Please explain the rationale for delivering the instruction in the courses selected above for each grade level.

Rationale for delivering instruction for the identified subject areas in grades 6-12:

- Science – all students are enrolled in a science course.
- Elective Course – School and grade level specific required elective courses that all students are enrolled.
- Designated class period (I.e. second period) - to ensure that instruction is presented to all students.

Virtual school students will complete the Mental and Emotional Health requirements during their English/Language Arts course; all virtual school students are enrolled in an English/LA course.

Please describe the methods for delivering the instruction for each grade level.

Leon County Schools are utilizing the following methods of the delivery for all 6-12 grade level students.

- Teacher-led whole-group and small-group direct instruction
- Digital Online

Please describe the materials and resources that will be utilized to deliver the instruction for each grade level.
