Parents/Guardians of Eighth Graders

Current proof of residency is a requirement for all 8th graders, even if you have never moved, you are an employee *or* you are on reassignment. This information must be submitted to the school in order to ensure a smooth transition to high school. Even though course request forms may have been submitted, students who do not provide proof of residency will not have their records forwarded to high school and will not receive a schedule. This may also affect your child being able to receive their first choice in elective classes. Please contact your school registrar if you have any questions.

You're A STAR

**Raa Middle School
