Do you have what it takes to be a Bank of America Student Leader?

We are looking for the next generation of community leaders. If you are a junior or senior in high school with a passion for improving your community, we want to help you turn that passion into action.

As a Student Leader, you will participate in an eight-week paid internship at a local nonprofit organization where you will learn first-hand about the needs of your community and the critical role nonprofits play.

In addition, you will learn valuable civic, social and business leadership skills. Each Student Leader will attend the Student Leader Summit held in Washington, D.C. where you will explore how government, business and the nonprofit sector work to address critical community needs.

If you would like to make a difference in your community, apply today!
