

ARE YOU WORRIED ABOUT A STUDENT?

Life can be stressful, even for kids. Build the confidence to talk with a student who you're concerned about.

At-Risk for Elementary School Educators

Recognize when a student is in distress, initiate a conversation with a student about your concerns, and connect parents and students to support services.

TO ACCESS THIS SIMULATION:

1. Visit florida.kognito.com
2. Log in or create a new account
3. Launch *At-Risk for Elementary School Educators*

These simulations are made available to participating PK-12 schools in Florida by the Florida Department of Education.
