

# MEET THE TEACHER!

*Welcome to 5th Grade!*

**Hello!**

My name is Paige Centers, and I will be your 5th Grade ELA and Social Studies teacher! I graduated from Florida State University with my BA in Social Science Education, and am overjoyed to be a part of the Conley Elementary School family. Education is my passion, and it is a privilege to have the opportunity to serve this community. I have been teaching elementary school in Tallahassee for the past two years and am eager to continue growing alongside the incredible faculty here at Conley.

In my spare time, I love to teach ballet, read, spend time with family, hike, and swim!

*Ms. Paige Centers*
