

# CAMP THREADGILL NEWS

**Week of: 10/10/2022**

## Notes From the Teacher:

This week we continued chapter 3 in math, addition strategies. There are quite a few strategies, and some have multiple steps, be sure you are practicing by completing HW.

In Language Arts, we completed Unit 1, by doing a research project on a neighborhood worker. The new spelling words are attached to the weekly email and will also be sent home on Monday.

In Science, we started talking about engineers.

In Social Studies, we discussed community helpers.

Ask your child about our most recent Book of the Month! They brought it home on 10/7.

Please remember that if you ever have any questions about your child or what we are doing in class, feel free to email me.

## Homework

- Math pages – see HW sheet
- Language Arts – practice sight words & spelling words & read for 15-20 minutes each night

## Fall Party

If you are able, please click on one of the links in the email to provide our class with supplies for our fall celebrations.
