

CAMP THREADGILL NEWS

Week of: 9/12/2022

Notes From the Teacher:

This week we started chapter 2 in math, subtraction concepts. Be sure to have your child continue working on the HW assignments in the math practice workbook so your child can keep up with instruction in our classroom.

In Language Arts, we finished Unit 1, Week 2 and will move on to Unit 1, Week 3 this coming week. The new spelling words are attached to the weekly email and will also be sent home on Monday.

In Social Studies, we have been talking about friendship, citizenship, classroom and school rules, and making good choices. We will begin science in the next 1-2 weeks.

Please remember that if you ever have any questions about your child or what we are doing in class, feel free to email me.
