

# Gilchrist Extended Day Enrichment Program

# GRIZZLY CUBS CLUB

## DAILY SCHEDULE

The children in Kindergarten will be picked up from their groups each day and walked to the K-Club enrichment area. They will have attendance taken and snack time before they begin their enrichment activities. The children will then participate in two 30-minute enrichment classes that are centered around the weekly theme. At the end of the day, the kids will have an opportunity to play in our centers stations. The centers consist of Legos and building blocks, board games, coloring, and more.
