

Student Council Representatives

Are you are interested in running for your class' Student Council representative? Student Council is looking for outstanding students and excellent citizens. Elections will be held between October 3rd and October 8th. There is absolutely no bribing, handing out of items, or wearing campaign t-shirts to obtain votes. You will need to prepare a short speech to present to your class to show examples of why you should be elected. If you are elected, you will be responsible for attending meetings the first Wednesday of each month at 8 a.m. in Mrs. Whitaker's classroom (more than 2 unexcused absences will result in you losing your position). Your duties will include being a school leader, helping out with school and community events, representing your class, and showing a lot of Grizzly spirit!

All candidates must have at least a "C" average, outstanding behavior, and the approval of their parents and teacher. Candidate must exhibit strong academic and leadership skills!

This form should be signed and turned into your teacher prior to your class election date!

Our first meeting is Wednesday, October 9th.
