Dear Parent or Guardian:

Welcome to Leon County Schools' Focus Parent Portal!

Focus Parent Portal allows parents to view their children's grades, attendance and schedules all through a single registered account. Parents will be able to view most of their child's demographic information along with their test history, health, immunizations and for secondary students, graduation requirements. All available to you by registering your Focus Parent Portal account.

Parents must first visit <https://leon.focusschoolsoftware.com/focus/auth/> to register for an account. Just follow the onscreen instructions, it's easy.

Name	Student ID	Parent Portal Pin
Student, Sample	123456789	987654

Once registered, parents will need to enter the information above, along with their child's date of birth. Parents will need this information for each child to add all of their children to a single account.

Parents may also download the mobile app after registering their account. Search for "Leon County Schools Community" in the Apple or Google Play stores on your device. Parents must register an account at <https://leon.focusschoolsoftware.com/focus/auth/> before logging into the mobile app.

Please visit <https://www.leonschools.net/parentportal> for additional announcements or assistance with Focus Parent Portal.

Thank you,

Focus User Support

# Parent Portal Registration

**The Focus Leon County Schools Parent Portal is a tool designed to enhance communication and involvement for you in your child's education.**

This portal will allow you to monitor your child's progress in school by providing timely access to both assignments and grades that are entered by the teacher throughout the grading period. This communication tool will improve your ability to assist your child and to communicate with the teacher as necessary.

In order to create a Leon County Schools Parent Portal account online, you must have a valid email address. If you are unable to create an account, call your child's school for assistance.
