

2022-2023 Yearbook Staff Application _____

By applying for the yearbook team, you agree to be available to work on the yearbook in class and outside of the school day (after school, weekends, etc.) to take pictures, plan layouts, write stories, and otherwise help out as necessary. Students help fund the book by selling ads over the summer and fall. Ads and money for the ads are due in the second week in September 2022. Students' third nine weeks grade is wholly dependent on finishing the yearbook on time. Please acknowledge that you understand and agree to the above.
