

CAMP THREADGILL NEWS

Week of: 9/26/2022

Notes From the Teacher:

This week we finished chapter 2 in math, subtraction concepts. We will start chapter 3, Addition Strategies, on Tuesday. Make sure your child is completing their math homework and you are marking that on their HW sheet.

In Language Arts, we finished Unit 1, Week 4 and next week we will move on to Unit 1, Week 5. The new spelling words are attached to the weekly email and will also be sent home on Tuesday.

In Science, we began talking about how scientists work: using their senses and tools. We got a chance to think like a scientist today, using our senses to observe celery.

Please remember that if you ever have any questions about your child or what we are doing in class, feel free to email me.
