

CAMP THREADGILL NEWS

Week of: 10/3/2022

Notes From the Teacher:

This week we started chapter 3 in math, addition strategies. Make sure your child is completing their math homework and you are marking that on their HW sheet.

In Language Arts, we started Unit 1, Week 5 and will complete it at the beginning of next week before we move on to Unit 1, Week 6 – project week. The new spelling words are attached to the weekly email and will also be sent home on Monday.

In Science, we finished talking about how scientists work: using their senses and tools. Today, we got to plan like a scientist and mix two paint colors together to answer the question about what would happen.

Please remember that if you ever have any questions about your child or what we are doing in class, feel free to email me.

Homework

- Math pages – see HW sheet
- Language Arts – practice sight words & spelling words & read for 15-20 minutes each night

Birthdays

None
