

MONTFORD MIDDLE SCHOOL

2020/2021 SUPPLY LIST

Welcome to Seventh Grade!

The list below provides a minimum of items that your rising seventh grader might need as he or she heads back to school. However, some teachers at Montford Middle School may require alternative specific items for student success in their classes. Students will receive specific information about their individual teachers' classroom supplies requirements during the first week of school.

All of us on the Seventh Grade Team look forward to seeing your student soon. If you have questions, please let us know.

- Personal wireless digital device (NOT A CELL PHONE)*
 - Device should be fully charged at the start of each day
 - Bring charging cord daily
 - Bring mouse or stylus for device daily, if needed
- Earbuds (NOT BLUETOOTH) (brick and mortar students only)
- Facemask (MUST BE CONSISTENT WITH LCS POLICY)**
- 2 spiral notebooks with at least 3 sections and 1 pocket folder with prongs and loose-leaf paper
OR
1 binder with loose-leaf paper and seven tabs
- Pencils with erasers
- Small pencil sharpener
- Pens

Students may bring a mat or towel to sit on outside during mask breaks, if desired

*TECH NOTES

The programs being used for curriculum are cloud based, including the Microsoft Office suite. Therefore, all devices must be equipped with either Google Chrome or Mozilla Firefox. Our cloud-based programs, the Canvas LMS platform, and digital textbook do not operate correctly outside of Chrome or Mozilla.

If you have not established a plan for obtaining a personal device for your student, please contact Montford as soon as possible to ensure that your child has already been placed on the list to be issued a temporary device until the Chromebooks bought by the district are available to be issued to all students.

**PPE

Facemasks must be worn on school property and on buses. Additional PPE (such as a face shield or glasses) may be utilized by students as families deem necessary.
