

# ARE YOU WORRIED ABOUT A STUDENT?

Life can be stressful, even for kids. Build the confidence to talk with a student who you're concerned about.

## At-Risk for High School Educators

Recognize when a student is in distress, initiate a conversation with a student about your concerns, and connect parents and students to support services.

### TO ACCESS THIS SIMULATION:

1. Visit [florida.kognito.com](https://florida.kognito.com)
2. Log in or create a new account
3. Launch *At-Risk for High School Educators*

These simulations are made available to participating PK-12 schools in Florida by the Florida Department of Education.
