

# CAMP THREADGILL NEWS

**Week of: 10/17/2022**

## Notes From the Teacher:

This week we finished chapter 3 in math, addition strategies. When we return on Tuesday, we will begin **chapter 9** on measurement.

In Language Arts, we started Unit 2, learning about how things can change as they grow. In week 1, we discussed how animals change and grow. Next week, we will be seeing how plants grow and change.

In Science, we finished talking about engineers and their design process. We discussed the differences between materials that are natural and ones that are human-made. Next week, we will start pumpkin investigations. Please send your child with a real small to medium sized pumpkin.

In Social Studies, we continued community helpers with a close look at fire dogs. In the coming week, we will be shifting to fall topics.

*Please remember that if you ever have any questions about your child or what we are doing in class, feel free to email me.*

## Homework

- Math pages – see HW sheet
- Language Arts – practice sight words & spelling words & read for 15-20 minutes each night

## Fall Party

If you are able, please click on one of the links in the email to provide our class with supplies for our fall celebrations.

## Dates to Know

**\*BLUE FOLDER DUE  
BACK FRIDAY\***
