ROUND UP FOLDERS

- A Round Up Folder will go home every Friday. In the folder you will find your child's work from the week plus important school information. Please take EVERYTHING in the folder out and KEEP at home. Discuss with your child the papers they have completed and make sure to give them praise for their hard work! We encourage students to complete any unfinished work at home. Send the empty folder back with your child every Monday morning.

- Inside the folder you will find teacher information and our class schedule. Please leave this inside so that you may refer to it throughout the year.

- A behavior sheet will be found in the very back pocket of the folder. This will let you know your child's behavior for the week. Please discuss your child's behavior with them!

Remind

Remind is a text reminder application that allows the teachers to send out classroom and school reminders via text message. We can send out reminders to all of our parents at once or individual texts. This also allows you to easily communicate back with us. We will do our best to respond during school hours, but you should usually get a response in 24 hours (if not a weekend). We also love sending pictures of what we are doing in class and keep a strong school-home connection.

Classroom Rules

All students are expected to come to school every day ready to learn and follow classroom rules and procedures. Below are our Kindergarten rules.

1. We always do our best work!
2. We follow directions quickly.
3. We raise our hand to speak.
4. We are caring friends.
5. We listen when others are speaking.
6. We use good manners.

SPECIAL BIRTHDAYS

We can recognize your child's birthday during snack time. No toys/party favors please. We recommend mini cupcakes/cookies/popsicles/ muffins. We will need to know ahead of time for us to plan for our students. The snack you provide must be store bought.

TRANSPORTATION

PLEASE SEND A NOTE IN YOUR CHILD'S
FOLDER EVERY TIME THERE IS A CHANGE
IN THEIR TRANSPORTATION

Car

After-school

Van

Bus

KINDERGARTEN ONLINE RESOURCES

*Please visit our website often to keep you updated and informed.

<http://www.leonschools.net/moore>

*Our Kindergarten website important upcoming dates, our schedule, spelling words, our Amazon Wish Lists and more.

Top 5 nonacademic skills to work on at home, to help your child have a successful school year:

1. Be able to independently use the restroom and attend to their clothes. Examples: button their pants, pull up their pants, wipe themselves, change soiled clothes
2. Work on problem solving skills: let them struggle some to help build their growth mindset
3. Go to the playground as much as possible. Most problems happen on the playground with unstructured play. Let them navigate social situations on their own.
4. Open all of their food packed for lunch. A lot of times these items are really hard to open independently. Sometimes they are nervous to ask for help or it might take some time before an adult can help them and time will run out.
5. Practice fine motor skills to help build strength in the muscles in their hands. We do a lot of cutting, gluing and writing in kindergarten. Examples: play with playdough, pick up tiny objects one by one, squeeze a ball.

Optional Drop off on Wednesday, Thursday, and Friday

for the first week of school!

We would like to offer a special drop off time for our new Kindergarten students for the first three days of school. This will allow the car pick up area to be clear of other traffic and less congested.

Your child's teacher will be out at car pick up at 8:50 to help with the transition into their new school. They will then be able to walk their students to the classroom.

You will not be allowed to walk your child into the classroom in the mornings.
