

**Conley Elementary**  
**SAC Meeting Minutes**  
**Via MS Teams @ 5:30 pm**  
**March 23, 2021**

**Meeting attendance: J. Koerner, L. Swanagin, J. Lynn, S. Webb, K. Glenn**

**I. District Advisory Council Update**

Ms. Swanagin forwarded January and February meeting notes (see attachment). Ms. Swanagin also shared past meetings notes on budget sessions, safety concerns, the increase of Early Learning in Pre-K, and the voucher expansion. Charter school and Mental Health was also a major focus in past meetings.

**II. Construction**

Mr. Koerner discussed that construction has begun to remove all stucco and will be replaced with metal paneling the same color as the previous stucco. Teachers have been able to maneuver around the construction zones. We are looking forward to the project completed this summer. The Construction Company said they would shut down completely for testing, if needed.

**III. COVID**

Mr. Koerner has allowed teachers to leave during the day to be vaccinated. The COVID positivity rate has decreased to 3% in the county. We still must be vigilant and continue to practice social distancing, wearing masks, and frequently washing hands. CDC has reduced the quarantine period from 14 days to 10 days and LCS will follow this recommendations from the CDC. Additional tables were added to the cafeteria to provide seating for students that have returned to brick and mortar while students are still practicing social distancing.

**IV. Data/Testing Update**

Students are enjoying the AR challenges to increase reading outside and inside the classroom. 2<sup>nd</sup> – 5<sup>th</sup> grade has implemented Standard Mastery Test to assist with answering a variety of FSA type questions. Following the tests, teachers review tests and testing strategies to use to answer questions.

IReady math data is showed an increase from the Fall diagnostic test results of 24% of the students being at grade level to Spring diagnostic test results 44% of the students being at grade level.

IReady reading data showed an increase from the Fall diagnostic test results of 38% of students being at grade level to Spring diagnostic test results showing 56% of the students being at grade level.

3<sup>rd</sup> grades' IReady data shows only 7% of students being 2-grade levels behind

Testing procedures and testing dates were sent out last week to parents.

All in-person testing – The state has decided all testing will be at school. Digital Academy students will remain 6 feet apart and will utilize the exit doors on campus.

## **V. Questions/Comments**

Are virtual students included in the IReady data? Mr. Koerner responded that virtual students were included. About 10% of the students did not take the test.

What measures have been put in place for student's progression? AR celebrations, Standards Mastery Testing, and IReady. Teaching two standards a week in isolation.

Will students be required to continue module learning in Canvas in the future? Schools will not host digital academy next school year.

The SAC committee recognized and appreciated Mr. Koerner's communication with all stakeholders.

Meeting adjourned at 5:53 pm
