Amy will follow up with Student recognition coordinators to verify date of this. It is anticipated in early November, about a week after report cards are received. County Office will get list to office and they will plan dates and get volunteers to assist.

**Open Discussion:**

MMS Football Championship Dinner and Cross Country Dinner will be held soon, now that seasons are over. Boys Cross Country won championship. Football did as well this year. They still have one game remaining. A donation (amount TBD) will be made to each team for their celebratory dinners, which will take place at school. There is no budget number for football because they have not won in the past two years.

Silent Auction Committee will be formed. Date is not yet set, but April is being considered. Will send Listserv through Volunteer Coordinator.

School store idea is pending, but person who would run it has not responded to emails. A committee for this may be needed to rotate people. Shaunte will make request to Volunteer Coordinator for this. She also mentioned need for Spirit Sales committee to be created so that there is a list of people who are knowledgeable about inventory and pricing to sell spirit items at school events.
