Dear Nominating Committee,

It is my pleasure to nominate Mr. Roderick Sailor as Sabal Palm's School Related Employee of the Year. Mr. Sailor is a deserving recipient of this nomination for the 2021-2022 school year.

Mr. Sailor has gone above and beyond the call of duty. Not only has he been an integral part of the successful learning that occurs in our 3<sup>rd</sup>- 5<sup>th</sup> grade self-contained classroom, but he is a prominent figure on campus. He has taken it upon himself to take the teaching certification exams and go through professional development to truly be a part of the instructional learning on campus. Mr. Sailor attends every workshop, every faculty and staff meeting.

Mr. Sailor has assisted over the years with reading and math interventions and small group instruction for access students, which has helped us produce the highest learning gains in the school district for the 2018-2019 school year. He has taken it upon himself to conduct home visits with individualized instruction for his students on a weekly basis during the pandemic. He works with the students and their families to make sure that all for their individual needs are met both in the classroom and at home a swell. His ability to get students to move to higher levels is unmatched. Mr. Sailor' willingness to take on task, make them her own and master curriculum is second to none. He takes on the curriculum and brings it to life by having students develop a visual of what they are reading to be able to allow them to master the state standards.

Mr. Sailor also shares her talents by working with our afterschool students by being a co-sponsor for Robotics and any activity involving our male students. He works with the Tallahassee VEX group and our school based technology instructor to make sur that they students are prepared for their end of the year competitions. Mr. Sailor also volunteers his time in the community by coaching students in football and baseball.

Sabal Palm Elementary School would not be the same without Mr. Roderick Sailor. Not only has she become an integral part of the ESE team, but he is an important member of the Patriot Family.

Sincerely,
