

Stars & Stripes

(tune: Row, Row, Row Your Boat)

Wave, wave, wave the flag, (wave hands)

As we march around. (March feet)

Hold it high to show our pride, (hands up)

It must not touch the ground. (hands down)

Wave, wave, wave the flag, (wave hands)

Dear red, white, and blue. (hands on heart)

Stars and stripe forever bright, ("star burst hands" in 4 corners)

America to you! (salute)
