Community Service (50% of application): List your involvement in the community and hours you have had documented performing the service. A strong history of service activities is the most important element in applying for Best & Brightest. Nominees represent those who have consistently contributed to their school and community throughout their high school career. You may attach an additional sheet recording service, if needed.

Please attach an essay of 500 words or less to tell us why you would be a good Best & Brightest candidate for this category.

Note: The Best & Brightest application is a lengthy and time-consuming endeavor. Applicants should be willing to spend many hours putting together their application and preparing for their interview.
