CELL PHONES AND ELECTRONIC DEVICES

Upon arrival on SCMS campus, student personal cell phones and electronic devices including wireless headphones, ear pods, and ear buds, **must be turned off, out of sight and stored in student backpacks until 3:50pm.** LCS provided laptops/Chromebooks are to be used under teacher supervision. **All students are expected to have plug-in headphones/ear buds with them at all times to use with LCS provided device.**

Students who violate this policy shall be subject to established disciplinary measures. School employees shall confiscate any cell phone or electronic device visible, heard, or used during the instructional day without teacher/staff permission. All confiscated phones or electronic devices will be turned in to the front office, labeled with the student's name. A phone call will be made to the parent to retrieve the cell phone from the front office. **Parents should not call/TEXT their child's cell phone during the school day. All contact should be made through the front office phone (850-414-2670).**

DRESS CODE POLICY

DRESS CODE AND GROOMING – LCSB POLICY 5511

A student's apparel and grooming shall be the responsibility of the individual student and his or her parents/guardians. Each student is expected to dress appropriately in such a manner that is respectful to self and others.

Dress and grooming shall be clean, healthy and safe, and shall not be permitted to disrupt the teaching and learning environment. Items of apparel that when worn together are usually indicative of gang memberships or apparel that contains a message that is obscene or promotes illegal activities, drugs, discrimination, alcohol, or tobacco products shall not be permitted on school grounds or at school sponsored functions.

The Swift Creek Dress Code is designed to promote safety and good hygiene as well as give students the convenience of dressing comfortably while at school. **Please help us by ensuring that your child's attire meets our dress code each day.**

Amended Dress Code 21-22

- **Clothing should be modest. Clothing should be well fitting, not exposing breasts, back, stomachs, or buttocks and must be free of advertisement/images of drugs, alcohol, gang reference, sexually suggestive language, or violence,**
- **No undergarments should be seen at any time.**
- **Hats or hoods are not to be worn in the hallway or outside unless administrative permission is given due to weather conditions.**
- **Specialized attire will be allowed if it is part of cultural attire or cultural activity, is a religious uniform, or needed for medical reasons. Exceptions may be made for game, practice, or P.E. uniforms under the supervision of the appropriate coach and/or sponsor.**

If your child's attire does not conform with these guidelines, you will be asked to bring them clothing that fits within our dress code.

Any administrator or designee shall make the determination concerning questions regarding the appropriateness of dress for school and for school sponsored functions.

DRESS CODE DISCIPLINARY ACTIONS

Our school is committed to consistent and fair implementation of the Dress Code Policy. Students who dress in a manner inconsistent with the approved Dress Code Policy will be sent to the Student Services office and will be required to make the necessary change(s) to be in compliance. If a change of clothing is not available, the student will be sent to OFI for the remainder of the day. The 3rd Dress Code violation will result in a Class 1.14 Discipline Referral.

STUDENT SERVICES

The mission of the Student Services Department is to “help students focus on academic, career, and social/emotional development so they achieve success in school and are prepared to lead fulfilling lives as responsible members of society” (school counselor.org). Counselors provide academic planning and goal setting; classroom lessons; short-term counseling to students (conflict mediation, crisis counseling); and collaboration with families/teachers/administrators/ community. Counselors work closely with the school psychologist, school social worker, behavior specialist, staffing specialist, and school resource officer. The office number is 850-414-2666.

CONFERENCES

If a student or parent has a question or concern specific to a particular teacher, they are encouraged to contact that teacher directly, via email and/or voicemail, before requesting a conference. Conferences may be requested by teachers, parents, administrators, counselors, or students. Parents should contact their child's school counselor (Griggs, A-L, Lovern, M-Z) to arrange a team conference with teachers; it is our policy to invite all teachers. Conferences are scheduled to begin at 8:30 am. Conference dates are limited so we appreciate your promptness and involvement. Students are expected to attend their conference, so they can provide valuable feedback and take part in creating their academic plan.

HEALTH/CLINIC

ILLNESS AT SCHOOL: If a student becomes ill or is injured at school they will be sent or taken to the clinic. In the event of a significant illness or injury the parent/guardian will be notified immediately. For this reason it is very important to keep contact numbers in FOCUS up to date. When necessary 911 will be called to activate EMS. If a student presents to the clinic with a fever (100+), a persistent cough, vomiting, or diarrhea a parent/guardian will be called to pick up the student within the hour for the protection of all students and the well-being of the sick student.

WHEN TO KEEP YOUR CHILD HOME: Please keep your child home if they are experiencing frequent coughing, vomiting, diarrhea, persistent pain, widespread rash or oozing skin infection that can not be covered. Students will need to be symptom free for 24 hours to return to school.

MEDICATIONS: Student are not allowed to have in their possession medications of any kind for their own safety and the safety of others. Lifesaving medications such as an EPI pen or inhaler may be carried once a “Permission to Carry” form is on file in the clinic. Appropriate forms for all medications are available in the clinic or may be found here:

STUDENT PROGRESSION PLAN & PROMOTION REQUIREMENTS

A sixth grade student must have a final passing grade in 2 out of 4 courses, which must be in the areas of Language Arts, Mathematics, Science, or Social Studies, to be promoted to the seventh grade.

A seventh grade student must have a final passing grade in 2 out of 4 core seventh grade courses, which must be in the areas of Language Arts, Mathematics, Science, or Social Studies, AND the required sixth grade courses in order to be promoted to the eighth grade.

An eighth grade student must have all four core courses (Language Arts, Mathematics, Science, and Social Studies), passed in sixth, seventh and eighth grade in order to be promoted to the ninth grade.

School Board Policy 5410, Student Progression, clearly define student progression requirements. These documents can be found by visiting the following site: <http://www.neola.com/leon-fl/>

GRADING SYSTEM

<u>Grade</u>	<u>Percent</u>	<u>Qty Pts</u>
A	90 - 100	4
B	80 - 89	3
C	70 - 79	2
D	60 - 69	1
F	0 - 59	0

A minimum of 1 quality point (D) must be earned in each course during the second semester in order to pass the course.

MINIMUM COURSE REQUIREMENTS

All students take four, 50 minute classes per day of language arts, social studies, science, and math. These are called “core academic classes”. All students in sixth, seventh, and eighth grades are also required by Florida Statute to take at least one semester of physical education (PE) each year. The student can opt out of this required PE semester with another elective with parent signatures. Swift Creek students in sixth grade take one semester of Alpha Success. The other semester will be a student choice elective. Seventh and eighth graders take the four core academic courses, one elective, and PE unless a second elective is chosen to replace the PE requirement. If remediation is required (based on FSA ELA), an intensive reading class may be scheduled in lieu of an elective course.

HONOR ROLL

The school recognizes all students on the "A" and "A/B" Honor Roll. The "A" Honor Roll can only be obtained if a student earns an "A" for every course during a 9-week grading period. The "A/B" Honor Roll can be obtained by earning any combination of "A"s and "B"s, and no more than one "C".

END OF COURSE EXAMS (EOC)

Students enrolled in Civics, Algebra 1, Biology, and/or Geometry will be required to complete an end-of-course (EOC) assessment. Students will be held accountable for the content taught over the entire school year. The Algebra 1 EOC is the only one of these assessments for which students are required to pass the test in order to be awarded the credit for the course. Note that it is possible for a student to earn a passing grade in Algebra 1, leading to middle school promotion, yet not earn credit for the course. To earn the high school credit for Algebra 1, the student must then retake the assessment at a time specified by the Florida Department of Education. The Algebra 1 EOC score will account for 30% of the final grade. The EOC assessments for Biology and Geometry do not determine pass/fail status, but do also account for 30% of the final grade for each course. Civics is a required middle school course, and thus all students will take the EOC. It also accounts for 30% of the final grade.

FOCUS

FOCUS is a web-based management program that makes it possible to monitor student progress. After receiving your user name and password, go to <http://www.leonschools.net/parentportal>. If you have difficulty accessing the portal, contact PortalHelp@leonschools.net. SCMS is taking steps to move to a paperless environment. **Progress reports, report cards, and test scores will not be printed and sent home.** You can access your student's attendance, grades, test scores, school schedule, upcoming assignments, and district and schol information through FOCUS. You may also make changes to clinic cards, contact information, addresses, immunizations, internet access, FERPA, and yearly updates.

ACADEMICALLY REQUIRED FIELD TRIPS

All students will be able to attend academically required field trips for courses in which they are enrolled. These trips are based on the course standards and/or district/state mandates and are an academic requirement.

ENRICHMENT FIELD TRIPS

Academic Guidelines: Students must have earned all quality points on the previous nine weeks report card. Students in grade recovery (PLATO) for any course will not be able to attend an enrichment field trip.

Behavior Guidelines: Students will not be able to participate if they receive more than one referral during the semester the trip is occurring. Students will not participate if they receive more than one Class 2 referral or any Class 3 or Class 4 referral during the school year. Any student receiving more than 4 referrals in the school year will not be allowed to attend field trips.

***D.C. TRIP SPECIAL REQUIREMENTS:** All students must have a 2.0 GPA for the 4th nine weeks of the previous school year and the 1st nine weeks of the current school year. Students will not be able to participate if they receive more than one referral in the past two grading periods prior to the trip (includes the 4th nine weeks of the previous school year and the 1st nine weeks of the current school year)

***BRIDGE FIELD TRIP REQUIREMENTS** (in addition to behavior guidelines): Students must earn a "B" in the first quarter in each of their Bridge to AP courses or high school credit courses to be eligible for the Bridge field trip.

GRADE LEVEL TRIPS

Academic Guidelines: Students **must have** earned quality points for core classes by end of 3rd grading period (4 point in each class), 2.0 GPA from previous grading period, and must not be in PLATO grade recovery. **Students cannot have an F in any core class during the 3rd grading period.**

Behavior Guidelines: Students will not be able to participate if they receive more than one referral during the second semester. In addition, students will not be able to participate if they receive more than one Class 2 referral, any Class 3 or Class 4 referral during the school year. Any student receiving more than four referrals in the school year will not be allowed to attend field trips.

CHAPERONES

All parent chaperones are expected to ride with the school's method of transportation both to and from the field trip destination unless other arrangements have been made in advance with a school administrator. Chaperones are expected to supervise assigned students at all times during the field trip.

ATTENDANCE POLICY

ABSENCES

Absence is defined as nonattendance of a student at school or in an approved educational activity/field trip or program on days school is in session. A student who is not physically present at school or not participating in an approved school activity shall be counted absent.

The law allows absences for reasons listed below: under these circumstances, school policy regards these absences as excused. A student with an excused absence is not subject to any disciplinary or academic penalties.

Absences/tardiness shall be excused only for the following documented reasons:

1. Illness and/or medical care
2. Death in the family
3. Legal reasons
4. Approved religious holidays
5. Financial and/or other insurmountable circumstances
6. Curriculum-related field trips and/or functions approved by administration

Determination of whether an absence is excused or unexcused is the responsibility of an administrator or designee.

REPORTING AN ABSENCE

Parents are required to report a student's absence by calling 414-2670 the day of the absence. Written documentation is required to excuse an absence.

ATTENDANCE NOTIFICATION SYSTEM

It is the parent's responsibility to notify the school of any change in phone number. When a student is marked late or absent in a class, the computer system automatically generates a phone call to the phone number designated by the parent/guardian.

We believe that there is a direct correlation between student learning and consistent and prompt attendance in class. Thus, absences, whether excused or unexcused, affect academic performance and grades. Students and parents should understand that poor attendance will affect the student's opportunity to participate in any extracurricular activity or school sponsored event. If a student has an unexcused absence from school (4 or more periods) the student is then unable to participate in an after-school activity. If absences become excessive (10 or more within a nine weeks), the student may be removed from participating in extracurricular activities or school sponsored events.

EXCUSED ABSENCES PROCESS

Attendance Notification Forms are located on the Swift Creek website, in the front office and Student Services office. Complete and return to the front office with any required documentation within **five (5)** days of absence to be considered for an excused absence.

PREARRANGED ABSENCE

Attendance Notification Forms completed along with all other **supporting documents** are to be returned to the school front office at least **five (5)** school days **before** the absence. Students who anticipate an absence for an "educationally valuable experience" other than a field trip or school sponsored activity may receive an excused absence, if a parent/guardian's written explanation, following the above procedures are followed. When the student returns to school, a one-page student written summary of the educational experience must be turned in to the front office to complete the process of excusing the absence.

UNEXCUSED ABSENCES

An unexcused absence takes place any time a student is out of school for reasons not recognized in the law. In these cases, the child may be subject to academic penalties. Unexcused absenteeism sufficient enough to jeopardize academic progress is defined as a student being absent more than 5 days within a 30 calendar-day period or 15 days within a 90 calendar-day period. Examples of unexcused absences are shopping, haircut, piano lessons, missed bus, overslept, and truancy. Once the student meets the truancy level of 15 days of unexcused absences within a 90 calendar-day period, the district will be notified and the district will investigate the truancy issues (see TRUANCY below).

TRUANCY

A truant is one who is not in attendance, with or without approval of the parent or other person having charge of the student, and whose absence has not been excused. A habitual truant is a student who has fifteen (15) unexcused absences within ninety (90) calendar days with or without the knowledge or consent of the student's parent or legal guardian. Potential truancy concerns will be referred to a child study team to determine the need for further investigation. If it is determined that a pattern of truancy exists, the school will report the truancy to the Superintendent's office for further review per LCS District Policy.

ATTENDANCE POLICY CONTINUED...

LATE CHECK IN

Students who arrive after the tardy bell must report to the front office to sign in and receive an admit slip. Students may have tardies/absences excused by having parents/guardians sign them in and provide a valid excuse. Additionally, a note from a doctor's office or parent/guardian validating the tardy/absence must also be submitted.

EARLY CHECK OUT

All students leaving school prior to the end of the school day must sign out through the front office. No student shall be permitted to leave school, for the remainder of the day prior to dismissal, in the custody of a person other than a student's parents or guardian unless that person has the verified written or email authorization of one of the parents or guardian. **No student will be called out of class for early check out after 3:30 P.M.** All students leaving early must be checked out before this time unless it is a medical or legal emergency. **Parents should not call/TEXT their child's cell phone during the school day. All contact should be made through the front office phone (850-414-2670).**

EMERGENCY MESSAGES

Sometimes parents need to notify their child of unexpected changes in after school arrangements. Parents may call the front office at 414-2670 by 3:30 P.M. to leave a message for their child. Messages will also be conveyed to the teacher. We understand "emergencies" and know parents will take precautions so that the calls do not become routine. Students are allowed to call parents only if given permission by their classroom teacher. Since these requests disrupt valuable learning time, they are carefully screened and reserved for special needs or unusual circumstances only.

HOMEWORK REQUEST/EXTENDED ABSENCE

We encourage students to check teacher course Canvas pages where all teacher course information can be found. It is the student's responsibility to make up any work assigned by teachers during absences.

Pre-arranged absences for an educationally valid reason or an "educationally valuable experience" for up to 10 days may be approved or denied by an administrator. Any pre-arranged absence request exceeding 10 days must be approved by the appropriate district administrator.

TARDY POLICY

Students are considered tardy to class if they are not seated when the tardy bell rings, The tardy may be excused if the student produces a computer generated "tardy pass" from the front office or a written and signed pass from a faculty or staff member.

Unexcused Tardies:

1. Pass taken away; "**TARDY**" recorded in the "**TARDIES**" section of the student planner.
2. 2nd pass taken away; recorded same as above.
3. 3rd pass taken away; recorded same as above and highlighted; "**DETENTION**" assigned and recorded in "**TARDIES**" section of the Student Passport.
 - * Every tardy thereafter results in a detention; starts over every 9 week grading period.
 - * If student runs out of passes for 9 weeks, roll over to next nine weeks passes.
 - * 6th (and so on) detention becomes an automatic referral.

REASSIGNED/SCHOOL CHOICE STUDENTS

Students who display inappropriate behavior, who are consistently tardy, do not consistently attend school, or remain on campus after supervision has ended (4:20 PM) may be sent back to their home zone school, resulting in the revocation of their school choice status.

BEHAVIOR GUIDELINES

Swift Creek Middle School will work together to be a safe and caring learning community, where everyone is respectful of the rights of self and others. To benefit from the educational opportunities at Swift Creek, the administration, teachers, staff, parents/guardians, and students must work together to live with a consistent pattern of life as a community.

At the heart of our school family is respect for the rights of others, and the responsibility to live a life of self-discipline. In a free society, such as ours, rules and regulations must exist for the protection of everyone's rights. It is the student's individual responsibility to know and abide by these rules. It is the responsibility of parents and staff to provide guidance and direction, and enforce the rules for the good of our community.

CLASSROOM DISCIPLINE PROCEDURES AND STEPS

The purpose of classroom discipline information is to document disciplinary actions taken by the classroom teacher when a student violates Swift Creek Middle School discipline policies. In the event a student continues to break rules and regulations, the referring teacher will complete an electronic referral which will be emailed to an administrator who will issue the appropriate disciplinary action as outlined in the Swift Creek Middle School Progressive Discipline Plan.

The teacher will maintain discipline information on all their students through FOCUS. The teacher will document the behavior infraction, date, and type of disciplinary action taken at each step (a single incident may result in documentation of more than one offense) occurring within their classroom:

1st Step: Warning (Verbal warning, discipline log, Conference with student)

2nd Step: On the Phone and Other Intervention (call/email parent or guardian, discipline log, educative timeout, etc.)

3rd Step: Lunch Detention (Parent contact via phone/email, discipline log, lunch detention, educative timeout, other intervention if needed)

4th Step: Student Services (call home and a possible referral)

The Swift Creek Discipline Plan categorizes referral violations into four classes. It begins with Class 1 Offenses, the less major offenses that disrupt the school day; progresses to Class 2 Offenses, which are divided based on severity; and then to the Class 3 and 4 Offenses, many of which are to be implemented by the faculty, staff, and administration.

The offenses listed are not all inclusive and a student committing an act of misconduct not listed will, nevertheless, be subject to the discretionary authority of the principal. Documentation of all referrals is maintained electronically using FOCUS.

OFI (Opportunity for Improvement) / OSS (Out of School Suspension)

OFI:Detention to an on-campus location may be arranged by administration or designee. Parent notification will be attempted, and the student will be permitted to continue academic progress while serving the detention. It will be up to the student to complete all assignments and return them to the appropriate teachers. Students may perform lunchroom/campus tasks under the supervision of school personnel during that time.

OSS:Suspension off-campus may be arranged by administration or designee. Parent notification will be attempted, and the student will be permitted to continue academic progress while serving the suspension. It will be up to the student to complete all assignments and return them to the appropriate teachers.

Students in OFI/OSS or pending OFI/OSS may have school privileges withheld by administration or designee. These may involve co-curricular activities, school social events, and other school functions, including, but not limited to, field trips. The consequences of not cooperating in OFI is OSS.

POSITIVE BEHAVIORAL INTERVENTION AND SUPPORT

HOWL OUT

Howl Out is part of the SCMS Positive Behavioral Intervention and Support (PBIS) that rewards students by providing Friday recreational time with peers earned by being prepared and planner completion.

PBIS is a support system that is provided to students to increase positive behavior and to establish a positive school culture which impacts school safety and academic performance. The PBIS plan is implemented by a team of administrators, faculty and the school behavioral specialist. The team meets monthly to develop methods of encouraging positive behavior on campus and to review discipline data to identify problem areas in need of intervention.

Preparation expectations are communicated to students within the classroom.

If a student remains on the week's "No Howl Out" list by SCMS faculty or staff for failure to complete their planner or be prepared for class, the following consequences will occur per semester:

Each occurrence: The student will attend "No Howl Out". If a student is given No Howl Out 3 times or more during the 9 weeks they are not allowed to attend Super Howl Out at the end of the 9 weeks.

If a student fails to attend "No Howl Out" when assigned they will receive a discipline referral for skipping class.

HOWL OF FAME

Swift Creek started a new initiative during the 2015-16 school year that honors students for making the right choices throughout the year. Students displaying respect, responsibility and other positive character traits on campus are awarded a Howl of Fame ticket and receive a special surprise each 9 weeks. A weekly winner is also drawn and receives special recognition. Students are nominated by a teacher or staff member for their good deeds. Please be a part of the Howl of Fame this school year!

STUDENT INTERNET POLICY

Leon County Schools

Guidelines for Internet and Network Use

Internet Activities must support education and school operations consistent with the educational goals and policies of the Leon County School District.

The use of the Internet is not a right, but a privilege, and inappropriate use will result in cancellation of that privilege. School administrators will decide what is inappropriate use based upon guidelines, standards, policies, and prudent judgment. Student laptops/Chromebooks are the property of Leon County Schools (LCS) and under LCS supervision.

Persons Using Leon County Schools Internet or Network Must be Properly Authorized

The signed Student Internet Use form is to be completed as part of the initial registration of students. The signed forms must be maintained on file at the school or department site where the form was first completed. User accounts shall be assigned or closed at the direction of the site or program administrator. It is the site administrator’s responsibility to have a signed access use form on file or in FOCUS. **Parents are responsible for contacting their child’s school regarding updates or changes.**

Proper Use and Network Etiquette

Students are expected to abide by the generally accepted rules of network etiquette. These include (but are not limited to) the following:

- a. Refrain from behavior or activity that damages or disrupts network performance.
- b. Maintain the security of the network by keeping information, especially passwords and account numbers, private.
- c. Use the network for approved legal activities which have educational relevance.
- d. Honor all rules of copyright and personal property.
- e. Avoid the knowing or inadvertent spread of computer viruses.
- f. Use only acceptable appropriate language. Avoid offensive or inflammatory speech.

Inappropriate use includes, but is not limited to, those that violate the law that are specifically named as violations in this document or that violate the rules of network etiquette or that hamper the integrity or security of this or any network(s) connected to the Internet.

Violation of Law

Transmission of any material in violation of any international, U.S., or state law is prohibited. This includes, but is not limited to: copyrighted material; threatening, harassing or obscene material; or material protected by trade secret. Any attempt to break the law while using a Leon County School Internet account or while connected to the Internet through a Leon County School Internet Protocol (IP) address may result in litigation against the offender by the proper authorities. If such an event should occur, Leon County Schools will fully comply with the authorities to provide any information necessary for the litigation process.

STUDENT INTERNET POLICY CONTINUED...

This includes, but is not limited to, the deliberate creation and/or propagation of computer viruses. Sending unsolicited junk mail or chain letters is prohibited. Any interference with the work of other users, with or without malicious intent, is construed as mischief and is strictly prohibited.

File/Data Violations

Deletion, examination, copying, or modification of files and/or data belonging to other users is prohibited.

Consequences of Policy Violation

An attempt to violate the provisions of this policy may result in revocation of the user's Internet access privileges and/or account.

Additional Consequences

District and/or school disciplinary action, including suspension or expulsion, and/or appropriate legal action may be taken.

Security

Security on any computer system is a high priority, especially when the system involves many users. If you suspect or can identify a security problem on the Internet, you must notify your building principal. Do not demonstrate the problem to other users. Do not use another individual's account at any time. Attempts to log on to the Internet as a system administrator will result in cancellation of user privileges. Any user identified as a security risk or having a history of problems with other computer systems may be denied access to the Internet.

AFTER READING THE POLICY AND LEON COUNTY GUIDELINES BOTH STUDENT AND PARENT MUST SIGN AN INTERNET USE/ACCESS AGREEMENT.

******Internet access will not be available to those students who do not have signed permission. ******

Direct questions about Internet access to Sandy Clary, Media Center Specialist, at 414-2660 or clarys@leonschools.net

SOCIAL NETWORKING SITES

Proper use of LCS devices is imperative. It should be noted that during the school day SCMS will utilize GoGuardian to monitor student device usage and activity. GoGuardian is a computer-use monitoring program provided by Leon County Schools. Any social media usage that disrupts the learning environment will be investigated by the Student Service Office and dealt with accordingly. Safety, privacy and the protection of all students, faculty, and staff of SCMS is our top priority. Please monitor your child's Internet use at home and know the rules of these sites/apps. Many students are not old enough to participate.

TECHNOLOGY AND EDUCATION

TEAMS: Microsoft Teams is a collaboration app that helps your team stay organized and have conversations—all in one place. MS Teams can be accessed through ClassLink or downloaded as an app on both iOS and Android devices.

REMIND: a communication platform that helps educators reach students and parents where they are.

EMAIL: Microsoft Outlook, or simply **Outlook,** is a personal information manager from **Microsoft,** available as a part of the **Microsoft** Office suite. Primarily an email application, it also includes a calendar, task manager, contact manager, note taking, journal, and web browsing. Every student is provided their own email account to use for school communication.

ONEDRIVE: a cloud storage service from Microsoft that allows you to store all your important files securely in one place and then access them virtually anywhere with internet capabilities.

CANVAS: a Learning Management System provided by LCS and used by all LCS teachers to aid in the facilitation of instruction.

TRANSPORTATION RULES AND GUIDELINES

SUPERVISION

1. Morning supervision does not begin until 8:45 AM. No student should be on campus before that time.
2. **All students must be picked up by 4:20 PM, any supervision required after 4:20 PM requires SCMS staff to stay after their scheduled work hours.**
3. While on reassignment, a school choice student may not exceed five (5) early parent drop-offs or late pick-ups in a calendar month, or ten (10) early parent drop-offs or late pick-ups in a ninety (90) calendar-day period.

CAR LINE PROCEDURES

1. Safety is our top priority at Swift Creek. We ask that parents do not drop off/pick up students until they reach the covered area, making sure to pull as *far forward as possible* before stopping the vehicle. This allows the car line to run efficiently by allowing the maximum number of vehicles to access the car loop.
2. Students should NEVER be dropped off/picked up using the inside left lane as this creates an *extremely dangerous situation*. Students should only be picked up/dropped off using the right hand lane which enables them to safely access the sidewalk.
3. Cars in drop off/pickup should not stop until they are directly behind the car in front of them.
4. Please do not walk across the traffic lanes (students or parents) as this creates a dangerous situation. Always utilize the sidewalks.
5. There is **no parking** in the car loop between 8:45 AM and 9:35 AM or after 3:30 PM, as this blocks the movement of traffic.
6. Students are expected to watch for their vehicles.
7. Students who are car riders are to remain on campus until picked up at the end of the day.

WALKING/CAR RIDING

In case of inclement weather, transportation for all students should be prearranged to avoid unnecessary phone calls. Walkers should exit the school from the front side walk. Car riders should wait in front of the school office for their cars to pick them up. If a student walks or is a car rider their responsibility begins and ends when they enter and leave our campus. For safety and security reasons, students are not to be dropped off or picked up in staff/faculty parking lots. **ALSO, FOR SUPERVISION AND SAFETY REASONS, STUDENTS SHOULD NOT WAIT FOR RIDES ON PEDRICK ROAD OR IN ADJACENT NEIGHBORHOODS.** Parents are asked to use the front drive.

BICYCLES

Bicycle racks are provided in front of the school. All bicycles should be locked to the racks. The school will not be responsible for stolen bicycles. Please remember to observe bicycle safety rules and wear a helmet. It is a State Law (Fl. Statute 316.2065).

SCHOOL BUS RULES

The student's responsibility begins at the bus stop in the morning and ends at that stop in the afternoon. Students are expected to follow all of the guidelines as well as the rules prescribed by the district for student safety on campus and on the buses. Students who come to school on the bus should return home on the bus unless they have a note from a parent/guardian. In order to ride a bus other than the bus assigned, the student must bring a note signed by a parent/ guardian with a phone number of the parent provided to the front office staff for approval; without an approved note, a student will not be allowed on the bus. **Notes must be brought to the front office before 12 p.m.** An approved note is not a guarantee that there will be room on the bus to carry extra students. Please read all bus rules and abide by those at all times when traveling on a bus.

1. Be respectful of the driver and others riding the bus.
2. Be on time and stand off the roadway while waiting for the bus.
3. When crossing the roadway, be sure that the road is clear of traffic in both directions--do not depend entirely on the bus stop arm.
4. If the bus is equipped with belts, wear a proper adjusted and fastened safety belt at all times.
5. Remain in the seat at all times until departure at an assigned stop.
6. Use ordinary quiet conversation and classroom conduct.
7. Do not talk to or distract the driver while the bus is in operating.
8. Refrain from foul language or racial slurs.
9. Keep hands, feet, arms and head to yourself and inside windows at all times.
10. Do not throw waste paper or other rubbish on the floor or otherwise litter, mark, deface, or damage any part of the bus.
11. Do not throw objects from the bus. Your parents will be charged for any damage you do.
12. Do not tamper with the emergency exit and do not use for ordinary boarding.

Prohibited on the school bus are: gum chewing, eating, drinking, or smoking, animals or pets, small objects or toys that are loose and that could get underfoot and cause passengers to trip or fall, and band instruments, projects and athletic equipment larger than that which can be held by the student or secured so that they do not constitute a hazard.

CONSEQUENCES OF VIOLATIONS: A bus driver can make a written referral to the school administrator about a student's behavior on the bus. Each referral, and subsequent referral, has specific consequences. Bus drivers also may issue verbal warnings for minor offenses which are recorded in the driver's log.
