As you can see, we have several field trips planned for the upcoming year. The State of Florida and LCS have updated its requirements pertaining to parent chaperones on school field trips. The new **STATE** regulations require parents who are chaperoning be fingerprinted prior to being approved to go on fieldtrips. Fingerprinting will be done at the school district office on West Pensacola St., will cost \$61 (for a 5-year permit) and approval times can take up to 6 weeks. Please do not wait until there are 2 weeks left before a field trip and expect that you will have time to get set up. Get set up early this year so you can participate in the fun.
