

COVID-19 FACE COVERING POLICY

Rationale: **EVERYONE** on campus always has a shared responsibility and expectation to protect the safety and health of **ALL** occupants. As per the Centers for Disease Control and Prevention guidance, cloth face coverings have been proven to reduce the spread of Covid-19 when used by people in public settings. Cloth face coverings worn over the nose and mouth, serve as a protective barrier to prevent respiratory droplets from traveling into the air and onto other people when a person wearing the cloth covering coughs, sneezes, or talks. To protect the **SAFETY** and **HEALTH** of **ALL** students, faculty and staff on campus, face coverings will be required, and the following Covid-19 Face Covering Policy will be implemented and enforced during the 2020-2021 school year.
