

Hello Families!

I miss all my Yellowjacket Art Students! I hope you are doing well and finding ways to keep busy and healthy during this tough time. Remember that drawing, doodling, or coloring is a great way to pass the time, and it has been proven to help people relax. :)

I have created an Art Class Edmodo page for each grade level. You will be provided with a class code, so you can "join the class". Edmodo is an educational website/app that is similar to Facebook, but it is only accessible to Conley students. I will be posting some videos of myself, Art lessons, and fun Art resources/activities.

Starting April 13th, I will be posting weekly Art lessons for my students. I will try to keep these Art lessons simple and fun, while still relating them to the State Art Standards.

Your child can complete these activities with supplies you already have at home. Any kind of paper and pencil or pen are fine. If you have crayons, markers, or colored pencils at home, you can use those, too. I want your child to participate, create, and enjoy the art making process. Have fun!

You can take a picture of your child's finished artwork and submit it on the Edmodo class site.

If you have any questions, please e-mail me at wilcox@leonschools.net, or you can send me a message through FOCUS, or REMIND, or leave me a message at the school.

Thank you so much! ❤️, Mrs. Wilcox, Art Teacher
