

Pre-K Post

November 24, 2020

It is Thanksgiving week and we are all looking forward to spending time with our family. We have enjoyed learning about Thanksgiving through several great books, including *There Was an Old Lady Who Swallowed a Turkey* and *Bear Says Thanks*. We also read a couple of other fall books, *There Was an Old Lady That Swallowed Some Leaves* and *Fall Harvest*. They have all tied in well with our tree unit. We also read *Our Tree Named Steve*, *The Monkeys Came Back*, *Growing Trees* and *Charlie Anderson*.

This week, we learned about arborists and foresters. Did you know arborists are considered tree doctors? We used our measuring skills and made playdough. Which was a big hit. We collected leaves of different colors and graphed them. We also made a Chicka Chicka Boom Boom tree that required us to match uppercase letters with their lowercase letter. We wrote our letters in shaving cream and had lots of fun learning letters and colors.

The December menu has not yet posted.
