

# CAMP THREADGILL NEWS

Week of: 1/16/2023

## Notes From the Teacher:

This week, (1/9), we started the next unit in reading, where students are expected to read more independently. They completed the assessment by reading the stories and questions on their own.

We also started a new chapter in math, "representing data"/graphing.

In Social Studies, we discussed the impact of Dr. Martin Luther King Jr.

We had some fun in science with a snow STEM activity. Next week, we are looking forward to learning about some of the animals that live in the Arctic and Antarctic.

Please see the email for the 101<sup>st</sup> day of school sign up. 😊

Remember, if you ever have any questions about your child or what we are doing in class, feel free to email me.
