

CAMP THREADGILL NEWS

Week of: 1/9/2023

Notes From the Teacher:

Welcome back from Winter Break!

In the short 3 day week, we reviewed some math concepts and completed the middle of the year math progress monitoring "test". In language arts and science, we enjoyed reading and learning about snow, ice, snowmen, and made some new year's resolutions.

On Monday (1/9), we will begin the next unit in reading, where students are expected to read more independently. They will complete the assessments by reading the stories and questions on their own.

We will also be starting a new chapter in math, "representing data"/graphing. **Please keep up with the homework as it will help reinforce what we are learning in the classroom.**

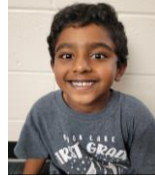

Remember that if you ever have any questions about your child or what we are doing in class, feel free to email me.

Homework

- Math pages – see HW sheet
- Language Arts – practice sight words & spelling words & read for 15-20 minutes each night

BIRTHDAYS

Karti – 21

Safwan - 26

Dates to Know

BLUE FOLDER DUE BACK FRIDAY
