### School Board Approval

This plan is pending approval by the Leon County School Board.

### SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

### Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Part I: School Information

### School Mission and Vision

#### Provide the school's mission statement

Our mission at Hawks Rise Elementary School is to help each student develop into a lifelong learner who is inspired with productive creativity, equipped with the skills of a critical thinker, problem solver and decision maker, and prepared to be a responsible citizen. This will be accomplished through the cooperative efforts of the entire community (students, parents, school and partners) as we work together to provide a nurturing, safe, secure learning environment where respect for others is celebrated, and our students achieve success through their diverse and individual talents.

#### Provide the school's vision statement

Our vision at Hawks Rise is to guide students to realize their full potential.

### School Leadership Team

#### Membership

Identify the name, email address and position title for each member of the school leadership team:

Name	Title	Job Duties and Responsibilities
Friend, Evy	Principal	
Franklin, Amy	Teacher, K-12	
Mitchell, Cheryl	Dean	
Jackson, Beth	Assistant Principal	
Van Hise, Meghann	Instructional Coach	

### Early Warning Systems

#### Current Year

The number of students by grade level that exhibit each early warning indicator listed:

Indicator	Grade Level												Total	
	K	1	2	3	4	5	6	7	8	9	10	11		12
Number of students enrolled	127	125	154	130	149	137	0	0	0	0	0	0	0	822
Attendance below 90 percent	4	6	2	3	5	4	0	0	0	0	0	0	0	24
One or more suspensions	0	0	0	0	0	0	0	0	0	0	0	0	0	
Course failure in ELA or Math	0	4	14	8	17	20	0	0	0	0	0	0	0	63
Level 1 on statewide assessment	0	0	0	6	12	15	0	0	0	0	0	0	0	33

**The number of students with two or more early warning indicators:**

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Students with two or more indicators	0	0	0	2	4	5	0	0	0	0	0	0	0	11

## Analysis

### Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

#### **Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends**

The lowest performing subgroup was the learning gains in students with disabilities. While we experienced some growth in the proficiency of this group, more growth is needed.

#### **Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline**

There was an increase in the percentile of all school grade components between the 2018 and 2019 FSA score.

#### **Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends**

Hawks Rise Elementary consistently scores above the state and district averages. The biggest gap occurs in the area in which the difference between school average and state average is the smallest. Hawks Rise Elementary had 61% of the lowest 25th percentile of students achieve learning gains in math. The state average for this area was 51%.

#### **Which data component showed the most improvement? What new actions did your school take in this area?**

Math learning gains was the school grade component with the most improvement. Hawks Rise Elementary had 76% of students achieve learning gains in math in 2019. 60% of students achieved math learning gains in 2018.

#### **Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)**

There are two potential areas of concern when reviewing the EWS data: attendance below 90% and scoring a level 1 on the statewide assessment.

#### **Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year**

1. increased math learning gains for students with disabilities
2. increased language arts learning gains for students with disabilities
- 3.
- 4.
- 5.

## **Part III: Planning for Improvement**

### **Areas of Focus:**

<b>#1</b>	
<b>Title</b>	Math Learning gains for students with disabilities
<b>Rationale</b>	Math learning gains for students with disabilities had a decline from 2017 state assessment scores to the 2018 scores. In 2019, the learning gains at Hawks Rise are still some of the lowest percentile rankings for the school with 60% of students having made learning gains in math.
<b>State the measureable outcome the school plans to achieve</b>	An increase in the learning gains for students with disabilities which will result in increased learning gains for our school. The goal for math learning gains at Hawks Rise is that 62% of students making learning gains.
<b>Person responsible for monitoring outcome</b>	Beth Jackson (jacksonb4@leonschools.net)
<b>Evidence-based Strategy</b>	Students with disabilities have historically been receiving grade level instruction for math and language arts in the resource room. For the 2018-2019 school year, students with disabilities were moved to an inclusion model for kindergarten, second grade, third grade, and math instruction in 4th and 5th grades. A teacher certified in special education or a paraprofessional was placed in the general education classroom to support instruction and skill practice for students. We saw an increase in math learning gains. As a result, this inclusion model has been expanded for the 2019-2020 school year to include language arts in addition to math instruction in kindergarten through 5th grade.
<b>Rationale for Evidence-based Strategy</b>	Inclusion for students with disabilities is an evidence based strategy.
<b>Action Step</b>	
<b>Description</b>	<ol style="list-style-type: none"> <li>1. Schedule student in inclusion courses</li> <li>2. Provide professional development to support co-teaching</li> <li>3. Provide planning time for co-teachers</li> <li>4.</li> <li>5.</li> </ol>
<b>Person Responsible</b>	Beth Jackson (jacksonb4@leonschools.net)

<b>#2</b>	
<b>Title</b>	ELA Learning gains for students with disabilities
<b>Rationale</b>	Increased reading comprehension benefits all students. One measure of reading comprehension is the FSA ELA. It is our goal to increase the FSA ELA proficiency percentile.
<b>State the measureable outcome the school plans to achieve</b>	On the 2019 FSA, 86% of 3rd grade students, 85% of 4th grade students, and 89% of 5th grade students scored a level 3 or higher. It is our goal for the 2020 FSA that 86% of 3rd grade students, 87% of 4th grade students, and 86% of 5th grade students score a level 3 or higher.
<b>Person responsible for monitoring outcome</b>	Meghann Van Hise (vanhisem@leonschools.net)
<b>Evidence-based Strategy</b>	<p>Students with disabilities have historically been receiving grade level instruction for math and language arts in the resource room. For the 2018-2019 school year, students with disabilities were moved to an inclusion model for kindergarten, second grade, third grade, and math instruction in 4th and 5th grades. A teacher certified in special education or a paraprofessional was placed in the general education classroom to support instruction and skill practice for students. We saw an increase in math learning gains. As a result, this inclusion model has been expanded for the 2019-2020 school year to include languages arts and math instruction.</p> <p>In addition, reading intervention groups will be arranged into decoding groups and comprehension groups for the 2019-2020 school year. We will be implementing the Read Naturally curriculum for the first time.</p> <p>Also, there is increased focus on writing skills and teachers are integrating writing into the instruction across content areas.</p>
<b>Rationale for Evidence-based Strategy</b>	Intervention groups will be monitored with AIMSweb and STAR regularly. Writing instruction is team created and observed routinely.
<b>Action Step</b>	
<b>Description</b>	<ol style="list-style-type: none"> <li>1. Schedule ESE students into inclusion class rooms.</li> <li>2. Provide teachers with professional development on Read Naturally and co-teaching.</li> <li>3. Regular progress monitoring will be used to ensure effectiveness.</li> <li>4.</li> <li>5.</li> </ol>
<b>Person Responsible</b>	Meghann Van Hise (vanhisem@leonschools.net)

**Additional Schoolwide Improvement Priorities (optional)**

**After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information)**

**Part V: Budget**

<b>1</b>	<b>III.A</b>	<b>Areas of Focus: Math Learning gains for students with disabilities</b>				<b>\$22,793.75</b>
