

## Directions:

1. Find an empty toilet paper roll.
2. Complete the Covid Capsule *wrap* cover and *wrap* (information) sheet below. \*To personalize it, please add color and individual drawings on the cover and back of the info sheet.
3. Cut the sections apart. Follow the scissor marks.
4. Glue or tape the cover around the outside of the roll. Roll up the information sheet & place it inside of the roll.

Place in a memory box or other location where it can be found later.

# Covid Capsule

My life during the Corona Virus Pandemic 

Where do you live?

What will you remember about this time?

How has the virus affected your life?

What has been your favorite activity during this time?

How old are you? What's the day/year?

What is the cost of major items?

What is school like now?

Milk?

Gas?

What worries you?

Describe our world's situation in one word.

On the back, please either write a paragraph about your life during this time and/or draw pictures to represent you and this time frame.
