problem

solution

## CLUE WORDS

- since
- question/answer
- because
- this leads to
- therefore
- as a result
- solved by
- one answer is

### **EXAMPLE:** Reduce, Reuse, Recycle

The huge amounts of waste made by people every day is very bad for our natural environment. One answer to this problem is to recycle. Things like cans, bottles, cardboard, and paper can be tossed into a recycling bin. Therefore, they can be remade into a new product. This is just one simple way you...
