

Title I: News You Can Use

News and Information for Families of Title I Schools in Leon County

What Is Title I?

Title I, Part A is a federal program designed to provide children with significant opportunities to receive a fair, equitable, and high-quality education, and to close educational achievement gaps. Title I, Part A funding is awarded through a grant and is allocated under the Elementary and Secondary Education Act (ESEA) of 1965, as amended by the Every Child Succeeds Act (ESSA) of 2015. Here in Leon County, public schools with a 75.01% or higher of free and reduced lunch students are eligible to receive Title I funding.

See page 5 for a complete list of Title I schools of Leon County.

I am so proud of the work that is taking place in all Leon County Schools. This year, our Title 1 Program will be serving a total of 23 public schools and 12 private schools, in addition to the extraordinary faculty and staff working onsite with our students and families. Moving forward, I am excited to see all the hard work and dedication pay off as we continue to strive for excellence.

~ Rocky Hanna, Superintendent

I am truly honored to be a part of such a great school district. I remain humbled by the excellent work taking place in our schools county wide, and in all programs and departments assisting those schools in providing the best education for our students, and support for their families. I would like to thank everyone in advance for their continued efforts in the future.

~Gillian Gregory, Assist. Superintendent

Panel Participants answer questions from parents at Hartsfield Elementary

Hartsfield Hosts Parent and Family Engagement Conference

Hundreds of families went to Hartsfield Elementary on Saturday, January 26th, for their Annual Parent and Family Engagement Conference. The initiative hopes to bridge the gap between schools and the community.

Families were engaged with workshops, vendors, and a discussion panel in order to learn how to be more involved with their child's education.

Principal of Hartsfield Elementary, Rhonda Flanagan, said, "Our mission here is really to empower our parents, to enlighten them with the wonderful workshops that are being presented, to connect them to the resources that are right here in their community."

The large number of families at the event and positive feedback from the attendees show the community wants to be involved and assist their children in developing at school and at home.

The Center offers tutoring/homework assistance on Mondays from 6:00 pm to 9:00 pm.

**Alpha Kappa Alpha Sorority, Incorporated
Delta Kappa Omega Chapter Tutoring Program**
BL Perry Branch Library
2817 South Adams St., across from the main Post Office
Every Saturday 10:00 am -12:00 pm

Smith-Williams Service Learning Center
2295 Pasco Street; 891-1860
Monday - Thursday: 8:00 am - 8:00 pm
Friday: 8:00 am - 6:00 pm

This program provides afterschool enrichment for K-5th grades students. While the primary emphasis is on academic enhancements, youth also enjoy arts and crafts, cultural awareness, music, performing arts, and other exciting venues of personal expression.

Chaires Launches zSpace!

An innovative learning experience has launched at Chaires Elementary, a Title 1 school in Tallahassee, Florida! zSpace's hands-on technology has our students, of varying academic levels, excited to learn complex math and science content while gaining confidence as learners. At Chaires, we have twelve stations set up as a 3-D lab experience. Each virtual reality station allows up to two students to engage in STEM based learning while using an interactive stylus and 3-D glasses to manipulate real world models that they wouldn't be able to investigate, dissect, or see up close in a regular classroom setting. For example, students were able to dissect the Earth and discover the many layers of the atmosphere in a lab setting. This is so exciting for our Title 1 students! It's the key to their academic engagement and success!

Foster Grandparent Highlight

Elder Care Services, Inc. and Leon County Schools have been partnering with the Foster Grandparent Program since 1983. This federal program supports senior citizens volunteering in classrooms to nurture and assist with literacy and social development of the students. There are currently 26 Foster Grandparents volunteering at 13 Title I schools in Leon County.

This edition spotlights a long-serving Foster Grandparent: **Ida Sampson**.

Years and Schools Served: Grandma Sampson has been a Foster Grandparent in kindergarten classrooms for 15 years: 14 years at Astoria Park Elementary and one year at Riley Elementary.

Favorite thing about being a Foster Grandparent: "I love working with the children and making sure they get what they need to know, like teaching them to write their name and learn the alphabet and numbers. But the most important thing I love are the hugs."

Grandma Sampson

Academic Enrichment at Leon County Schools

The 21st Century Community Learning Centers (CCLC) program is a free program offering both after-school and summer programs to students at the school sites listed below:

Elementary School Sites

If you are interested in more information on the CCLC program, contact the school site.

100th Day of School Celebration

Students at Sabal Palm Elementary Celebrate the 100th Day of School with Superintendent Rocky Hanna, Principal Anicia Robinson, and Ms. Nancy Taylor

Parent's Corner: Reading with Your Child

Reading with your child has numerous advantages and children are never too young to benefit from reading. Parents need to dedicate time for reading every day. Here are some quick tips to get the most out of the time you spend reading with your child:

- Sit next to your child so he or she can see the book.
- Talk about the pictures.
- Let your child turn the pages.
- Show your child the cover page. Explain what the story is about.
- Run your finger along under the words as you read.
- Make the story come alive. Create voices for the story characters.
- Ask questions about the story. What do you think will happen next?
- Let your child ask questions about the story. Talk about familiar activities and objects.
- Let your child retell the story.
- Repeated readings of favorite books are beneficial in developing fluent readers (even if it is memorized).

Family Story Time

Enjoy literature, culture, books, music, rhymes, storytelling and your community. For children and their families.

Division of School Improvement, Testing and Accountability

Our School Improvement Team is comprised of extraordinary staff who work to serve our administrators, teachers, students, and families. Our dedicated, hardworking school staff are doing an amazing job bringing enthusiasm and creativity to their classrooms. This year has been phenomenal and we are excited for the future!

~ Giselle Marsh, Director

Title I Department

We hope that you have enjoyed our first issue. We look forward to highlighting the amazing things that are taking place right here in our Title I schools. We are very excited about supporting all of our schools and look forward to expanding our community partnerships. Stay tuned as we have some exciting initiatives on the horizon. Special thanks to all of our LCS internal departments that help to support our Title I District Office. Your work is truly appreciated. Lastly, I'd like to take a moment to introduce our dynamic Title I Team. You all truly make a difference! Please see below. ~ Ashley Scott, Program Coordinator

- Ms. Mae Alcantara
