K12 Students and Educators,

Free e-Texts for *Foundations of Restaurant Management and Culinary Arts 2/e* Level 1 and 2 are available for your use from now until June 30. You can access your e-books through the AHLEI and NRA VitalSource Bridge, a K-12 website built to house these temporary e-books to help you through the rest of the school year. Please follow the instructions below.

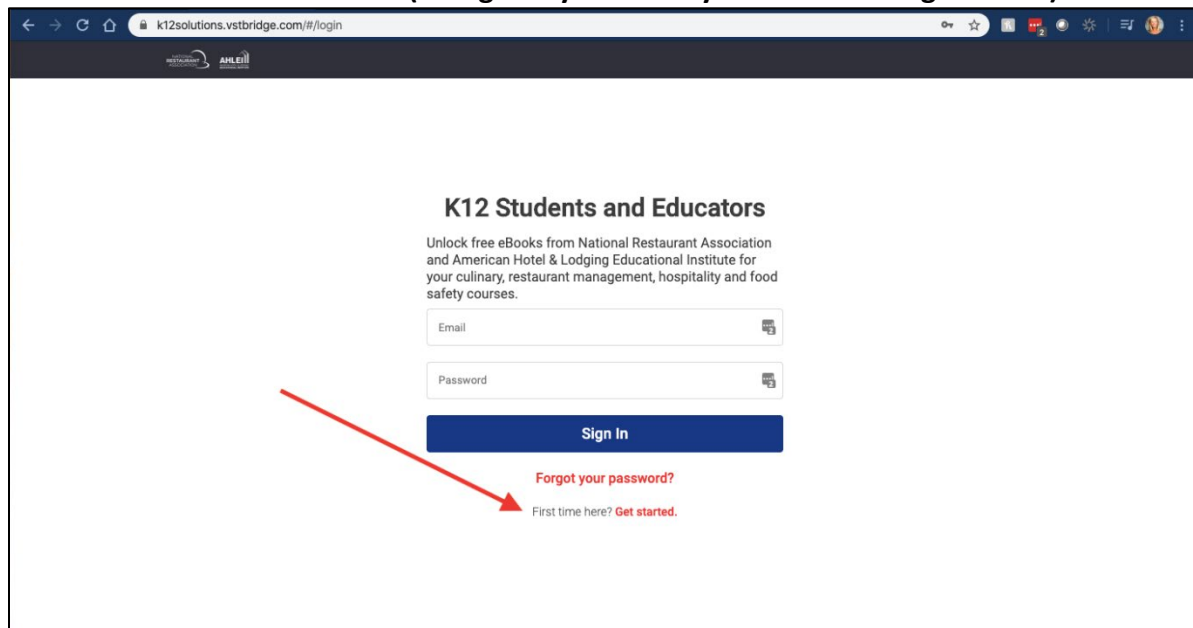

Please note:

- **Students:** you will need a key from your teacher in order to access the materials.
- **Teachers:** this key will come in an email and should be forwarded to your students. Please contact your FRMCA sales representative if you did not receive a key.
- Each user (students AND teachers) will have three e-book credits, meaning they are able to access no more than three titles from the Bridge. Make sure you select only the books you are currently using in class.
- All eBooks accessed through this bridge will expire on June 30, 2020.
