To Whom It May Concern:

It is with great pleasure that I am writing this letter of recommendation for Mrs. Daisy Bush. I have known Mrs. Bush on a professional level for six years. She is a wonderful teacher and an amazing human. Her experience in the field of education spans across **five decades!** Mrs. Bush has served as a paraprofessional, a teacher in multiple capacities, a team leader, a reading coach and a sponsor for many student activities. She has won Teacher of the Year at the school level **multiple times at multiple schools** during her career in education! She has several pages of additional accomplishments during her career.

Mrs. Bush has high expectations for her students. She always encourages them to dig a little deeper because she knows they can do it! She is a strong advocate for her students and their success. She has students work on assignments that allow them to grow academically, while also encouraging them to socialize with other students. Each time you enter her classroom, you instantly feel the positive learning environment. She sets the tone for excellence in her classroom.

Mrs. Bush also has high expectations for herself. She serves on many school committees and Department of Education committees as well. She has served on the state assessment review committee for reading and for writing for several years. She is committed to professional growth so she can better serve her students and continue to improve her craft.

Mrs. Bush is a phenomenal teacher, but more importantly, she is a very kind and loving person. She is always willing to go the extra mile for her students and her colleagues. It is not a surprise that her colleagues chose her as the Teacher of the Year for our school because she is simply the best!

Sincerely,

Dr. Lisa Mehr
