Superintendent's Message

On behalf of the Leon County Schools and the Leon County School Board, I am pleased to welcome you as a new district employee. Our District workforce is an ideal place to grow as a person and further your career, all the while making a difference in the lives of our students, their families, and your co-workers.

When I reflect upon my career with LCS as a coach, teacher, principal and now Superintendent it confirms that our employees are dedicated and caring individuals. The nature of the public-school system is to care about and serve others, and there can be no greater calling than caring for and serving children. This calling encompasses not only the classroom teacher, but all our roles in one form or another. Teachers and principals are on the "front line", but they could not function if buses did not run, meals were not served, computers were not maintained, roofs were not repaired, and employees were not paid. I view no job less or more important than another. That is why I value your choice to be employed with us to help make this the best school system possible. We hope you will feel welcomed, empowered, and help your school or department reach new heights of excellence together.

Again, I welcome you to the Leon County Schools family, and I look forward to your continued growth and success in your career and our organization.

Sincerely,

A handwritten signature in black ink that reads "Rocky Adams". The signature is written in a cursive, slightly slanted style.

Florida's System of School Improvement and Accountability

Summary: *The School Board recognizes that children, youth, and adults are the most important resources of any community. However, for these individuals to be productive, contributing citizens of the community, they must have a sound, quality education. The District's intent is to establish a comprehensive system of school improvement and educational accountability that will ensure student success and promote lifelong learning. The responsibility for educational decision-making will be returned to those closest to the learner -- that is, teachers, parents and the community. The School Board believes that each school should be given the authority, flexibility, and freedom to work, along with parents and the larger school community, to develop creative and more effective ways to increase student success. The main focus of the District's efforts and resources should be to support and enhance each school's teaching and learning process, with clear accountability for the attainment of significant student outcomes.*

State Education Goals

The Bureau of K-12 Assessment (Florida Department of Education) is responsible for all aspects, of Florida's K-12 statewide student assessment programs, including developing, administering, scoring, and reporting the results for these programs. Services are provided both by Florida Department of Education (FDOE) staff and through various contracts with assessment vendors. The primary goal of these assessments is to provide information about student learning in Florida, as required by Florida law (Section 1008.22, F.S.).

The Florida Standards Assessment (FSA) is administered to students in grades 3-8 (math), grades 3-10 (English/Language Arts), and Algebra 1, Geometry and Algebra 2. The FSA measures the Florida Standards in math and English/Language Arts.

The **statewide science assessment** measures student success with the Next Generation Sunshine State Standards and includes assessments in Biology, as well as in grades 5 and 8.

The **statewide social studies assessment** measures student success with the Next Generation Sunshine State Standards and includes assessments in Civics and U.S. History.

The **End-of-Course Assessments** are computer-based tests designed to measure student achievement of the specified standards for middle- and high-school level courses in science (Biology 1), social studies (Civics and U.S. History), and mathematics (Algebra 1, Geometry and Algebra 2).

National and international assessments enable us to know how well students are doing in a variety of subjects at different ages and grade levels. International assessments allow us to benchmark our students' performance to the performance of students in other countries. Florida school districts participate in several national (NAEP) and international (PIRLS, PISA and TIMSS) criterion-referenced surveys.

- It is expected that employees will be competent and capable in the performance of assigned duties, functions and responsibilities, demonstrating quality and pride in their efforts, and serve as an appropriate role model for students while supporting the School Board Mission and Goals.

2. **Ethical Conduct.** Educators and all those who come in direct contact with students hold positions of great trust. As members of a licensed profession, educators have an obligation to students, citizens and their profession to uphold the highest ethical standards.

- Instructional and school administrative personnel as defined in Section 1012.01, Florida Statutes, are to complete training on the reporting of child abuse and educator misconduct during annual site-based meetings. It is the duty of instructional personnel and school administrators to report alleged misconduct by other instructional personnel and school administrators that affects the health, safety or welfare of students. Individuals who report are granted liability protection under Sections 39.203, and 768.095, F.S. Instructional personnel and administrators who fail

(See below.) Check with your site administrator for additional information. Do not use computer equipment for inappropriate or personal business or in such a manner as to disrupt or put at risk the user or the network.

Computer Security Awareness

- Introduction
- The Internet can be a hazardous place.
- Many threats are avoidable.
- Protecting LCS networks

What is Computer Security?

Computer security is the protection of computing systems and the data they store or access.

Why is Computer Security Important?

Computer security allows the Leon County School District to carry out its mission by:

- Enabling people to carry out their jobs and receive an education.

- Supporting critical business processes.
- Protecting personal and sensitive information.
- Storage of sensitive files – store only in authorized secure areas (Microsoft OneDrive/District network file servers); not on flash keys that can be lost and when no security/encryption is used on the device.
- Beware of ‘Phishing’ – the activity of defrauding an online account holder of information by posing as a legitimate organization. Because SPAM/phishing emails can take many forms and be written many different ways to get past SPAM blockers, it is always important to remember ... never give your credentials to anyone -- not via email, the Internet or the phone.

You should be aware that the **Family Educational Rights and Privacy Act (FERPA)** is a federal law that protects the privacy of student education records – in Leon County and throughout the nation. Always protect student/staff confidential data.

Always remember ... Do not leave your workstation unattended. Lock your desktop computer (ctrl+alt+del) or sign off when you need to be away.

Why do I need to learn about Computer Security? Isn't this just an IT problem?

No. Actual experience shows that good security standards follow the “90 / 10” rule:

- 10 percent of security safeguards are technical.
- 90 percent of security safeguards rely on the computer user (You) to adhere to good computing practices.
- o Example: The lock on the door represents the 10 percent. But ... remembering to lock the lock, checking to see if the door is closed, ensuring others do not prop the door open, keeping control of the keys, etc., represents the 90 percent. You need both parts for effective security.

What Does This Mean for Me?

- This means that everyone who uses a computer or mobile device needs to understand how to keep their computer, device and data secure.
- Information technology security is everyone's responsibility!
- Employees/volunteers given access to LCS computer systems are responsible for familiarizing themselves and complying with all District policies and procedures relating to information security. See the following link for information on the Computer Use Manual and LCS Security Policies & Procedures: <https://www.leonschools.net/Page/275>

Security Objectives

- Learn good computing security practices.
- Incorporate these practices into your everyday routine.
- Report anything unusual.

The Internet can be a hazardous place:

- An unprotected computer can become infected or compromised within a few seconds after it is connected to the network.
- A compromised computer is a hazard to everyone else, too – not just to you.

Many cyber security threats are largely avoidable. Some key steps that everyone can take include:

- Use good, cryptic passwords that can't be easily guessed – and keep your passwords secret. Never share your password.
- Password protection – Protect your password like your Social Security Number. Do not leave it laying around or give it to anyone.
- Only use District approved applications (example: MS Office365). See Procedure 7530.03 for a complete list of authorized District applications.
- The use of personally owned devices on the District's network is discouraged. Personally, owned devices are only authorized to connect to our "Guest" network. Connecting a personally owned device (via an ethernet cable) to our business network is strictly prohibited.
- Don't click on unknown or unsolicited links or attachments, and don't download unknown files or programs onto your computer.
- To help reduce the risk, look for "https" in the URL before you enter any sensitive information or a password. (The "s" stands for "secure.")
- The technology systems you use are the property of the School Board of Leon County, Florida and may be accessed only by authorized users. Unauthorized use of these systems is strictly prohibited and may be subject to criminal prosecution and/or civil penalties. All data contained within LCSB systems may be monitored, intercepted, recorded, subject to auditing, read, copied, retrieved or captured in any manner and disclosed in any manner, by authorized personnel. By accessing and using LCS systems, you are consenting to such monitoring and information retrieval as may occur for law enforcement and other purposes. Users should have NO EXPECTATION OF PRIVACY as to any communication on or information stored within the computer system, including information stored locally on the hard drive or other media in use with any LCS system.

Leaves of Absence

Sick Leave: Pursuant to Florida Statute 1012.61, each instructional employee will be credited with sick leave hours equivalent to four days of sick leave as of the first day of employment, with one day of sick leave a month credited at the end of each month, not to exceed 10 days per year.

If you are eligible for sick or annual leave, you must begin work or return from leave without pay on or before the 15th of a month to be credited with a day of leave at the end of that month. If you terminate or go on leave on or before the 15th of a month, you will not be credited with a day of leave for that month.

NOTE: If an employee terminates his/her employment and has not accrued the four sick days available, the School Board will withhold from his/her final check the average daily amount for the sick days utilized but unearned by the employee.

Regular (non-OPS) part-time employees earn sick leave proportionate to the hours scheduled per day.

A portion of your sick leave may be used for personal or emergency reasons. Refer to the applicable negotiated contract or School Board policies for specific guidelines regarding personal and emergency leave.

Sick leave can be transferred from other Florida school districts, Florida universities, and other agencies with which the District has a reciprocal agreement. Employees must request the transfer of leave through the Leave Accounting office. Remember, it is the responsibility of the employee to initiate action to cause a leave transfer to occur. This must be accomplished within 120 days of your hire date. The length of time institutions keeps leave records may be limited. Leave transferred into the Leon County School District from other agencies is credited on a prorated basis.

One day of leave earned will gain one day of leave credited.

The value of sick leave time can be calculated by multiplying the hourly rate of pay times the accrued sick leave. There is no cap on the number sick leave days that can be accrued.

For further information regarding sick leave, contact your supervisor or check LCS Policy and Procedures.

Annual Leave: To determine if you accrue annual leave, please refer to Policy and Procedures and bargaining agreements.

Bereavement Leave: This leave may be used in the event of the death of one of your immediate family members (spouse, parent, sibling, child, grandchild, in-law or, step relative counterparts). Documentation is required to be submitted with the Leave Request. Bereavement leave cannot be carried from year to year. Check your appropriate bargaining agreement to determine whether you are eligible for this type of leave.

Military Leave: Regular employees who are members of the U.S. Armed Forces Reserves or members of the National Guard of the U.S. Military or Naval Services will receive up to a maximum of 17 days paid military leave during any work year if they are ordered by the Armed Services or National Guard to report to temporary duty. As a condition of granting military leave, the employee must provide a copy of his/her orders and must provide certification from the military unit that equivalent training could not be performed during the employee's non-work time. Board policy and all collective bargaining agreements provide for situations where the Board, at its sole discretion, may grant an additional 13 days paid military leave up to a maximum of 30 days. These situations are intended for occasions when the President calls employees to active military duty.

Unpaid Leave: The Board allows, with the recommendation and approval of the supervisor and the Superintendent, unpaid leave for various non-work-related reasons. Unpaid leaves may be granted for reasons such as parental leave, educational leave, time to care for ill parent or child, or a personal health reason.

Unpaid leave must receive prior approval. When on approved unpaid leave, LCS benefits may be continued by paying the entire premium (employee portion plus the Board contribution). Contact Benefits to assure the necessary steps have been taken to continue receiving benefits. If premiums are not paid during the term of the leave, benefits will be terminated for non-payment. Additional information can be obtained at <http://leonschools.schoolwires.net/Page/31129>.

An employee who is on unpaid leave will be paid any balance due on his/her contract through the last working day prior to the beginning of the unpaid leave. Upon returning from leave, the employee's pay will be calculated from the day he/she returns from leave through the end of the fiscal year or termination date and divided equally over the number of remaining days. This may result in lower paychecks for the remainder of the school year, depending on the employee's pay type.

Other Leave Information: There are provisions for leave with regard to maternity, illness-in-the-line-of-duty, personal and emergency leave, military leave, and long-term leave without pay. More information about these types of leave are available from your supervisor, in collective bargaining agreements and in School Board Policies.

Administrative leave may be authorized to cover absences caused by jury duty or court attendance (not involving your personal litigation). Attendance at meetings and conferences beneficial to the District and approved by your supervisor will be covered as a temporary duty assignment.

The Leon County School District complies with the Family and Medical Leave Act of 1993. If you are ill, if you have a family member who is ill and you need to care for that family member, or if you need to care for a newborn or newly adopted child, contact your supervisor at your worksite or the Benefits office at 487-7150 for your rights and responsibilities.

Terminal Pay for Sick Leave: During and after the 13th year of LCS service, the Board, through policy and applicable negotiated contracts, will pay you for 100 percent of your unused sick leave when you retire. Should you die while still employed, your beneficiary would receive this benefit. Prior to the 13th year of LCS service, the percentage of terminal pay for sick leave that you receive is based upon your years of LCS service. You may refer to your negotiated contract, to School Board policy, or call Leave Accounting for more current specific information.

Each site is responsible for maintaining leave balances monthly. Leave Accounting is responsible for maintaining leave records Districtwide.

Retirement

www.myfrs.com

As an employee of Leon County Schools, you have a choice of membership in one of the two retirement plans offered by the Florida Retirement System (FRS). The two plans are the FRS Pension Plan and the FRS Investment Plan. New employees must choose one of the plans before the end of the 8th month following employment. You are automatically placed in the Investment Plan, and if you fail to file an election during the 8-month period, you will remain in the Investment Plan. The only exception is for Special Risk Class members who will automatically be placed in the Pension Plan. After that period, new employees and employees who already have chosen a plan will have another opportunity to change plans (your second election) anytime during your FRS career. Once this second election is made, you may not again change retirement plans.

The Deferred Retirement Option Program (DROP) allows you to retire under the FRS Pension Plan and begin accumulating your retirement benefits, without terminating employment, for up to 60 months from the date you first reach normal retirement age or eligible deferral date. You will simultaneously earn a salary and a retirement income.

While you are participating in DROP, your monthly retirement benefits accumulate in the FRS Trust Fund, earning tax- deferred interest, while you continue to work without earning additional service credit for retirement. Your benefit will be calculated based upon your years of service at the time your DROP participation begins. In other words, when you enter the program you are considered to be retired and you stop earning retirement service credit.

Effective July 2011, normal retirement is 65 years of age with eight or more years of service or 33 years of service. Under the Pension Plan, if you retire prior to age 65 and have less than 33 years of service, FRS decreases your benefit by 5 percent for each year you are short of age 65. If you are preparing to retire, certain steps should be taken to ensure that you will have no loss of benefits.

You are responsible for paying 3 percent into FRS as your portion of the required contribution.

Applying for Retirement Benefits

If you are in the FRS Pension Plan, up to six months before your Termination date, you should

make an appointment with the LCS Retirement Office to complete an application for retirement and/or DROP. At this time, you will also be briefed on benefit options. The Retirement Appointment Request Form can be found on the District website under Retirement.

If you are in the FRS Investment Plan, you should contact the Plan Administrator at 866-446-9377 regarding distribution of your funds. Under Florida law, you may not receive retirement benefits under the FRS Investment Plan unless you have terminated employment with **ALL** FRS employers.

In order to receive retiree benefits (sick leave payout and continuation of payroll deductible benefits such as health and life insurance) from LCS, you must meet the requirement for normal retirement. You must make an appointment with the LCS Retirement Office to be briefed on benefit options.

Questions regarding retirement should be directed to the LCS Retirement Office, 850-487-7104 or see the Retirement webpage. For more information on FRS Plans, your choices, investment information and financial planning, DROP and related retirement questions, you may explore the website at www.myfrs.com, call the toll-free MyFRS financial guidance line at 1-866-446-9377, or refer to your copy of the FRS handbook, A Retirement Guide for the Regular Class.

Retiree Benefits Information

When you retire, you may elect to retain the health, dental and group term life. LCS does not contribute toward retiree benefits. Questions regarding retiree insurance can be directed to the Retirement Department at (850) 487-7383.

Sick Leave Bank

An employee may join the sick leave bank if he/she has accrued 10 sick days, not including upfront days, and have been employed for one year. If you are eligible to be a member of the Sick Leave Bank and wish to join during the open enrollment period, contact the benefits person at your work location. An employee contributes one sick day for initial membership. The bank may be accessed by its members for a personal illness, pending approval by the Sick Leave Bank Committee.

You will find more information in your respective bargaining unit agreement on the following subjects:

1. Extended school year (ESY)

Travel Reimbursement Procedure

Travel reimbursement forms are available at your work site and online in Liquid Office. An employee who has prior authorization to use his/her vehicle for assigned work duties will be reimbursed at the rate allotted state employees in accordance with F.S. 112.61. Check with your supervisor for the current reimbursement rate-per-mile. All business travel must be submitted by your work site's bookkeeper.

Workers' Compensation

Florida Statutes, Chapter 440 (http://www.leg.state.fl.us/Statutes/index.cfm?Appmode=Display_Statute&URL=0400-0499/0440/0440ContentsIndex.html), requires Leon County Schools to provide workers' compensation to all employees who suffer work-related injuries or illnesses. An employee who is injured on the job shall report the injury to his/her immediate supervisor as soon as possible following the accident. The supervisor or Workers' Compensation contact person must notify the Risk Management Department as soon as possible after the injury. All injuries must be reported to your supervisor no later than the next working day. Failure to timely report injuries may result in the denial of your workers' compensation benefits. In case of a life-threatening or major emergency, call 911 or go to the nearest hospital.

Provide treatment notes from your doctor to your supervisor as soon as possible following medical treatment. If medical treatment is needed immediately, go to any Patients First or TMH at Thomasville Road & I-10. You should not go to your own doctor or seek unauthorized treatment. All follow-up appointments or physical therapy appointments should be made before or after scheduled work hours. Contact Risk Management at 850-561-8359, 850-561-8357, or Corvel at 855-223-3755 for information on workers' compensation benefits.

Holidays

Holidays will be those designated by the School Board. They may change from year to year. Days when students are not in school are not necessarily holidays. Consult the annual school calendar and your supervisor for the holiday schedule. You must be at work or be on paid leave status the day before a holiday in order to receive pay for that holiday.

Social Security

In addition to membership in the Florida Retirement System, you are also covered by the Social Security Administration (SSA). Deductions for Social Security are matched by the School Board. Your social security card should be issued in your correct name.

For you personalized benefit estimate from the SSA, call 1-800-772-1213 and ask for a Request for Earnings and Benefits Estimate Statement or visit that web at <http://www.ssa.gov/>.

Safe Learning Environment

LCS is committed to safe school and work environments for students, teachers, and staff in cooperation with the Leon County Sheriff's Department and the Tallahassee Police Department. The District Safety and Security department utilizes trained personnel and the latest technology, as well as a 24-hour safety monitoring center that extends to LCS locations throughout the county, to assure around-the-clock protection for all LCS locations.

Emergency Closing of Schools

There may be circumstances where the Superintendent may close schools or dismiss schools early due to emergency situations. Usually these circumstances are related to severe weather or natural disasters. All schools and departments have emergency closing plans. Be sure to speak to your supervisor regarding your site's plan and your responsibilities in these types of circumstances.

Safety and Evacuation Procedures

Procedures for safely evacuating buildings are clearly posted at District facilities. Fire, tornado, and lockdown drills are periodically performed. Staff is expected to be aware of all such emergency procedures and to assist in these drills as prescribed in the site's Evacuation Plan.

The School Board and Superintendent reserve the right to search or examine any Board equipment (desks, file cabinets, etc.) at any time. Vehicles or personal items such as boxes and briefcases which are brought on School Board property are also subject to examination at the discretion of the Board and Superintendent.

This requirement applies when you begin work, when you go on leave or return from the leave without pay, or if you terminate employment. Contact Benefits for assistance.*

Substitutes, OPS employees, summer school employees, employees working less than 17.5 hours per week and other hourly-as-needed teachers are not eligible for benefits.

New Employees – Coverage you select during your new employee enrollment period will take effect on the first day of the month following your first payroll deduction. As a new employee, you will not have to prove your good health (insurability) before your medical benefit becomes

effective, provided you make your selections within 30 calendar days of your hire date. Failure to make elections within your first 30 days of employment will forfeit your opportunity to enroll for the current plan year. Weekends and holidays are included in the 30 calendar days.

COBRA

COBRA, a federal law with the unwieldy name Consolidated Omnibus Budget Reconciliation Act, allows insured employees and their dependents to continue receiving health coverage under several circumstances when it would normally be lost. Continued coverage under COBRA is possible based on the following criteria:

- 1) If an employee terminates School District employment, the employee and /or insured dependents may continue health coverage for up to 18 months.
- 2) If an employee's hours of employment are reduced so that he/she is no longer entitled to benefits, the employee and insured dependents may continue health coverage for up to 18 months.
- 3) If an employee with dependent coverage should die, covered dependents may continue their health coverage for up to 36 months.
- 4) Health coverage may be continued for a child who was covered by dependent coverage and has reached the age limitation for normal coverage for up to 36 months.
- 5) If an employee and spouse are divorced, and the spouse and/or other dependents were covered on the employee's health insurance, the divorced spouse and /or dependents may continue health coverage for up to 36 months.
- 6) If a person totally disabled for Social Security purposes at the time that one of the reasons listed above in (1) or (2) occurs, that person is entitled to up to 29 months of continued health coverage.

Premiums for the above coverages are paid by the person choosing to continue benefits under COBRA. If you desire to exercise one of the options listed above, it is your obligation to notify Benefits of the circumstances, and of your desire to exercise your COBRA rights.

HIPAA

Recent changes in federal law under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) may affect your health coverage if you are enrolled or become eligible to enroll in health coverage that excludes coverage for pre-existing medical conditions. Should you need this documentation, contact Benefits for a Certificate of Health Coverage.

Employee Assistance Program

<http://leonschools.schoolwires.net/Page/31128>

The Leon County School District recognizes that a wide range of problems not directly associated with an employee's job function can have an effect on an employee's job performance. In most instances, the employee will overcome such personal problems independently and the impact on job performance will be negligible. In some cases, however, neither the employee's efforts nor the supervisor's normal assistance achieve successful resolution of the employee's problems and unsatisfactory job performance persists.

The Employee Assistance Program is intended to help employees and their families who are suffering from such persistent problems that jeopardize an employee's health and continued employment. The problems may include alcoholism, drug abuse, emotional or other concerns, such as health, family, financial, legal or vocational difficulties. Leon County Schools recognize behavioral disorders and mental health problems as illnesses that can be successfully treated. Employees who need help in those areas of concern will be given the same considerations as employees with other illnesses. The goal of this program is to help individuals who develop such problems by providing consultation, treatment and rehabilitation to prevent their condition from progressing to a degree at which they cannot work effectively.

Appropriate measures will be taken to insure the confidentiality of records for any person admitted to the program, according to established personnel guidelines and federal regulations.

The Superintendent will report to the Board prior to the conclusion of the fiscal year regarding the impact of the Employee Assistance Program. Continued availability of the program, including any modification, and funding shall be determined annually by the Board.

Employee Wellness

Working on Wellness (WOW) to Maximize our Effectiveness

One of the missions of Leon County Schools is to emphasize the benefits of good physical, psychological and financial health for its employees and creates a workplace culture that recognizes and rewards medical, mental, and fiscal wellness.

LCS encourages employees to engage in programs and activities that promote a health body and a positive attitude. Wellness Champions are located at every school and District site in the county with information about current programs and activities, including weight loss, stress management, smoking cessation, and more. A state-of-the-art Wellness Center is available free of charge to all LCS employees. In addition, Capital Health Plan provides a \$150 rebate on gym memberships.

Leon School Volunteer Program

2757 W. Pensacola Street

The Leon County Schools (LCS) Volunteer Office is responsible for administering the Volunteer Program and the Mentor Program. The LCS Volunteer Program was established in 1969 and volunteers have enriched the lives of countless students by sharing their gifts of time, talent, and resources. The Mentor Program began in 1985 and mentors work on a weekly basis with students. The Superintendent's Mentoring Initiative invites all district employees – no matter what your role - to volunteer to connect with a student once a week for 30 minutes.

Now more than ever, our students - at every grade level - need us to get them off to a good start. Mentoring improves academic, social, and economic prospects for students. Research confirms that high quality mentoring relationships have long-lasting, powerful, and positive results in students. Just knowing that there is a caring adult, who is willing to donate their time to mentor, helps our youth feel like they matter, assures them they are not alone, and assists them in dealing with day-to-day challenges.

District Policy 2430.03-Mentoring Program allows: Any staff member who volunteers to serve as a mentor may be released from his/her duties for up to one (1) hour per week to mentor a student to whom s/he has been assigned. Released time for mentoring shall be approved by the employee's supervisor and shall be scheduled at a time that does not prevent the employee from performing the essential functions of his/her assignment.

Please know that you are not under any obligation to participate in the Superintendent's Mentoring Initiative. If you choose to participate, together, we can make this a memorable and productive school year for our students.

Thank you for considering becoming a mentor
