LESPA in ten (10) monthly installments within ten (10) days after the payroll date.
 5. Authorization for dues deduction is revocable upon written request by the employee on the Employee Association Dues Revocation Form. The employee must first secure the written acknowledgment of LESPA on the Form, signed and dated, and then submit the Form to the District Payroll Office. The cancellation of dues deduction will be effective at the beginning of the pay period no fewer than thirty (30) calendar days from the date of the employee's submission of the completed Dues Deduction Form to the Payroll Office. The District shall reinstate dues deductions for employees who return to active employment status after having been placed in long-term leave without pay status.
 6. The authorization of dues deduction for LESPA shall be in force so long as LESPA is the certified bargaining agent of the employees in the unit, except as provided in paragraphs 7.07A5 and C.
- B. LESPA shall indemnify and save harmless the Board from any and all claims, demands, suits, and costs incurred in connection with any such claim, demand, or suit, resulting from any action taken or omitted by the Board for the purpose of complying with the provisions of this section.
- C. If, at any time during the duration of this Contract, LESPA authorizes, causes, or engages in, or sanctions, a strike or work stoppage of any kind, this article shall become void and inoperative during the term of this Contract.
- D. The Board is expressly prohibited from any involvement in the collection of LESPA fines, penalties, or special assessments.

7.07 Hold Harmless Clause. LESPA agrees to hold the Board harmless for any claims arising from the exercise of its rights as described in this article, including the cost of defending such claims.

Article VIII
HOURS AND CALENDAR

- 8.01 The Board reserves the right to annually establish the number of hours and the length of the work year for all employees as recommended by the Superintendent.
- 8.02 Regular full-time employees are entitled to full insurance benefits provided in this Contract. Full-time and part-time employees as defined by Article 1.02 are entitled to sick and annual leave benefits as provided in this Contract. All regular employees are entitled to participate in the Florida Retirement System as provided in this Contract and State law.
- 8.03 The typical employee work year for school aides and instructional paraprofessionals will consist of 185 work days within the approved calendar year. Employees classified as interpreters will have a work year of 194 days. The ten additional interpreter workdays shall coincide with teacher planning days. Duties for these days shall consist of site-related responsibilities and workshops as directed and approved by the site administrator.
- 8.04 An employee shall be given written notice of his/her employment status for the forthcoming school year/fiscal year no later than ten (10) working days before the final day of the employee's school year/fiscal year contract. In the event changes in an employee's appointment are proposed, the employee affected shall be notified in writing within five (5) working days. The employer reserves the right to adjust hours of work to meet program needs.

Article IX WORKING CONDITIONS

9.01 Work Break and Lunch Period

- A. **Work Break.** Employees shall be granted one fifteen (15) minute break near the middle of each four (4) consecutive hour work period except for documented and unusual instances of extreme work pressures demanding immediate attention. Unused work breaks shall not be accumulated nor shall work breaks be scheduled at the beginning or end of a work shift.
- B. **Lunch Period.** An unpaid duty-free lunch period of at least thirty (30) minutes shall be provided for any employee scheduled to work more than four (4) consecutive hours. In the unusual circumstance that an employee is assigned to work during his/her scheduled lunch period due to staffing pressures, the period shall be credited as work time. A reasonable effort shall then be made to reschedule the employee's unpaid duty-free lunch period. If the lunch period is rescheduled, the employee is to be provided a full lunch period of at least thirty (30) consecutive minutes. If such rescheduling is not possible, the employee's daily work schedule may be adjusted to recognize the additional time worked (see Section 16.07A.1.b.) or the employee may be provided compensatory time in acknowledgment of the additional time worked beyond the normal work schedule (at either the regular or overtime rate, depending upon the number of hours worked in the workweek).

9.02 Safety

- A. **Equipment.** The Board shall provide without cost to the employee the following:
 - 1. Approved first-aid kits and materials in all work areas, and
 - 2. Adequate and approved safety equipment.
- B. **Safe Conditions**
 - 1. The site administrator shall make every reasonable effort to make his/her building and grounds as safe as possible and shall be responsible for enforcing all State statutes and rules adopted by the Board.
 - 2. Employees shall not be required to work under unsafe or hazardous conditions or to perform tasks that endanger their health, safety, or well-being. If an employee observes a condition that s/he considers to be creating a health or safety hazard, the employee shall inform his/her supervisor immediately.
 - 3. An employee whose physical safety is threatened either verbally or in writing, or who is assaulted, shall report the occurrence immediately to the site administrator/supervisor and provide a written summary of the occurrence to the site administrator/ supervisor within 24 hours. The site administrator/supervisor shall take appropriate action. In an emergency, employees shall take necessary action to provide for the safety of themselves and their students, if applicable, and shall as soon as possible notify the site administrator/supervisor. The District shall render all reasonable assistance to law enforcement and other appropriate authorities in connection with handling the incident.
 - 4. Employees hired to work with students with health or behavioral concerns will be made aware of the personal risk involved. The individual records maintained by the school administration on student discipline shall be available to designated employees as an aid for determining disciplinary recommendations concerning students. Each site administrator will emphasize Board Policies and Procedures relevant to State and Federal Juvenile Justice and zero-tolerance requirements with all employees at the beginning of each school year. The District is committed to a policy of zero tolerance on matters of student misbehavior, acts of violence or threatened acts of violence, and/or assault and battery on school personnel. It is recognized that it is the employee's responsibility to pursue the prosecution of perpetrators of such acts. (Reference School Board Policy 7.08 and Administrative Procedures D-2a and D.2b).

9.03 Medical Examination

When the Board or the Superintendent requires an employee to take a physical or psychological examination, such examination shall be at the expense of the Board. The employee shall be notified, in writing, as to the sufficient cause that warrants such examination. The employee must sign a medical release allowing the doctor to provide medical reports to the Board. Failure of the employee to comply with this requirement shall be considered as insubordination and be grounds for dismissal.

9.04 Inclusion Classrooms

All decisions about placing students in any inclusion classroom shall be governed by the Individual Education Plan (IEP)/Accommodation Plan. Individual school sites shall have the flexibility to make site-based decisions

regarding implementation of an inclusion model, provided that the implementation is consistent with the IEP/Accommodation Plan. It shall be the joint responsibility of the school site and the District to determine and provide for the training needs of employees assigned to work in an inclusion model. Designated employees shall review applicable sections of the student IEP/Accommodation Plan with the supervising teacher/staffing team. Employees who have medically fragile students in their classroom should have appropriately trained personnel accessible at all times. Site administrators should make a reasonable effort to allow employees who prefer working in the inclusion environment to have the first opportunity at the assignment. Site administrators are encouraged to keep class size in an inclusion model as small as possible.

9.05 Classroom Coverage

Any interested, qualified Educational Support Professional (ESP) may be placed in charge of a classroom under the following circumstances:

- A. An ESP may be assigned to a classroom for up to two (2) hours when the unanticipated absence of a certified teacher requires such classroom coverage. If an ESP is assigned to provide such coverage for more than two (2) hours during a day, the site administrator shall compensate the ESP for the total hours worked during the day in this capacity under the provisions of paragraph B below. In circumstances of unanticipated absence that extends beyond two (2) hours, site administrators shall assign one (1) ESP to provide coverage during the entire period rather than two (2) or more ESP at various times throughout the day. Site administrators shall, where possible, assign for this purpose only those ESPs who have indicated an interest in receiving such assignments, and where possible and practical, fairly offer the opportunities to as many ESPs as possible.
- B. When a teacher notifies a site administrator that s/he is sick, going to be on personal leave, or on temporary duty, an ESP may be assigned as a substitute teacher under the provisions of paragraph A above. Administrators shall assign one (1) ESP to provide coverage during the entire period of absence rather than two (2) or more ESPs at various times throughout the period. Site administrators shall, where possible, assign for this purpose only those ESPs who have indicated an interest in receiving such assignments. If the ESP is assigned to provide such coverage for more than two (2) hours during a day, the ESP will be paid one and one-half times the ESP's regular hourly rate of pay or at the current substitute teacher rate, whichever is greater, for the total time worked as a substitute, including any time worked during the day in the status described in paragraph A above.

9.06 Participation in School Improvement Process

State law provides that support employees at instructional sites are to participate in the school improvement process through their election of representatives to participate on the School Advisory Council at the site. The site administrator shall be responsible for providing for the selection of such representatives through site and District procedures.

Article X
EMERGENCY SCHOOL CLOSINGS

- 10.01 All schools and school offices in the school system will be open on all regularly scheduled days unless closed by the Superintendent because of an emergency.
- 10.02 When an emergency confronts the schools, notification of the closing of schools will be released for broadcast over all local radio and TV stations as soon as possible. In the event schools are closed due to severe inclement weather or other acts of nature, employees assigned to the schools need not report to work.
- 10.03 When the number of students unable to reach a school is so great that the instructional program is severely impaired, that school may be closed. Employees affected will be personally notified as soon as possible prior to the beginning of the school day as to whether they are to report to duty and, if so, where and when to report. The Board shall designate radio stations that will be utilized in the employee notification process. If employees are notified that they should not report, said employees' annual compensation will remain the same if the affected workdays can be rescheduled. All scheduled employees' workdays so affected shall be rescheduled by the Superintendent as soon as possible.

Article XI LEAVES

11.01 Sick Leave

Regular employees shall be credited with four (4) days of sick leave at the end of the first full calendar month of employment of each contract year and thereafter credited with one additional day of sick leave at the end of each full calendar month of employment; such time shall not be used prior to the time it is earned and credited to the employee. Sick leave is accrued at the end of the month proportional to the number of scheduled work hours per day. Each employee shall be entitled to earn no more than one day of sick leave times the number of months of employment during the year of employment.

11.02 If an employee terminates employment prior to earning sick leave days that have been used, a deduction will be made from his/her final check for the overused sick leave.

11.03 An eligible employee who is employed on or before the 15th day of a month and who meets the requirement of Section 11.04 below will be credited with a day of sick leave at the end of that month. An employee who terminates ~~on or~~ before the 15th day of a month will not be credited with a day of sick leave for that month.

11.04 An eligible employee must be in pay status for at least one-half of the hours for which the employee is appointed during a pay period in order to accrue sick leave during that pay period.

11.05 There is no limit on the number of sick leave days an employee may accrue.

11.06 Sick Leave Transfer

An employee may transfer earned sick leave to any designated person who is also employed by the District under the provisions of District Policy 4430.03 and related procedures.

11.07 When used in this article, "day" shall mean the number of hours an employee is normally scheduled to work in a day.

11.08 Credit for Sick Leave – Other Employers or Prior District Service.

A. Employees may be credited with sick leave that has been earned while employed by a State of Florida agency, a Florida college, Florida university, Florida public district school board, or Florida charter school, provided there is reciprocity between the two agencies and at least one-half of the leave is established while employed by the Leon County School District. Sick leave may be transferred to the District only if a written request for such transfer is submitted to the District within one-hundred twenty (120) calendar days of initial employment with the District or within one-hundred twenty (120) calendar days of such sick leave becoming available for transfer. New employees shall be provided written notification of this deadline.

B. A person who resigns and then returns to active employment within twenty-four (24) months of the date of resignation may carry forward accrued days earned in previous employment with the Leon County School Board, provided the person has not been paid for these days or had them transferred to another agency. If a person returns to active employment after the twenty-four (24) months period, the person will not be credited with any prior accrued leave and will begin to earn leave as a new employee.

11.09 Payment for Accumulated Sick Leave

A. An employee will receive payment for accumulated sick leave in accordance with School Policy 2.14. Payment for such leave will be based on the following schedule:

1. During the first three years of service, the daily rate of pay multiplied by thirty-five (35) percent times the number of days of accumulated sick leave.
2. During the next three years of service, the daily rate of pay multiplied by forty (40) percent times the number of days of accumulated sick leave.
3. During the next three years of service, the daily rate of pay multiplied by forty-five (45) percent times the number of days of accumulated sick leave.
4. During the next three years of service, the daily rate of pay multiplied by fifty (50) percent times the number of days of accumulated sick leave.
5. During and after the thirteen (13) years of service, the daily rate multiplied by 100 percent times the number of days of accumulated sick leave.

"Normal retirement" as used in this section shall mean as defined under any plan established by the Legislature with either full or reduced benefits as provided by law.

B. Employees eligible to receive terminal leave pay, as provided above, shall participate in the Board-approved 401(a) Qualified Retirement Plan subject to a minimum contribution level established by the

- Board in consultation with LESPA. The 401(a) Qualified Retirement Plan allows participating employees to defer federal income tax and permanently avoid the payment of Social Security tax and Medicare tax on eligible plan contributions of terminal sick leave payout. Participating employees who wish to withdraw their funds under conditions that subject the funds to the early withdrawal penalty assessed by the Internal Revenue Service will be reimbursed a 2.35 percent portion of such ten (10) percent penalty upon application to the District pursuant to District procedures for such reimbursement.
- C. An employee who participates in DROP will receive pay for accumulated sick leave as indicated in paragraph A above. The rate of pay for such leave shall be based upon the base salary rate of the employee at the time payment occurs. Such leave will be paid in equal annual installments in each of the years in DROP. The first payment will be made following receipt of the audited leave record from the end of the month immediately prior to entering DROP. Subsequent payments will be made following receipt of the audited leave record from the end of the month immediately prior to the retirement (DROP) anniversary date. Actual dates of these payments will depend upon the date the audited leave records become available.
- 11.10 Request for and Granting of Sick Leave
- An employee's request for sick leave shall be made in accordance with Section 11.22. Sick leave shall be granted for an employee's illness or that of any other immediate member of his/her family. ("Immediate member of the family" shall be interpreted to include spouse, parents, sisters, brothers, children, grandparents, and grandchildren of both the employee and the spouse of the employee.) Sick leave shall also be granted for death or serious illness of any member of the larger family group.
- 11.11 Verification of Sick Leave
- A. The site administrator/supervisor shall be responsible for verifying each day of sick leave. An employee may be asked to verify such leave in accordance with Section 11.24.
- B. If an employee has been unable to submit a request for sick leave prior to leaving the work site in accordance with Section 11.22, the employee shall notify the site administrator/supervisor of his/her absence due to illness as soon as possible and submit the necessary leave request form to the site administrator/supervisor within three (3) days following the employee's return from such leave (or sooner if necessitated by a payroll deadline). If such period of sick leave exceeds ten (10) days, the employee shall, upon request, submit a completed leave form(s) provided by the site administrator as soon as possible and prior to his/her return to work and, upon request, shall also submit a written statement from the employee's medical provider as described in Section 11.27.
- 11.12 Sick Leave Use for Personal Reasons
- A. Employees are entitled to six (6) days leave each year for personal reasons that are to be charged to accrued sick leave. These days are not cumulative. Requests for personal leave under this section must be filed with the employee's immediate supervisor at least two (2) days in advance of the leave being taken. A request for personal leave need not be granted when fifteen (15) percent or more of the total number of employees in a cost center or similar unit (but no less than one employee) have been authorized to be absent, or would be authorized to be absent as a result of granting such a request, on the day(s) that the personal leave is requested. In applying this provision, leave requests that have already been approved shall take priority over those submitted at a later date.
- B. Sick Leave Use for Emergencies. Two (2) days of sick leave may be used for a bona fide emergency which could not be foreseen by the employee at least twenty-four (24) hours in advance. These days are not cumulative. If an employee's sick leave is exhausted, the two (2) days of emergency leave may be charged against other accrued leave that may be available to the employee.
- 11.13 Workers' Compensation – Leave and Benefits
- A. An employee unable to perform any duties as a result of an injury received in the course and scope of employment as defined in Section 440.02, Florida Statutes, shall receive up to fifteen (15) days of injury-in-line-of-duty leave in lieu of receipt of Workers' Compensation indemnity benefits on the condition that the employee complies with the provisions in the following paragraphs. Such leave shall not reduce the employee's accumulated leave. As an exception to the 15-day leave limitation, an employee whose injury results from an act of violence inflicted upon him/her by a student or parent in the course and scope of employment shall receive up to ninety (90) days of injury-in-line-of-duty leave.
- B. In the event of an injury as described in paragraph A, the employee shall immediately notify the site administrator or their designee of the injury and complete a written leave request and "Notice of

Injury” form with the Risk Management Office. In an emergency, the notice and written leave request shall be provided as soon as the employee is medically capable to do so. Risk Management Office staff shall come to the work site or to a medical facility to facilitate the employee’s timely completion of the “Notice of Injury” form when feasible. The employee shall also, as soon as possible, provide a doctor’s certificate from a medical provider approved by the District stating that the injury was, in his/her opinion, sustained or contracted during the course of employment. A list of currently approved medical providers shall be maintained at each work site.

- C. If an employee is unable to resume duties at the end of the 15-day (or 90 days) period of injury-in-line-of-duty leave, such leave shall also be used for that portion of the employee’s contracted employment period compensated from Workers’ Compensation indemnity benefits. The employee may also, while in this status, use any accrued leave to supplement Workers’ Compensation indemnity benefits to remain in pay status as it existed prior to the injury. Under no circumstances shall an employee be entitled to receive combined benefits from the District and Workers’ Compensation exceeding 100 percent of the employee’s average weekly salary. The employee also shall not accumulate leave on that portion of salary received through the provisions of Workers’ Compensation.
- D. The Board may grant, at its sole discretion, additional injury-in-line-of-duty leave to an employee who is unable to resume duties and who has no accrued leave with which to supplement Workers’ Compensation indemnity benefits as described in paragraph C above. Written application for such additional leave shall be made through the Superintendent.
- E. An employee (or representative) claiming an injury in the course and scope of employment shall follow to the best of his/her ability the treating physician’s instructions and provide timely copies of treatment records and correspondence provided by the physician, cooperate with any assigned rehabilitation or vocational personnel, and cooperate with School Board staff in their employment placement. Employment placement shall include light-duty assignments and any other appropriate efforts to return the employee to active duty within physical restrictions assigned by the authorized physician.

11.14 Leave for Contracting a Communicable Disease at the Work Site

- A. An employee who has contracted a communicable disease that is substantially likely to have been contracted at his/her work site shall be authorized to receive up to three (3) days of leave per fiscal year for such illness.
- B. In order to qualify for this leave, the following conditions shall be met:
 - 1. The employee has filed a claim with the site administrator on the appropriate form within three (3) days upon return to work;
 - 2. The site administrator must attach a statement to the leave form providing information in support of his/her determination that there is a substantial likelihood that the employee’s disease was contracted at the work site (the site administrator may require that the employee provide a doctor’s certificate as part of such supporting information). In this regard, the disease must be one that is ordinarily transmitted in a densely populated setting such as a school (examples include pink eye, ringworm, and lice) and for which the incidence of contagion at the school is considerably higher than in the general population at the time the disease is contracted. An employee is deemed to be on unauthorized leave when the employee is absent from required duties without having obtained the necessary approval for such absence under the provisions for appropriate leave as elsewhere provided in this Contract or other District leave policies and procedures.

An employee's request for a leave of absence with or without pay shall be submitted to the site administrator or designee at least two (2) days prior to the proposed beginning date of the leave and approved by the site administrator or designee prior to the leave being taken, except in the case of an extreme emergency where the employee must be absent prior to receiving approval from the proper authority. - 11.25 Policies and Procedures Governing Unpaid Leave.
- A. Unpaid Leaves of Ten Days or Less.

 2. An employee may be authorized to take unpaid leave, other than the long-term unpaid leave described in paragraph 11.25B below, only in unusual and compelling circumstances approved by the site administrator or designee such as serious personal or family illness or critical child care needs. In the interest of continuity in the instructional program, such leaves shall normally be taken in semester increments or in increments of similar size that are more appropriate to a non-instructional calendar where the employee works in such a unit.
 3. Leave granted under this section shall be limited to two (2) years within a five-year period with the following exception: An employee who wishes to serve in public office may request an exception to the two-year unpaid leave limitation in accordance with the provisions of this section.
 4. Reasons for such leave shall include personal health problems, including rehabilitation and regeneration. Employees may accept gainful employment during such leave to include but not be limited to Peace Corps, religious reasons, Vista, and work with other government agencies.

The site administrator and Superintendent may, at their discretion, recommend such change to the Board.

Employees who have been employed by the District for a minimum of twelve (12) months and who have worked at least 775 hours or sixty (60) percent of the hours in the employee's annual appointment, whichever is greater, during the preceding twelve (12) months of employment are eligible to request unpaid Family and Medical Leave. Employees requesting such unpaid leave for serious personal or family illness are entitled to continued Board contributions to insurance programs for up to twelve (12) weeks. Employees wishing to receive this benefit must identify

their leave request as Family and Medical Leave (FMLA) prior to taking the leave and submit completed “Application for Family and Medical Leave” and “Certification of Physician” forms with their FMLA leave request. The employee shall submit the written request to the Superintendent, through the immediate supervisor, a minimum of thirty (30) days prior to the commencement of such leave, except in the case of emergency, and also indicate the date of its termination. Such leave may be extended for up to one additional year under the provisions of Section 11.25.
- B. Upon return, the employee shall be returned to his/her former position or to a substantially similar position.

Employees will not be paid bereavement leave for days not scheduled to work (i.e., sick leave, annual leave, leave without pay). Employees are required to provide a copy of the obituary or other satisfactory document to be attached to the leave request form. Bereavement leave ordinarily is to be used within twenty (20) days of the death of the family member, unless the employee documents a legitimate reason to extend this period.

An employee requesting such leave must first use any paid leave available to the employee (sick, personal, annual and compensatory); if none is available, the employee may then use unpaid leave.

Article XII
EMPLOYEE EVALUATION

- 12.01 The parties recognize that the evaluation of the performance of all employees is the responsibility of the administration. The evaluation process is designed to assess and communicate performance effectiveness, to aid in improving performance of assigned duties and, if necessary, to develop a performance improvement plan to assist in addressing deficiencies for the employee whose performance is not satisfactory; the process is not to be used as a punitive measure.
- 12.02 The following guidelines shall be used in the evaluation process:
- A. Annual Evaluation
 - 1. An employee's performance shall be evaluated at the end of an employee's service in a probationary period, unless the employee has been dismissed during the probationary period (see Section 13.01), and annually. The period covered by the annual evaluation shall ordinarily coincide with an employee's school year/fiscal year contract. The annual evaluation shall be conducted no sooner than 60 days prior to the end of the employee's contract and no later than 10 days prior to the end of the evaluation period.
 - 2. Employees shall be provided copies of the annual evaluation form and a description and explanation of the evaluation process to be used, including the period of employment to be covered by the evaluation, no later than 30 days after the beginning of the evaluation period.
 - 3. The supervisor/evaluator shall schedule a meeting with the employee to discuss the evaluation no later than 10 days after the completion of the evaluation.
 - 4. The supervisor/evaluator and employee shall sign and date the evaluation form that will be placed in the employee's personnel file. The signature of the employee indicates only that the evaluation form has been discussed with the employee and does not imply that the employee agrees with the evaluation. The employee may attach written comment to the evaluation within ten days of signing it.
 - 5. The employee shall receive a copy of the written evaluation.
 - B. Other Evaluations during the Evaluation Period.
 - 1. If a supervisor/evaluator determines during the evaluation period that an employee's performance needs to be improved, the supervisor/evaluator shall ordinarily meet with the employee to discuss such performance and to provide the employee with recommendations for its improvement.
 - 2. If the employee's performance does not improve after a reasonable time, the supervisor/evaluator may provide the employee with a "Performance Improvement Notice" as described in Section 12.03 below. Such notice may also be provided as an initial response to unsatisfactory performance that is sufficiently serious to warrant such a formal action, notwithstanding the provisions of paragraph B1 above.
- 12.03 Needs Improvement or Unsatisfactory Evaluations
- A. Needs Improvement Evaluation.
 - 1. An employee who receives an overall needs improvement evaluation shall be provided a Performance Improvement Notice within ten (10) days of such receipt that contains at least the following information:
 - a. A description of the performance that needs to be improved;
 - b. The performance improvement desired;
 - c. Assistance to be provided the employee including supervisory feedback, training, etc.;
 - d. Length of time within which to achieve the improvement; and
 - e. Possible consequences for failure to improve performance.
 - 2. An employee shall be provided a total of at least sixty (60) days within which to improve performance to a satisfactory level. The employee's performance shall be reevaluated within ten days of the conclusion of the performance period.
 - 3. Annual salary increases shall not be withheld based on a needs improvement evaluation.
 - B. Unsatisfactory Evaluation
 - 1. An employee who receives an overall unsatisfactory evaluation shall be provided a Performance Improvement Notice within ten days of such receipt that contains at least the following information:
 - a. A description of the unsatisfactory performance;

- b. The performance improvement desired;
 - c. Assistance to be provided the employee including supervisory feedback, training, etc.;
 - d. Length of time within which to achieve the improvement; and
 - e. Possible consequences for failure to improve performance.
 - 2. An employee shall be provided a total of at least forty (40) days within which to improve performance to a satisfactory or needs improvement level. The employee's performance shall be reevaluated within ten (10) days of the conclusion of the performance period.
 - a. If at the end of such period an employee's performance continues to be evaluated as unsatisfactory, the supervisor may provide the employee with up to an additional forty (40) days to improve to a satisfactory or needs improvement level or may proceed to terminate the employee's appointment.
 - b. If at the end of such period an employee's performance is evaluated as needs improvement, the supervisor will continue to evaluate the employee under the procedures in paragraph 12.03A above.
 - C. An employee whose performance is evaluated as unsatisfactory shall not receive a salary increase during the period that such evaluation is in effect. If an employee's evaluation improves to satisfactory or needs improvement during a period of no more than 40 days after the effective date of a salary increase, the employee shall be provided the salary increase on a prospective basis from the date of such evaluation.
- 12.04 In areas where the Superintendent determines the administrator is not qualified to evaluate the technical skills of an employee, a person deemed by the Superintendent to be qualified in that technical area will be utilized to evaluate said technical skills.

An employee who has achieved permanent status in a position in the LESPA bargaining unit is subject to annual non-reappointment at the discretion of the Board during the first three (3) years of employment with the District in a position classified in the LESPA bargaining unit. An employee who has met the following criteria shall no longer be subject to such annual non-reappointment with the exception of employees serving in time-limited positions as described in Section 13.04:

13.04 Time-Limited Positions and Status. Positions for which the job duties are project oriented and which are funded from those contracts or grants or other sources of funds that are expected to be available only for a specified period may be designated as time limited. Employees appointed to such positions after July 1, 2004, who are subject to non-reappointment under the provisions of Section 13.03 at the time of such appointment, shall continue to be subject to annual non-reappointment although they may be employed for more than three (2) consecutive years in a LESPA bargaining unit position. Such employees shall not accrue layoff or recall rights under the provisions of Sections 13.09 and 13.10.

13.05 Break in Service. Employees who, in a fiscal year, have earned that year of service with a Meets Expectations or above annual evaluation; who are not reappointed for the next fiscal year; and are then rehired in the subsequent fiscal year between July 1 and November 30, shall be considered as having had no break in service. Employees who are rehired without a break in service in accordance with this provision shall not be reassessed the fingerprinting fee if the District can legally forgo imposing such fee by screening the existing fingerprints of such employee rather than resubmitting the employee's fingerprints.

13.06 Position Classifications and Job Descriptions

- A. Each employee shall be employed in a position that is assigned a classification. The classification specification includes a list of activities generally assigned to employees in positions in that classification.
 - B. An employee's job description describes the specific duties of an employee in a specific position, consistent with the classification specification to which the position is assigned.
 - C. The position classification specification and job description shall be made available to an employee upon request.
- 13.07 Posting of Vacancies
- A. The Board agrees to post notices for five (5) days of all vacancies of positions in the bargaining unit on a designated bulletin board in the administration building and electronically on the District website.
 - B. Notice of temporary bargaining unit vacancies which exceed eight (8) consecutive weeks shall be posted as called for in paragraph 13.07A, above. However, nothing in this article shall be construed to prohibit the filling of a vacancy in the bargaining unit on a temporary basis while this procedure is being followed.
- 13.08 Hiring from Within
- A. When management intends to fill a vacant position by hiring from current employees within the District, the advertised vacancy shall be so identified.
 - B. If an employee from within the site that advertises the vacancy wishes to be considered for that vacancy, the employee shall notify the site administrator in writing. Priority consideration, which shall include a personal interview, shall be given to these employees.
 - C. When a vacancy is to be filled from the ranks of permanent status employees, the following criteria shall be considered:
 - 1. Qualification/experience/evaluations;
 - 2. Length of service in the District; and
 - 3. Measurable position-specific skills.
 - D. Transfers and Reassignments

 - b. Reassignment. A reassignment is the assignment of an employee to another position in the same classification at the same worksite.
 - 2. Voluntary Transfers and Reassignments.
 - a. Voluntary transfers and reassignments are discouraged during the period from August 1 through September 30 to facilitate staff stability in preparing for the school year. However, if an employee has been notified that a reduction in hours may occur in their current position the employee shall be given priority consideration for an interview for a different position or assignment. A request for a transfer or reassignment during this period will be granted only if the site administrator at the site from which the employee is to transfer or be reassigned determines that such transfer or reassignment can be accommodated without a significant impact on the staffing needs of the site and upon the employee documenting that the requested transfer will significantly benefit the employee (reduce commuting distance, facilitate child care, significantly increase appointed hours, etc). Transfers and reassignments during the remainder of the year shall be accommodated, upon an offer of employment from the site administrator where the vacancy exists, subject to unusual circumstances that would justify a delay or denial of such action when the site administrator at the site from which the employee is to transfer or be reassigned documents that the proposed transfer would significantly affect the programmatic needs at the site and the administrator cannot, with reasonable effort, identify an alternative approach to staffing that would address these programmatic needs within a reasonable period of time.
 - b. Voluntary Transfer Request Process
 - (1) Permanent status employees who wish to transfer or request a reassignment shall complete and submit a "LESPA Transfer & Reassignment Request Form" (Appendix D of the 2018-2021 master contract and at the District website at <http://www.forms.leon.k12.fl.us/files/LESPA-Transfer-Request-Form-Revisions-1-15-08.doc>) to a site administrator advertising a vacancy for which the employee is qualified.

- (2) Priority consideration, which shall include a personal interview, shall be given to any employee who has identified a vacant position for which s/he is qualified, applied for the position using the paperless applicant tracking system (PATS), and submitted a "LESPA Transfer & Reassignment Request Form" in a timely manner to the site administrator advertising the position. No assignment of new employees to that position shall be made until all pending requests for transfers have been given such priority consideration.
 - (3) Employees considered but not hired through this process shall be provided written notification within ten (10) days of the decision.
 - c. When an employee is approved for a transfer into a new position, it shall be the joint responsibility of the employee and his/her new supervisor to contact the employee's current supervisor to establish a mutually agreeable time line for the transfer process. This period shall not exceed twenty (20) days. Where possible, an opportunity for the transferring employee to be trained by the employee vacating the position should be considered by both supervisors.
- 3. Transfers Accompanying Reduction in Positions at a Site
 - a. When the District determines that a reduction in the number of positions at a site is necessary, it shall identify the department/area(s) within which the reduction is to take place and the number of positions to be reduced.
 - b. Volunteers who meet the requirements for the reduction shall be transferred first so long as they meet the qualifications for available positions and are approved by the receiving site administrator. Volunteers will be provided the opportunity to indicate their preferences from among available positions.
 - (1) In the event there are more volunteers than positions to be eliminated, volunteers will be chosen for transfer based on their qualifications, length of service as an employee, and their documented performance and behavior record.
 - c. If there are insufficient volunteers for the required position reductions, employees will be transferred based on their qualifications, length of service as an employee, and their documented performance and behavior record, and subject to the approval of the receiving site administrator. Employees will also be provided the opportunity to express their preferences from among available positions.
 - d. If there are insufficient available positions to accommodate all the employees in positions that are to be eliminated, employees who are not transferred will be laid off in accordance with Article 8.
 - e. The transfer of employees from sites where positions are reduced is to be given priority over normal hiring procedures and available positions are to be filled by such transfers where possible except in unusual and compelling circumstances.
- 4. Employees who are voluntarily or involuntarily transferred shall retain credit for purposes of pay rates and benefits for experience that is relevant to the classification of the position to which they are transferred.
- 5. Notwithstanding other provisions of this Article, the Superintendent and Board retain the authority and discretion to transfer employees when they determine it is in the best interest of the school district.

13.09 Layoff

- A. In the event the Board determines that a reduction in the number of permanent positions is necessary, the following procedure shall be used. The Board shall determine the program areas, school, work location, and/or classification in which the reduction shall take place.
- B. The order of layoff of members of the unit shall be by classification as follows:

- 16.02 Initial Employment and Supplemental Employment, Placement of Pay Grade. Each person employed on or after the date of ratification will be placed on the appropriate pay range in the following manner:
- A. Initial Placement on Pay Range

Additional pay up to ten percent (10%) above the minimum of the respective pay grade shall be granted for: 1) experience that is verified and related and/or 2) education (degree[s] or vocational certification[s] with a minimum of 720 hours) attained that exceeds the minimum position requirements. The salary will increase at a rate of two percent (2%) per year for up to five (5) years' experience/ education credit for qualifications which exceed the minimum experience and educational requirements.
 2. Former employees who have separated from the District and are returning to employment with the District within twelve (12) months of separation will be considered reappointments for the purpose of salary determination. Salary placement will be consistent with the provisions outlined in 16.03 and will be based upon the salary at the time of separation. Nothing in this language shall conflict with the provisions outlined in article 13.05.
 3. In extraordinary circumstances, and in consideration of factors such as experience, education, specialized knowledge, skills and/or abilities, the Superintendent may recommend placement beyond ten percent (10%) above the minimum of the salary range.

- 16.03 Changes in Pay
- A. Promotion. A promotion occurs when an employee moves from a position in one classification to another position in a different classification which is assigned a higher pay range. Upon promotion, the employee is provided an increase of no less than ten (10) percent of base pay or to the minimum of the new pay range. In no case will an individual's base pay be less than the minimum of the pay range for the position to which the employee is promoted.

 2. Voluntary Demotion. The base pay for an employee who accepts a voluntary demotion or requests a

demotion will ordinarily be established by reducing his/her base pay by ten (10) percent but in extraordinary instances may be otherwise established in consideration of the factors described in paragraph 16.02A above. If such base pay reduction results in the employee's base hourly pay exceeding the maximum of the pay range of the position to which the employee is demoted, the employee will not receive annual pay raises until the employee's base hourly pay is at or below the pay range maximum. Additionally, the base hourly pay of an employee requesting or accepting a voluntary demotion will not be lower than the minimum of the pay range of the position to which demoted.

3. Involuntary Demotion. An employee who is demoted for just cause shall receive a fifteen (15) percent reduction in base pay. If such base pay reduction results in the employee's base hourly pay exceeding the maximum of the pay range of the position to which the employee is demoted, the employee will not receive annual pay raises until the employee's base hourly pay is at or below the pay range maximum. Additionally, the base hourly pay of an employee involuntarily demoted will not be lower than the minimum of the pay range of the position to which demoted.
- C. Transfer. A transfer is the assignment of an employee from one position in one classification to another position in another classification within the same pay range. There is no change in the employee's base pay as a result of a transfer.
- D. Base pay, referred to in promotion, demotion or transfer, does not include shift differentials, critical salary additives, payments for certificates, lead worker adjustment, pay for work in a higher job classification, or supplements.
- E. Interpreters
1. Adjustments to higher salary levels for interpreters shall be made only upon the receipt of an official copy of the Educational Interpreter Certificate, which attests to the level of interpretive skills or demonstration of competencies as called for in the official job description. In the event qualified applicants cannot be found to fill an opening, persons approved by LESPA and the Board shall evaluate applicants' general ability to interpret/translate sign to voice and voice to sign as required by the site where the vacancy exists. Salary adjustments will be made upon submission of an official copy of the Educational Interpreter Certificate or Registry of Interpreter for the Deaf Certificate or an assessment of ability as called for in the official job description. Movement to higher salary levels shall be permitted only at the beginning of each semester of the regular school year. Verification of previous work experience will be acknowledged in the initial placement on the salary schedule.
 2. Any interpreter who does not hold an Educational Interpreter Certificate or Registry of Interpreter for the Deaf Certificate will be subject to an evaluation by personnel assigned by the Leon School Board. Should this occur the interpreter's pay classification shall be as an interpreter trainee until the evaluation is completed.

16.04 Changes in Position Pay Range or Title

- A. Pay Range Adjustment. When the pay range of an existing job classification is adjusted, employees below the minimum of the new pay range will be placed at minimum of the new pay range. No employee shall have his/her base pay reduced as a result of a pay range adjustment. Any other adjustments to individual base pay will be at the discretion of the Superintendent and Board.
- B. Reclassification. Reclassification is defined as changing the classification title, duties, and responsibilities for a particular position when those duties change substantially. When a reclassification occurs and if the pay range changes, employees will be handled as provided under the Pay Range Adjustment provision.
- C. Base pay, referred to in Pay Range Adjustment or Reclassification, is defined in Section 16.03D, above.

16.05 Additions to Base Pay

- A. Pay for Lead Worker Status. Lead Worker status is assigned when an employee is given supervisory/coordinating responsibilities over two (2) or more employees in the same classification. An additional five (5) percent of an employee's base pay will be provided to an employee in lead worker status. This status shall be designated by the Board for initial periods of between two (2) and six (6) months; subsequent designations shall be made on a semiannual basis.
- B. Pay for Temporary Work in a Higher Job Classification. Where the assignment or scheduling of work requires an employee to perform in a higher-level classification (higher pay range) to fill a temporary vacancy of an established position, an additional ten (10) percent of an employee's base pay will be provided to an employee who performs in this manner.

1. This action requires approval in advance by the Human Resources Department.
2. This provision is not to be applied in the situation of vacation replacements.
3. In order to receive this increase, an employee must be working in the higher classification for a minimum of fifteen (15) days and must possess the minimum qualifications required in that classification. Upon completion of day fifteen (15) in the temporary assignment, additional compensation shall be retroactive to day one (1) of the temporary assignment.
4. Upon return to the previous position, the employee will return to his/her base pay plus any Board/LESPE negotiated increases that occurred during the temporary assignment.

Vacancies exceeding six (6) months in a year must be filled through regular advertising procedures and not through temporary assignment. When these vacancies are filled with a current employee, base pay will be determined using the same considerations as noted in paragraphs 16.03A Promotion, 16.03B Demotion, or 16.03C Transfer.

C. Summer Employment

1. An employee who, during the summer months, is assigned to work in a position with a lower pay grade shall have his/her normal school year hourly pay rate reduced by ten (10) percent. If the ten (10) percent reduction does not place the employee's hourly pay rate within the pay range of the lower pay grade, the employee's salary shall be reduced to the maximum of the pay range of the summer position.
2. If an employee from within the school/department that has a summer school vacancy wishes to be considered for the vacancy, the employee shall notify the principal/administrator. Initial consideration in hiring will be given to employees at each school/department based upon their seniority at that site as well as their experience and qualifications to carry out the responsibilities of the position.
3. Less-than-12-month employees who are appointed to work in excess of ten (10) months, excluding the summer school session, shall receive full benefits during their extended period of employment.

D. Well-Care Supplement Pay

1. The employees designated to receive this supplement will perform all duties associated with the "well-care" needs of identified students to ensure and promote good health and optimal performance during the school day on a consistent basis. These duties include, but are not limited to: Diapering, Toileting, Tube-feeding, Catherization or Personal Hygiene routines.
2. The following must occur to receive this supplement:
 - a. The Well-Care supplement shall only be available to employees of the LESPE bargaining unit.
 - b. The employee will receive a \$1.00 per hour supplement to perform well-care activities associated with students that require special needs care for the school year.  - c. The site administrator will be responsible for completing an electronic Well-Care form and PAF.
3. This supplement shall be first offered to the paraprofessional assigned to serve the specific students at the site or the Classroom Behavior Specialist assigned to serve the specific students. Once all paraprofessionals and Classroom Behavior Specialists have declined the supplement it may be offered to any other position within the LESPE bargaining unit.
4. This supplement will be paid at the discretion of the District when funds are available.

16.06 Automobile Allowance. An employee covered by this Contract who uses his/her automobile for School Board business shall be compensated for such travel at the current rate established by the Board. Such mileage reimbursement shall not include routine travel to or from the employee's home and an assigned work location. In order to receive mileage reimbursement, the employee must complete the proper forms and have the proper authorization as provided in Board policy.

16.07 Overtime and Premium Pay

A. Overtime

1. General Policies
 - a. It shall not be the general policy of the Board to have employees work frequent or consistent overtime. However, when an employee entitled to overtime under the Fair Labor Standards Act

is directed to work overtime, defined as those hours worked beyond forty (40) hours worked in a workweek, the employee shall be compensated for such overtime at a rate of one and one-half times the employee's normal rate of pay. Such work shall include, but not be limited to, SITE/SAC team member duties.

- b. A supervisor may not unilaterally alter an employee's workweek to avoid overtime (however, an employee's schedule during a workday may be adjusted on an infrequent basis due to unanticipated changes in the scheduling of assigned duties).
 - c. Supervisors shall maintain records of all time spent by employees performing compensable activities. If a supervisor does not wish work to be performed, the supervisor must make reasonable efforts to prohibit it.
2. Payment for Overtime. Monetary payment shall be subject to approval by the Superintendent or designee. Where monetary payment is not approved, the employee must be given compensatory time equal to an amount that is one and one-half times the number of overtime hours worked. If the employee has been paid straight time for all hours worked, the employee must be given compensatory time for the half-time remaining. If compensatory time exceeds the maximum number of hours established in Board policy and procedures, additional overtime must be in the form of a monetary payment.
3. Use of Compensatory Time. An employee who has accrued compensatory time and requests use of the time must be permitted to use the time off within a reasonable period after making the request, if it does not unduly disrupt operations. Employees' approved earned compensatory time shall be carried forward from one year to the next. It is recommended that employees use compensatory time prior to sick or annual leave.

B. Premium Pay

1. Holiday Pay. In the event an employee is required to work during one of the nine (9) District-recognized holidays as stated in Section 11.20, the employee shall be compensated at a total rate of two (2) times the employee's normal rate of pay for the hours worked, including any regular pay that an employee may otherwise receive for the holiday, regardless of the hours worked during that workweek. For example, if an employee with a regular hourly rate of pay of \$10 is assigned to work on Thanksgiving Day and Thanksgiving Day is a paid holiday for that employee, the employee would receive additional compensation in an amount of \$10, or one hour of compensatory time, for each hour worked. The employee would also receive his/her regular pay for Thanksgiving Day. If Thanksgiving Day is not a paid holiday for the employee, the employee would receive additional compensation in an amount of \$20, or two hours of compensatory time, for each hour worked.
2. Winter and Spring Break. Employees who voluntarily accept an opportunity to work in a District program offered during the winter or spring break period (other than on a day designated as a District holiday in paragraph 1 above) shall receive their regular rate of pay for such assignment. Employees who would otherwise not be required to report to work during these periods but who are assigned during all or a portion of these periods (other than District-recognized holidays as described in paragraph 1 above) to meet urgent District needs shall be compensated at a total rate of one and one-half times the employee's normal rate of pay for the hours worked, including any regular pay that an employee may otherwise receive for the hours worked, regardless of the hours worked during that workweek.
3. Emergency Pay
 - a. In the event employees are required to respond to emergency calls outside the normal workday (except for those extraordinary circumstances involving natural and other disasters that would entail the closing of schools and other District facilities that is addressed in paragraph b below), employees shall receive compensatory time equal to an amount that is two (2) times the number of overtime hours worked in this capacity beyond forty (40) hours worked in that workweek. Emergency calls for this purpose include only those calls that require an employee to return to a work site to address a bona fide emergency after leaving the site at the end of the regular workday. When a natural or other disaster, including severe weather that threatens life and property, causes one or more District worksites to be closed by the Superintendent (see Article X), the following pay policy shall apply to those employees authorized by the Superintendent to work during such circumstances (this policy shall be in effect only during the period identified by the Superintendent). Employees

required to work during such period shall receive monetary payment at a rate of two (2) times their normal rate of pay or compensatory leave equal to two (2) times the number of hours worked, as determined by the department head, regardless of the total number of hours worked during that workweek and regardless of whether employees are also receiving their regular pay during all or a portion of such period.

C. On Call/Call Back

1. Employees who are to carry a pager or cellular phone outside their normal workday and respond to calls within a reasonable period of time but whose freedom of movement is not significantly restricted, who are not regularly engaged in responding to significant numbers of calls, and who are free to pursue their own interests and are not expected to respond to all calls within a short period of time, are not engaged in work predominantly for the benefit of the District and are not compensated for such assignment.
2. Time spent in responding to calls that is more than nominal, as well as time spent returning to the work site, is compensable as work time so long as it is verified within the time period determined by the department.
3. Employees who are required to be on call District-wide and carry an emergency phone that significantly restricts their freedom of movement and may necessitate their returning to the work site may use their assigned county vehicle to travel between their home and regular work site as well as to travel to the site of any emergency during the days that they are assigned such district-wide on-call assignment. Such employees shall be compensated \$35 a day for every normal workday and \$50 a day for every day that is not a normal workday, including holidays, for each day that they are given this assignment in addition to their regular work assignments.
