Volunteer Report- Karen Hickey

Krista Hellmann & Karen Hickey will coordinate this office this year. Krista will be responsible for volunteer recruitment and Karen will handle all reports due to county office. Amy Goldsberry has set out signs for Pizza Friday this week and has a complete volunteer quota. Health Screening will need volunteers on 9/29 from about 9-1 pm. that day. Screenings will be done in Media Center.

Patrons Report-Jenn Hay

Total amount collected so far is \$6,604. There have been 13 seats sold for 8th grade graduation ceremony on second row. On the third row, so far 2 seats have been sold. More emails/push for Patrons will be coming in the near future. Patrons needed cups and pencils for bags to sent home and those are on order and will arrive later this month.

New Mustang Shirt will be sold at Open House with a tee shirt order form. All shirts will be ordered and paid for that evening. Shirts are estimated to arrive on Friday, 9/11. Shaunte will pick them up and will check to see if delivery of shirts to school will be an option in the future, as long as there is no charge.

Student Recognition

Report Card recognition for students will take place after report cards are distributed. Coordinators of this event will handle this and reports will be given to them by office, once county has compiled the information. This is expected a week after report cards are completed. Dates will be set once report is received.

Open Discussion:

Plan for Open House will be that Board Members will arrive by 5:15 to set up tables for tshirt sales and Patron forms. Tables will be reserved (2). Sales will continue until 5:55 approximately and then shut down while parents visit with teachers. Sales will resume when Open House concludes.

Silent Auction has no coordinators yet so a Listserv will be sent to create a committee to oversee this event. It is hopeful a leader will emerge to oversee event planning. New ideas will be presented by members to create new items for auction.

Eighth Grade Field Day is still under discussion for event date and host. Principal Blessing is talking with his teachers about this event and will be discussed again next month.
