## **FOREWORD**

This handbook is to be used in conjunction with Leon County Schools' Code of Student Conduct and the High School Attendance Policy which are distributed to all students at the beginning of the school year. These documents have been prepared so that all students and parents may better understand the expectations for Lincoln High School students.

All students are expected to control their own behavior and conduct themselves in a mature manner, and all students will be held responsible for their behavioral choices while participating in school activities. Disruption of the educational process causes everyone to lose valuable time and opportunities. It is our goal that all students live up to the ideals of good citizenship.

## **TRADITIONS**

### **SCHOOL COLORS & EMBLEM**

When Lincoln High School opened in September 1975, the entering students chose green and gold as their school colors, signifying youth, vigor, merit, honor, and wisdom. The Lincoln mascot is the Trojan, which signifies personal strength, loyalty, courage, and leadership.

### **ALMA MATER**

With our colors waving high,  
We keep that faithful pride.  
And forever we'll stand by  
Our days at Lincoln High.  
Our school so bright in the sun-light sky  
Stands proudly in our eyes.  
The friendliness that we all share  
Lives on at Lincoln High.  
Our school spirit fills our hearts  
Forever true and bold.  
And our fondest days will always be  
With the mighty Green and Gold.

## VISITORS

Lincoln High School welcomes parents and community volunteers to its campus. To ensure the safety of our students and staff, visitors must report to the Main Office and present their driver's license immediately upon entering the building to sign in and receive a visitor's pass. Visitors on our campus not following the proper procedures will be considered trespassers and treated accordingly.

# ACADEMICS AND CURRICULUM

## ACADEMIC INTEGRITY

The NHS Honor Code states that students shall not lie, not steal, not cheat, or in any way contribute to the destruction of the campus, respect all others, and inform proper authorities if it is known that part of this Honor Code has been broken.

Whenever it is determined that a student has violated the Honor Code, the teacher may use one or more the following procedures:

- Collect all fraudulent work and issue an "F" for all such work.
- Record a "1" in conduct for the nine weeks grading period.
- Notify parent and office of the infraction and the action taken.

## GRADING SYSTEM

The grading system used at Lincoln High School for all grades including examinations and the interpretation of these letter grades is as follows:

Grade	Percent	GPA Value
A	90-100	4
B	80-89	3
C	70-79	2
D	60-69	1
F	0-59	0
I		-

Semester grades for each course (With the exception of courses that require an End of Course Exam) are determined by totaling the points earned for each of the two nine-weeks grading periods and the points earned on the semester examination (see *chart below*).

Grade	Grading Period	Sem. Exam	Semester Grade
A	8 points	4 points	18-20 pts = A
B	6 points	3 points	13-17 pts = B
C	4 points	2points	8-12 pts. = C
D	2 points	1 point	3-7 pts. = D
F	0 points	0 points	0-2 pts = F

A student earning three (3) or more grade points during the first marking period **must earn at least one (1) additional point in order to earn credit for the semester.** \*Should a student earn no additional points, the final grade average for the course for the semester will be an "F."

### GUIDELINES FOR COMPUTER USE

Activities must support education activities consistent with the educational goals and policies of the Leon County School District. The use of the Internet and automated systems (mainframe, network, or workstation-based) is not a right, but a privilege, and inappropriate use will result in cancellation of that privilege. School administrators will define inappropriate use based upon guidelines, standards, policies and prudent judgment. User accounts shall be assigned or closed at the direction of the site or program administrator. A signed access use form must be on file for all users prior to using computers.

The person in whose name an account is issued is responsible for its proper use.

Unacceptable uses of the network include:

- violating student or staff rights to privacy
- using profane, obscene or offensive language, graphics or other forms of communication
- use of school system technology resources in support of private or personal businesses; (business partners or interagency agreement agencies may be an exception)
- misuse or sharing of passwords
- reporting personal communications, e-mail or faxes, or using personally identifiable information or individually owned or copyrighted material (this includes pictures, artwork, & products) without the author's (or parent/ guardian's) prior consent

Use of another individual's account (password) is a security violation. Attempts to log on as another user will result in cancellation of privileges and notification of the responsible administrators. An individual should never log another user on to the system. Any user identified as a security risk or having a history of problems with other computer systems may be denied access to all or part of the network.

Users are not to use computers and Internet access for personal or non-school-related purposes, including e-mail and social networking sites such as Facebook and MySpace. Any posting to a social networking or other site that causes a disruption at school or qualifies as cyber-bullying will result in disciplinary action.

Users are to store only school-related files in their assigned network folders. Student files are removed at the end of each school year.

Violation of school and district computer use guidelines will result in disciplinary action.

## **MEDIA CENTER**

The Media Center or eLab will be open from 7:00am – 3:00 pm for students to use information resources or study quietly. During regular school hours, students are required to have their agenda book signed by a classroom teacher as a pass to the Media Center.

To borrow materials, a student must have either a school ID or driver's license. A new student ID is issued at the beginning of each school year. IDs may be replaced in the Media Center for \$5.

The loan period for books from the general collection is two weeks. Reference books may be borrowed overnight. Lost items must be paid for. A fine of five cents per day is assessed for overdue items. No additional materials may be borrowed until overdue items are settled.

Students may use computers in the Media Center if they have a signed Internet Permission form on file in the Media Center and an active school network account

Access to Media Center Resources from home is available at: [www.leonschools.net/lincoln/media](http://www.leonschools.net/lincoln/media).

## **SCHEDULING**

Students have the opportunity to select their courses, with teacher and parent approval in March. Changes can be made in May and July. Any changes during the school year will be made during the first two weeks of each semester for the following reasons:

1. The student has already received credit for the class.
2. The student is a senior and needs a certain credit to graduate.
3. The teacher recommends a change.

The principal or his/her designee makes the determination based on other valid reasons.

## **Scholarship Information**

Scholarship information is available in the guidance office. Students and parents are encouraged to use the career resource center to gather scholarship information on the Florida Bright Futures Scholarship Program as well as other scholarship programs. For more information, visit the guidance webpage at [www.leonschools.net](http://www.leonschools.net) or call 487-2113.

## **ATTENDANCE**

Florida law requires each parent of a student from five to sixteen years of age to be responsible for the student's school attendance. Students who have attained the age of 16 years and who have not graduated are subject to compulsory school attendance until the formal declaration of intent to terminate school enrollment is filed with the district school board by the student or parent/legal guardian of a student who is less than 18 years of age.

## **ABSENCES**

Florida Statute 1003.24 defines the responsibility of parents for the attendance of their child at school and requires them to provide an explanation for any absence from school. Rationale must be provided the morning the student is absent or within 24 hours of their return. Failure to provide notification will result in an unexcused absence.

*Absence* is nonattendance of a student at school or in an approved educational activity/field trip or program on days school is in session. A student who is not physically present at school or not participating in an approved school activity as defined under the compulsory school law shall be counted absent and shall not be recorded as in attendance on that day.

Absences are allowed for illness and medical care, death in the family, religious holidays, prearranged absences for educational purposes approved by an administrator, and/or financial and certain other special circumstances and insurmountable conditions. A student with an excused absence is not subject to any disciplinary or academic penalties.

*Unexcused absences* are absences which are not used for the legitimate purposes described above. For each class in which the student has four (4) or more unexcused absence(s), a grade of "F" will be assigned for that grading period.

Students who arrive more than ten (10) minutes after the start of a class without a valid excuse shall be recorded as late and given an "F" for the purpose of the daily grade. A "late" is recorded as an unexcused absence.

If a student has unauthorized absences sufficient enough to jeopardize academic progress and it is determined that the student's parent or legal guardian is at fault for the absence, in accordance with FS 1003.24, the procedures under FS 1003.26 and 1003.27 shall be followed by the appropriate school personnel.

Parents or guardians must notify the Attendance Office and provide supporting documentation as soon as they become aware of the possibility of extended absences from school.

## **HALL PASSES**

If students are not in a classroom during a class period they are responsible for having the agenda book, signed by the teacher designating the student's destination and time of departure.

All students in the hallways or on the campus without such permission will receive the appropriate consequences.

## **MAKE-UP ASSIGNMENTS**

Students who have an *excused absence* shall make up any missed assignments. The length of time within which assignments may be made up will be determined by the extent and nature of the absence. The teacher will offer every reasonable support and understanding to the student regarding make-up assignments. It is the student's responsibility to obtain and complete all missed assignments or make-up work.

The student should check with the teacher upon his or her return to school, and it is the student's responsibility to confirm the make-up assignments with each teacher. Failure to make up assignments within the allotted time frame may result in a failing grade.

A student with an *unexcused absence* shall make up assignments and may receive an "F" for the daily grade.

A student who receives an Incomplete (I) for a grading period has two weeks to make up all assignments. After two weeks the Incomplete becomes an F. Exceptions can be granted by the Principal.

A student who has been suspended shall be given the opportunity to make up assignments with the decisions on make-up work for any subsequent suspension to be determined by the administration.

## **SIGNING IN AND OUT OF SCHOOL**

Students may not leave campus during school hours without signing out in the Attendance Office. Permission to leave campus (such as for medical appointments, illness, etc.) will be given only with parent/guardian authorization.

All students who return to school after checking out must sign in at the Attendance Office. A student who leaves campus during class time without signing out will receive unexcused absence(s) for the time he/she is out of class.

## **TARDINESS**

A student who arrives unexcused to class up to 10 minutes after the bell scheduled beginning time shall be recorded *tardy*. Four tardies shall equal one late (which is recorded as an unexcused absence).

Students who arrive more than ten (10) minutes after the start of a class without a valid excuse shall be recorded as late and may be given an "F" for the purpose of the daily grade. A "late" is recorded as an unexcused absence.

For each class in which a student has four (4) or more unexcused absence(s), a grade of "F" will be assigned for that grading period.

A parent/guardian may request an attendance conference within ten (10) days of the fourth absence or late.

Lincoln student/athletes participating on any athletic team are governed by all F.H.S.A.A rules and Leon County policies and guidelines which are published in their respective manuals. In addition, Lincoln utilizes an additional system of communication between coaches that encourages all students to remain on their respective teams for the duration of their seasons. However, should a student decide to quit one sport before that sport concludes, he or she would not be allowed to participate in another sport until the conclusion of the sport that he/she quit unless released by the coach of the first sport. The only exception would be an injury that prevented a student from participating in a contact sport (i.e. football) but receives medical clearance to play in a non-contact sport(i.e. baseball).

Coaches have discretion in the selection of team members participating in Lincoln athletics or on teams/clubs consisting of Lincoln students participating outside of the Leon County Athletic program.
