- Information about the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher as well as the field of discipline for the certification or degree.
- Information about whether the child is provided services by paraprofessionals and, if so, their qualifications. If you would

like to receive the information above, please complete the top portion of the enclosed form and return it to your child's school.

In addition, you may request the following information about state assessments from your child's school: • Information about

the level of achievement and academic growth of your child, if applicable and available, on each of the state academic
