

MRS. KRAMM'S  
CLASSROOM

WELCOME TO  
5TH GRADE!!!

Parents and Students,

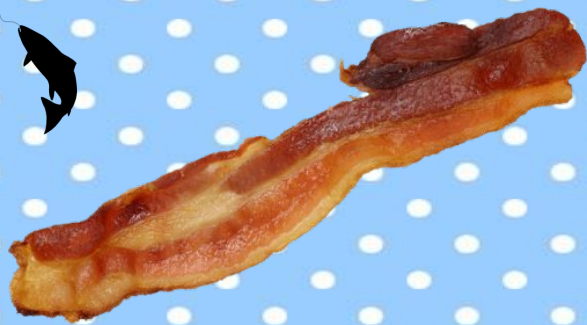

I am so glad to have you in my class this year! This is my second year teaching 5th grade at Fort Braden! I completed my undergraduate studies at Florida State University, where I earned a Bachelor's Degree in English and Editing, Writing and Media. I am a diehard Florida State fan, love sports and enjoy spending time with my family and friends.

I can't wait to have a great year and prepare you all for the challenges of middle school :)

***Meet Mrs. Kramm***

SOME OF MY FAVORITE THINGS

I ❤️ 🐾

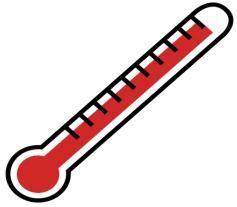

FS

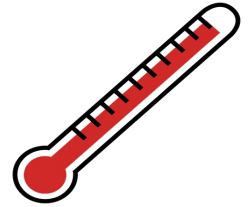

# SEVEN STEPS TO BEING SUCCESSFUL IN 5TH GRADE

- 1.) Be Respectful
- 2.) Be Prepared
- 3.) Stay on Task
- 4.) Behave properly in line
- 5.) Keep hands, feet and objects to yourself
- 6.) Follow directions the first time they are given
- 7.) Speak with permission

## Temperature Check Procedure

Every student upon arriving to our campus whether by bus or car, will have their temperature checked prior to being allowed into the building. Students with temperatures of 100 degrees or more will not be allowed to enter the building and will NOT be able to return to school until they have been fever free for 72 hours.

## Brick and Mortar and Digital Academy Attendance Policy

Dear Parents,

Attendance for both Brick and Mortar and Digital Academy will be taken every day. Our Brick and Mortar student's attendance will be taken as normal. Elementary teachers will be taking attendance each morning and Middle School teachers will be taking attendance at the beginning of each period.

If your student will be at home learning through our Digital Academy, it is encouraged that your student log on during their scheduled time for real time learning by their teacher(s). Teachers will have a log when your students log on, the time they logged on, and the amount of time spent on the Canvas for the day. Your student's teachers will then take attendance according to that log. If your student does not sign in to Canvas during a school day, they will be marked absent by 4:15PM, which is the end of the school day.

For our Digital Academy students, please communicate with the school if there was a situation that prevented your student from logging on during the school day.

If you have any questions, please contact Kari Crowder or Darren Wallace.

Sincerely,

Fort Braden School Administration

# Breakfast, Lunch and Transitional procedures

## Breakfast Procedures:

1. Students will start to arrive at your door at 7:50 a.m.
2. Breakfast will be eaten in classrooms upon arrival

## Lunch Procedures

1. 5th grade students will have breakfast and lunch delivered to their classrooms.

## Elementary Transitions

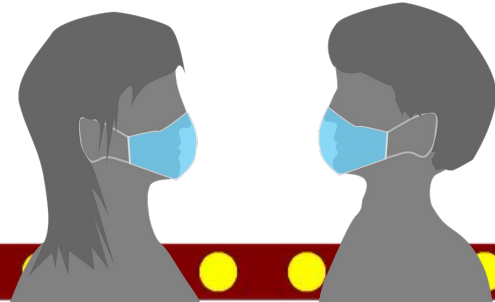

1. K-5 students will transition once daily to physical education from their self-contained classrooms. We will place marks on the sidewalk outside of classrooms 6' apart to aid in lining students up.

# Types of face coverings

Types of face coverings can include a cloth mask or medical-grade masks (e.g., surgical face masks, N95 respirators). A face covering must cover the nose and mouth completely. Any mask that incorporates a valve that is designed to facilitate easy exhaling, mesh masks, or masks with openings, holes, visible gaps in the design or material, or vents are not sufficient face coverings because they allow droplets to be released from the mask.
