

“Deployed Troops Care Package Drive”

Each year, in connection with the 7th grade All American Heroes Rally that celebrates our Veterans and Military Personnel, Deerlake Civics Teachers offer their students a chance to “take action” to help those who fearlessly fight for our freedoms. Unfortunately, we will not be able to hold our Rally this year, but we would still like to honor those we so respect for serving our country. We will be collecting supplies that our Seventh Grade Civics Students will organize into Care Packages and prepare for shipping to American Troops in Afghanistan. These care packages will be delivered to the troops just in time for the holiday season. This is our chance to really make a difference in the lives of others during this special time of the year.
