

COMPARE & CONTRAST

is it the same or different?

When I **COMPARE**

I find what is the **SAME**

I use words like

BOTH & SIMILAR

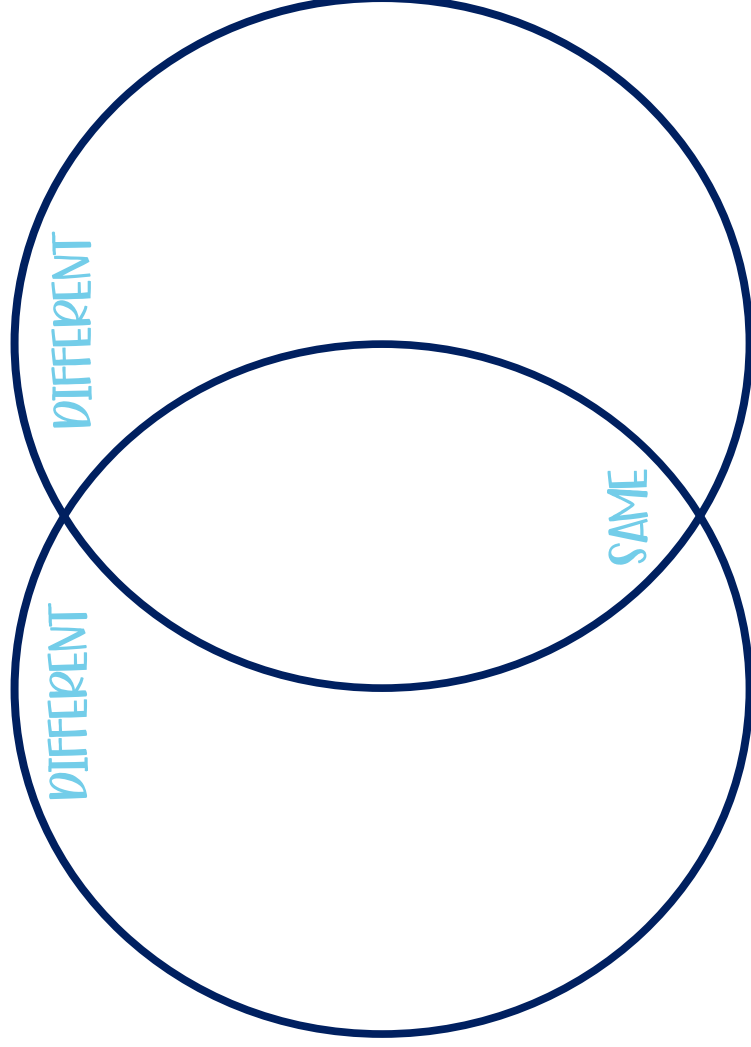

When I **CONTRAST**

I find what is **DIFFERENT**

I use words like

INSTEAD & ALTHOUGH

COMPARE	CONTRAST
<ul style="list-style-type: none">• as• both• alike• too• similar• similarly• same• in common	<ul style="list-style-type: none">• differ• however• but• unlike• even• though• instead

They are the same because they both _____. However they are different because _____.
